Report on the Audits of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan‘s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan‘s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan‘s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

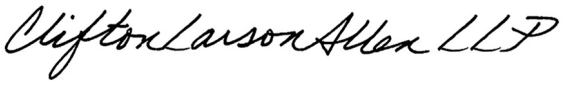

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and contents of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement or summary Plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on October 1, 1993 and most recently restated effective December 31, 2020, which was adopted by Vista Pacifica Enterprises, Inc. (the Company) under the provisions of Section 401(k) of the Internal Revenue Code of 1986 (IRC) and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and IRC, as amended.

Eligibility

The purpose of the Plan is to provide retirement benefits for substantially all employees who are a minimum of 21 years of age and have completed one year of service consisting of at least 1,000 hours. Employees become eligible to enroll on a semiannual basis following the satisfaction of eligibility requirements.

Contributions

Participants may elect to contribute up to 90% of their annual wages for up to a maximum deferral limitation, as defined in the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2020, the Plan document was restated to include safe harbor matching contributions of 3% of Plan compensation plus 50% of contributions between 3% and 5% of Plan compensation. The Plan also allows for a discretionary matching and profit-sharing contribution. To be eligible for employer profit-sharing contribution, a participant is required to be an employee of the Company as of the last day of the Plan year. During 2023, the Company elected to contribute a discretionary profit-sharing contribution for all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings, deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary, rollover, and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested in discretionary contributions after three years of service.

Benefit Payments

If a participant's employment ceases as a result of death or disability, the entire account becomes fully vested, and the participant or his or her beneficiary(ies) is entitled to receive the contents of the account. If participation is terminated for any other reason, the participant is entitled to receive only the vested percentage of the account. A participant or his or her beneficiary(ies) with a vested value in the Plan of more than $5,000 may elect to receive benefits in a single lump sum or in installments. Terminated employees with a vested value in the Plan of $5,000 or less receive benefits in an involuntary lump-sum distribution. Additionally, upon attaining the age of 59 1/2, a participant is allowed to withdraw funds from their vested account balance.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's discretionary matching and profit-sharing contributions are used to reduce future employer's contributions or to pay Plan expenses. During the year ended December 31, 2023, $5,990 in forfeitures were used to reduce employer contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled $5,888 and $5,990, respectively, and are included in cash and cash equivalents in the accompanying statements of net assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The process of preparing financial statements in accordance with GAAP requires the use of estimates and assumptions regarding certain types of assets and liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

At December 31, 2023 and 2022, the fair value of the Plan's investments in pooled separate accounts and the stable value fund is measured using the net asset value per share (NAV) as a practical expedient. Each unit in these accounts invests directly in a unit of the underlying investment. Unit values are calculated based on the observable NAV of the underlying investment in the funds, as more fully described in Note 8.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as Net Appreciation (Depreciation) in Fair Value of Investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses incurred by the Plan are absorbed by the Company, and such expenses are not recorded in the Plan's financial statements. Additionally, certain administrative functions are performed by officers or employees of the Company; however, no such office or employee received compensation from the Plan. The administrative expenses that are paid by the Plan consist of third-party administrator fees and other administrative fees charged by the custodian.

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 30, 2024, the date the financial statements were available to be issued.

NOTE 3 CONCENTRATIONS, RISKS, AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Company is the administrator of the Plan and has appointed John Hancock Life Insurance Company (U.S.A.) (John Hancock) as custodian. The custodian is responsible for the Plan's investment assets and investing transactions. The custodian has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information presented in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022 and the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 6 PARTIES IN INTEREST

The investments in pooled separate accounts and the stable value fund are managed by John Hancock. John Hancock is the insurance company, as defined by the Plan; therefore, these investments qualify as party-in-interest transactions. Additionally, the Plan has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 7 TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the IRS on the pre-approved plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The pre-approved plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 NET ASSET VALUE PER SHARE

The following table for December 31, 2023 sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

Stable Value Fund	140,079	None	Daily	None	None
Total	$ 3,971,960
