INDEPENDENT AUDITORS' REPORT

To the Participants and the Plan Administrator
TLC, Inc. 401(k) Plan
Salisbury, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of TLC, Inc. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TLC, Inc. Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TLC, Inc. Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TLC, Inc. Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TLC, Inc. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TLC, Inc. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held (at Year End) as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TLC, INC. 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the TLC, Inc. 401(k) plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution salary reduction and profit sharing plan covering all eligible employees of the Company. The Plan has elected to be a Safe Harbor plan, under which the Company makes certain matching contributions to the Plan. The Company may also make other matching and discretionary profit sharing contributions at the election of the Company's board of directors. Other eligibility requirements apply to the employer non-safe harbor matching and discretionary profit sharing contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Three Lower Counties Community Services, Inc. (the "Company") is the Plan administrator. Reliance Trust Company ("Reliance") is the asset trustee. Automatic Data Processing, Inc. is the record keeper of the Plan. The Plan trustees are Brian Holland, Dana Malone, and Jennifer Swanton as of December 31, 2023.

Eligibility

All employees, except for mental health summer counselors, who are at least 18 years of age and have completed three months of service are eligible to participate in the plan.

Contributions

Participants may contribute an amount not to exceed the dollar limit that is set by law, of pretax and post-tax annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. As permitted under the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"), effective January 1, 2002, the Plan allows participants who are at least age 50 (or who will attain age 50 by the end of the calendar year) to make additional "catch-up" contributions in accordance with, and subject to the limitations of, Section 414(v) of the Internal Revenue Code (the "Code") to the Plan. The Plan currently offers forty-six mutual funds and a self-directed brokerage fund option.

Employer non-safe harbor matching and profit sharing contributions are determined at the discretion of the Company's Board of Directors and non-safe harbor matching contributions may only be made in any year that the Company does not elect the Safe Harbor provision. Profit sharing amounts may be contributed at the option of the Company's Board of Directors and are determined annually. For the Plan years ended December 31, 2023 and 2022 the Company did not make any non-safe harbor matching or profit sharing discretionary contributions to the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution, and b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, and in all employer Safe Harbor contributions, plus actual earnings thereon. Vesting of the Company's non-Safe Harbor contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 20 percent vested in such contributions after two years of credited service, and an additional 20 percent vested for each additional year, with 100 vesting occurring on completion of the sixth year of service as defined by the Plan. A participant will also become fully vested upon attainment of normal retirement age, early retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

Participant Notes Receivable ("Loans")

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or fifty percent of their vested account balance. Loan terms may not exceed five years unless the proceeds are used to buy a personal residence. The loans, which are evidenced by notes receivable, are secured by the balance in the Participant's account and bear interest at a reasonable fixed rate as of the date of loan origination. Principal and interest is paid ratably through payroll deductions and all interest paid is credited to the Participant's account. A Participant may have only one loan outstanding at any given time.

Benefits

The forms of payment under the Plan are a single lump-sum payment, installments over a period of not more than the participants assumed life expectancy, or partial withdrawals of at least \$500.

Forfeited Accounts

Forfeited non-vested amounts are to be used by the Company first to offset plan expenses and then to reduce any future employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0, for each of the years then ended.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the net value of each participant's account shall become fully vested and no portion of the Plan's assets may be used for any purpose other than the exclusive benefit of the participants and their beneficiaries.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted within the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported by Reliance Trust Company as of December 31, 2023. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See also Note 3.

Mutual funds are valued daily by Reliance Trust Company using unit values. The unit value is Reliance Trust Company's method for valuing accounts and is not the same as the net asset value reported by those funds.

Self-directed brokerage funds are valued by Charles Schwab & Co., Inc. on behalf of Reliance Trust Company using unit values. The unit value is Reliance Trust Company's method for valuing accounts is not the same as the net asset value reported by those funds.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative costs not absorbed by the Company are absorbed by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

TLC, INC. 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncements

The Plan adopted FASB ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* on January 1, 2023. Management has evaluated the effects of this statement noting this would have no major financial reporting impact.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- * Quoted prices for similar assets or liabilities in active markets;
- * Quoted prices for identical or similar assets or liabilities in inactive markets;
- * Inputs other than quoted prices that are observable for the asset or liability;
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the closing price reported on the active market, which represents the net asset value of share held by the Plan. Also, see Note 2.

Self-directed Brokerage Funds: Valued at the closing price reported on the active market, which represents the net asset value of shares held by the Plan. Also, see Note 2.

TLC, INC. 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2023 and 2022:

Assets at Fair Value at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,012,047	\$ -	\$ -	\$ 29,012,047
Self-directed brokerage funds	137,361	-	-	137,361
Total assets at fair value	\$ 29,149,408	\$ -	\$ -	\$ 29,149,408

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,060,602	\$ -	\$ -	\$ 23,060,602
Self-directed brokerage funds	111,910	-	-	111,910
Total assets at fair value	\$ 23,172,512	\$ -	\$ -	\$ 23,172,512

The Plan has no assets whose fair values are measured using Level 2 or Level 3 inputs, nor does it have any assets or liabilities valued on a non-recurring basis.

NOTE 4 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Certain officers and trustees of the Company are participants in the Plan. All of the Plan's investments are either self-directed brokerage funds brokered by Charles Schwab & Co., Inc. or shares of funds held in registered investment companies and are managed by Reliance Trust Company. Reliance Trust Company is the asset custodian as defined by the Plan and, therefore, management fees and certain annual fees earned by Reliance Trust Company qualify as party-in-interest transactions. Automatic Data Processing, Inc. is the third-party administrator. They earn certain participant-specific transaction fees that are paid by the Plan, and therefore these transaction fees qualify as party-in-interest transactions. Merrill Lynch, Pierce, Fenner & Smith is the investment fiduciary. They earn investment advisory fees that are paid by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for management, annual, investment and transaction services totaled **\$53,945** and \$51,436 for the years ended December 31, 2023 and 2022, respectively.

NOTE 5 - ADMINISTRATIVE EXPENSES

The costs of the Plan's administration, except for the fees described in Note 4 are paid by the Company.

TLC, INC. 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 6 - INCOME TAX STATUS

The Plan was amended and restated May 23, 2022 when the trustee changed to Reliance Trust Company. The Plan utilizes the Non-standardized Profit Sharing Plan with CODA as provided by ADP, LLC, which obtained its latest advisory letter on October 6, 2020, whereby the IRS stated that the Non-standardized Profit Sharing Plan with CODA, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code (IRC).

The Plan has been amended since receiving the advisory letter, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; open years for filed returns: 2020 through 2022, returned to be filed in 2024: 2023.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Merrill (formally Merrill Lynch) is the Plan's investment advisor, and, therefore, investment advisor fees paid out of the plan to Merrill qualify as party-in-interest transactions. Fees paid by the Plan for these services totaled **\$47,021** and \$45,136 for the years ended December 31, 2023 and 2022, respectively.

Automatic Data Processing, Inc. ("ADP") is the Plan's recordkeeper, and therefore, fees paid out of the plan to ADP qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeper transaction-related services totaled **\$6,925** and \$6,300 for the years ended December 31, 2023 and 2022, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Assets Available for Benefits.

NOTE 9 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable held at December 31, 2023 and 2022, and net appreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company at December 31, 2023.
