INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
OB-GYN Associates, P.C. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of OB-GYN Associates, P.C. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — DESCRIPTION OF THE PLAN

The following brief description of the OB-GYN Associates, P.C. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement (Agreement) for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all employees of OB-GYN Associates, P.C. (the Company) who have one year of service and are age twenty-one or older. The Plan allows immediate entry into the Plan upon satisfaction of age and service eligibility requirements. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of compensation, as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute pre-tax amounts representing distributions from other qualified plans. The Company contributes a safe harbor match equal to 3% of eligible compensation. Additional discretionary profit sharing amounts may be contributed at the option of the Company's Board of Directors.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, allocations of the Company's discretionary profit sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are vested immediately in their contributions and all Company contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Outstanding loans are limited to one per participant at any given time, are secured by the balance in the participant's account, and bear a reasonable interest rate. Principal and interest are paid ratably through payroll deductions.

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or be paid in installments, partial withdrawals, or annuities, as defined. In-service withdrawals are available as defined. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or roll over the vested balance to another plan, as defined.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accrued benefits of all participants shall be distributed to participants as provided in the Agreement.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The cost of administering the Plan is shared among the Plan participants and the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included as net appreciation (depreciation) in fair value of investments.

NOTE 3 — INFORMATION CERTIFIED BY FIDELITY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity (the trustee and custodian of the Plan).

NOTE 4 — FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1 — defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 — defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3 — defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds*: Valued based on quoted prices of identical assets in active markets.
- *Collective investment funds and stable value fund*: The fair value of units are valued at net asset value, determined using available market information of the underlying securities including quoted prices for identical or similar securities in active or nonactive markets, similar to a mutual fund. These redemption values are the values at which a participant would transact on a daily basis. There are no restrictions on the ability to transact with the funds at net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Description	2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 16,680,181	\$ 16,680,181	\$ -	\$ -

Net income (loss) per Form 5500	<u>\$ 1,807,835</u>	<u>\$ (6,146,012)</u>

NOTE 6 — INCOME TAX STATUS

The Plan was created from a prototype plan developed by Fidelity. The IRS has issued an opinion letter, dated June 30, 2020, that the prototype plan is qualified, and the trust established under the Plan is tax-exempt under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC under the prototype.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that "more-likely-than-not" would not be sustained upon examination by the IRS. Plan management has not identified any uncertain tax positions.

NOTE 7 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 — PARTY-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds managed by Fidelity, the trustee of the Plan. The Plan's investment advisor during 2022, Steele Capital Management (Steele), is also the sub advisor for the collective investment funds. Fees paid by the Plan to Steele for investment advisory services for the year ended December 31, 2022 were \$47,835, and are included in administrative expenses. Additionally, a participant who acquires a participant loan is a party-in-interest. However, these transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 — PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Company inadvertently failed to deposit participant deferrals and loan payments of approximately \$20,911 within the required timeframe as stated by the Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Company made deposits into the Plan for lost earnings attributable to the delinquent contributions and loan payments to fully correct the prohibited transactions.

NOTE 10 — SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 12, 2024, the date the financial statements were available to be issued.
