Communication with Those Charged with Governance at the Conclusion of the Audit

August 28, 2024

To the Plan Administrator

NewFields Companies, LLC 401(k) Plan

We have conducted an audit of the financial statements of NewFields Companies, LLC 401(k) Plan (the "Plan") for the year ended December 31, 2023 and have issued our report thereon dated August 28, 2024.

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of NewFields Companies, LLC 401(k) Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated April 2, 2024, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence. Given our non-attest service of preparing the financial statements and the potential for self-review to impair our independence, we have implemented safeguards to reduce any threat to an acceptably low level. For example, we require multi-level reviews of significant workpapers, and we have refused to accept any management responsibilities with respect to the Plan. Further, we have observed that the Plan has the personnel with sufficient skills, knowledge and experience to oversee any non-attest services we may provide. Finally, we are not aware of any relationships or other services that would jeopardize our independence in performing our audit in conformity with professional standards.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Plan management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Your estimate of the fair value of plan investments is based on underlying net asset values of mutual funds and the collective trust (the Putnam Stable Value Trust Fund) held by the Plan. We evaluated the key factors and assumptions used to develop the fair value in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure of "Fair Value Measurements" in Note 5 to the financial statements. The issues and judgments in determining this disclosure are summarized above and in the notes.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements identified.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Representations Requested from Management

We have requested certain representations from management that are included in the management representation letter dated August 28, 2024. Those are attached to this document for your reference.

Other Matters

This information is intended solely for the use of the Plan administrator of the NewFields Companies, LLC 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Mersereau, Lazenby & Rockas, LLC
Suwanee, GA

August 28, 2024

Mersereau, Lazenby & Rockas, LLC
3469 Lawrenceville-Suwanee Rd, Suite B
Suwanee, GA 30024

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of NewFields Companies, LLC (401k) (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

We have elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of **August 28, 2024**, the following representations made to you during your audit.

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator
of the NewFields Companies, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NewFields Companies, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the NewFields Companies, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NewFields Companies, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NewFields Companies, LLC 401(k) Plan's ability to continue as a going concern.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NewFields Companies, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NewFields Companies, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NEWFIELDS COMPANIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 1: PLAN DESCRIPTION

The following description of the NewFields Companies, LLC 401(k) Plan, (the "Plan") provides general information regarding the Plan. Refer to the Plan document for a complete description of Plan provisions.

General

The Plan is a contributory, defined contribution plan covering substantially all employees of NewFields Companies, LLC and its subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

At the end of 2020, the Company divested all interest in a former participating employer, now called NuGlobal Solutions, LLC ("NGS"). NGS established and adopted a mirror plan, the NewGlobal Solutions, LLC 401(k) Plan. All NGS participants were transferred into this new plan in March 2021.

Administration

The Company is the Administrator of the Plan and, as such, carries out the duties imposed under ERISA. The Administrator has delegated certain responsibilities for the operation and administration of the Plan. Effective October 1, 2015, administrative, recordkeeping, distribution management, and investment options were provided by Fidelity Management Trust Services.

Eligibility

The Plan allows any employee who is age twenty-one or older to begin participating in the Plan after one month and 250 hours of service.

Contributions

A participant may contribute up to 100% of compensation, as defined, up to the allowable Internal Revenue Service ("IRS") maximum of \$22,500 per year as an authorized payroll deduction. Participants reaching age 50 and older may elect to defer additional "catch-up contributions" of \$7,500. The Company makes safe harbor matching contributions equal to a percentage, as determined by the Company, of the participant's salary reductions. Prior to January 1, 2020, only non-partner participants (i.e. regular employees) were eligible to receive matching contributions; however, starting January 1, 2020, all participants became eligible for matching contributions. Participants are auto-enrolled at a 5% default deferral rate. For the years ended December 31, 2023 and 2022, the Company contributed 100% for every dollar contributed by the participant up to 3% of the participant's salary and 50% for the next 2% of the participant's salary contributed to the Plan. In addition, the Company may, at its discretion, make additional employer contributions to the Plan. The Company contributed \$582,330 and \$472,708 in discretionary employer contributions to the Plan for the years ended December 31, 2023 and 2022, respectively.

Participants are immediately 100% vested in safe harbor matching contributions and salary deferrals made to the Plan. Discretionary employer contributions vest at a rate of 33% per year over the first three years of service. Participants with three or more years of service are 100% vested in discretionary employer contributions. The forfeiture balance carried forward at December 31, 2023 and 2022 was \$100,558 and \$91,223, respectively. Forfeiture amounts were used in 2023 and 2022 to offset employee and employer contributions.

NOTE 1: PLAN DESCRIPTION (continued)

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contribution and the Company's matching contribution following each pay period. In addition, participant accounts are credited with earnings on their investments. Participants direct the investment of their contributions into various mutual funds.

