INDEPENDENT AUDITOR'S REPORT

August 26, 2024

To the Plan Administrator of the
LeChase Companies 401(k) Salary Savings Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of LeChase Companies 401(k) Salary Savings Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LeChase Companies 401(k) Salary Savings Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LeChase Companies 401(k) Salary Savings Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LeChase Companies 401(k) Salary Savings Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LeChase Companies 401(k) Salary Savings Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LeChase Companies 401(k) Salary Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LECHASE COMPANIES 401(K) SALARY SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the LeChase Companies 401(k) Salary Savings Trust (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for the benefit of substantially all employees of LeChase Construction Services, LLC and certain of its affiliates and subsidiaries (collectively, the Company). The Plan includes both profit sharing and 401(k) components, and, unless otherwise indicated, the provisions of the Plan are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

American Trust Company (ATC) is the trustee and custodian of the Plan's assets. ATC also provides recordkeeping services for the Plan. The Company is the plan sponsor and plan administrator. The Company pays certain administrative expenses of the Plan.

Eligibility

Effective May 1, 2023, employees that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan and receive discretionary employer matching contributions, upon the attainment of age 21.

During the period from January 1, 2022 to May 1, 2023, the Plan did not include an age requirement for eligibility.

Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation and their contributions treated as a pre-tax deferral. Participants may complete a salary deferral agreement to elect an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan.

Participants may contribute a percentage of pretax annual compensation, as defined in the Plan, on a pretax basis or Roth after tax basis (collectively, Elective Deferrals), not to exceed the maximum contribution limits established by the Internal Revenue Code (IRC).

Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Additional discretionary employer matching and profit-sharing contributions may be contributed at the option of the Company. Participants are eligible to receive discretionary profit-sharing contributions if they are employed on the last day of the Plan year, regardless of the amount of service completed during the Plan year. The discretionary employer matching contributions are based on a participant's elective deferral amount, up to a maximum of 4% of a participant's eligible compensation each payroll period.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

During the 2023 and 2022 plan years, the Company made matching contributions equal to 100% of each participant's contribution, up to 2% of their compensation and matched additional contributions exceeding 2% of compensation in increments of 0.25% for each additional 1% of compensation deferred up to 6%. This results in a maximum matching contribution of 3%. The Company may also elect to make profit sharing contributions on a discretionary basis. There was no profit sharing contribution during 2023 or 2022.

Participant Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the elective deferral contributions, the employer discretionary matching contributions and profit-sharing contributions, and Plan earnings, losses and expenses. Allocations are based on participant compensation and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The \$50,000 maximum amount is reduced by the participant's highest outstanding loan balance in the previous twelve months, even if the amount has been repaid. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator (currently prime plus 1%). Principal and interest are paid ratably through payroll deductions over the term of the loan.

Benefit Payments

The Plan provides for benefit payments of their vested account balance in a lump sum amount upon termination of service, death, disability or attainment of retirement age. The Plan provides for mandatory distribution of a participant's vested account balance following severance from employment when an account balance is less than \$5,000. The mandatory distribution is subject to automatic rollover if it exceeds \$1,000. The normal retirement age is the date a participant reaches the age of 60. Participants may also elect to make an in-service withdrawal of all or part of their account balances upon the attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's Elective Deferral contributions account balance under certain circumstances. All hardship withdrawals must comply with the IRS rules relating to hardships, which are uniformly applicable to all participants.

Vesting

Participants are immediately 100% vested in their Elective Deferrals, rollover contributions, catch-up contributions and actual earnings/losses thereon. Discretionary employer matching and profit-sharing contributions and earnings/losses thereon vest 20% per year beginning with the second year of service, and are fully vested after six years, or the attainment of age 60. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

1. DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures of non-vested account balances may be used to reduce future employer matching contributions. During 2023 and 2022, forfeited non-vested account balances totaling \$52,848 and \$24,189 respectively, were used to reduce employer matching contributions. Forfeitures, including earnings thereon, totaled \$60,501 and \$36,710 during 2023 and 2022, respectively. Unallocated forfeitures totaled \$20,965 and \$13,312 at December 31, 2023 and 2022, respectively.

Administrative Expenses

Administrative expenses of the Plan are to be paid from plan assets or by the Company.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based on the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by ATC for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 89,806,336</u>	<u>\$ 76,084,591</u>
Notes receivable from participants	<u>\$ 725,432</u>	<u>\$ 677,021</u>
Investment income (loss)	<u>\$ 11,267,402</u>	<u>\$ (11,985,841)</u>
Interest income on notes receivable from participants	<u>\$ 41,914</u>	<u>\$ 29,405</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 76,808,102</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 76,808,102
Collective trust, at net asset value ^(a)				<u>12,998,234</u>
				<u>\$ 89,806,336</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 63,479,449</u>	<u>\$ _____</u>	<u>\$ _____</u>	\$ 63,479,449
Collective trust, at net asset value ^(a)				<u>12,605,142</u>
				<u>\$ 76,084,591</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: valued at fair value based on quoted prices in active markets.

Collective trust: valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the custodian reserves the right to temporarily delay withdrawal from the trust in order to ensure that the liquidations of the securities will be carried out in an orderly business manner.

The collective trust objective is to provide capital preservation and predictable, steady returns. The Fund seeks to achieve this objective by investing primarily in stable value products, such as Guaranteed Investment Certificates ("GICs"), also known as traditional GICs, separate account GICs and synthetic GICs. The fair value of this investment is not readily determinable and has been estimated using the net asset value per share of the underlying investments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by AT Retirement Services, LLC. AT Retirement Services, LLC received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by ATC, the trustee and custodian of the Plan's assets, and therefore transactions involving securities managed by ATC qualify as party-in-interest transactions. Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 26, 2024, which is the date the financial statements were available to be issued.