Plan participants are composed of active employees of the sponsor and separated, former employees or retirees. Respectively at December 31, 2023 and 2022, approximately 29% and 28% of participant accounts, representing 16% and 17% of plan assets, belonged to former employees.

Loans

Participants may borrow against the vested portion of their account balance. The minimum amount of any loan is \$1,000, and the loan cannot exceed 50% of the vested portion of the participant's account balance or \$50,000, whichever is less. One residence-related loan and one other loan per participant may be outstanding at any time. Repayments are made through payroll withholding or direct payment from participants. The loans are secured by the balance in the participant's account, and new loans issued during 2023 and 2022 bear interest between 4.25% and 9.5%, respectively, which is commensurate with local prevailing rates as determined by the Plan administrator.

Benefit Payments

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive a lump-sum distribution or may elect annuity payments. In-service distributions may be taken for hardships as specified in the Plan document or when the participant reaches age 59 1/2.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Presentation, Valuation, and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and include both income and capital gains distributions. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. Interest accrual is immaterial, and interest income is recorded when paid. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

As of December 31, 2023 and 2022, and for the years then ended, the Plan administrator elected, as permitted by Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, to have financial information certified by the trustee, Fidelity Management Trust Company. The following information was certified by the trustee as being complete and accurate and not subjected to normal audit procedures:

- a. Statements of Net Assets Available for Benefits – notes receivable from participants (participant loans) at amortized cost, and all other investments at fair value.
- b. Statements of Changes in Net Assets Available for Benefits – Interest and dividend investment income, interest income on participant loans, net appreciation (depreciation) in fair value of investment accounts.
- c. Schedule H, Line 4i – Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023.

NOTE 4: CONTRIBUTIONS RECEIVABLE

For the years ended December 31, 2023 and 2022, employee and employer contribution receivables resulted from accruals of year end payroll periods with employee deferrals and employer matches due. Additionally, at December 31, 2023 and 2022, discretionary contributions receivable from the sponsor were due in the amounts of \$582,330 and \$472,708, respectively. Amounts were received into the Plan in January of the subsequent years.

NOTE 5: FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards generally accepted in the United States establishes a hierarchy of inputs to valuation of that price using three levels described in the following:

Level 1 -- unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 -- other observable inputs (such as prices for similar assets in active markets, or the same asset in an inactive market)

NEWFIELDS COMPANIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 5: FAIR VALUE MEASUREMENTS (continued)

Level 3 -- unobservable inputs based on the best information available in the circumstances, to the extent observable inputs are not available.

The hierarchy gives the highest priority to Level 1 inputs and the lowest to Level 3 inputs. Accordingly, the degree of judgement exercised in determining fair value is greatest for Level 3 assets. The Plan measures assets at fair value on a recurring basis and does not have any liabilities measured at fair value. Additionally, there are no assets or liabilities at fair value on a nonrecurring basis.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: This fund is valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Level 1	Level 2	Level 3	Total
December 31, 2023				
Mutual funds	\$51,064,579	\$ -	\$ -	\$51,064,579

NOTE 6: PARTIES IN INTEREST AND ADMINISTRATIVE FEES

The Plan used the services of Northwestern Mutual (investment advisor), Mersereau, Lazenby and Rockas, LLC (audit services), and Fidelity Management Trust Company (trustee, custodian and recordkeeping services), which are parties in interest with respect to the Plan. Transactions with these service providers are not considered prohibited transactions under the IRC and are not prohibited by ERISA. Substantially all of the expenses of maintaining are paid directly by the Company and are excluded from these financial statements. However, fees related to the administration of notes receivable from participants and certain fees for distributions from the Plan are charged directly to the participant's account and included in fees in the financial statements.

NOTE 7: PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: TAX STATUS

In accordance with Internal Revenue Service Announcement 2014-16, the Plan adopted the Volume Submitter Defined Contribution Fidelity Basic Plan Document Number 17 and relies on the volume submitter sponsor's favorable opinion letter dated March 31, 2014 that the Plan Document is a qualified plan under IRC Section 401(a). The Plan Administrator believes the plan is designed and currently operated in compliance with applicable provisions of the IRC. The Plan files form 5500 Annual Return/Report of Employee Benefit Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

COVID-19 effects continue to pose an uncertain threat to financial conditions within the overall marketplace; however, this threat has become a routine consideration of management.

NOTE 10: SUBSEQUENT EVENTS

At the beginning of 2024, the local members of a subsidiary left the Company. On April 1, 2024, the subsidiary's remaining employees and clients were transferred into another subsidiary of the Company. Certain clients were lost in the departure of the local members, but management does not believe the loss will be significant to the Company as a whole. The subsidiary continues to exist, and no decision has been made as to whether the subsidiary is merged with another subsidiary or dissolved.

Subsequent events have been evaluated through August 28, 2024, which represents the date the financial statements were available to be issued.
