INDEPENDENT AUDITOR'S REPORT

To the Puerto Rico Energy LLC Benefits Committee,
Puerto Rico Energy LLC Retirement Savings Plan
San Juan, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Puerto Rico Energy LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Puerto Rico Energy LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Cont'd)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Puerto Rico Energy LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Puerto Rico Energy LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Puerto Rico Energy LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Puerto Rico Energy LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions as of December 31, 2023 and schedules of assets held at end of years as of December 31, 2023 and 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Cont'd)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PUERTO RICO ENERGY LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - REPORTING ENTITY AND DESCRIPTION OF PLAN

The following description of the Puerto Rico Energy LLC Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan description

The Plan is a defined contribution plan sponsored by Puerto Rico Energy, LLC (the "Company" or the "Sponsor") and covering all eligible employees of Puerto Rico Energy, LLC, and Puma Energy Services (Latam) S.A. Inc., (the "Employers"), who are residents of Puerto Rico, and have completed three months of service (the "Participants"). No minimum age is required for participation in the Plan. The Plan was established effective January 1, 2013, and is subject to the provisions of the Employee Retirement Income Security Act ("ERISA") of 1974. On February 16, 2023, the Plan's name was changed from Puma Energy Puerto Rico Retirement Savings Plan to Puerto Rico Energy LLC Retirement Savings Plan.

As of December 31, 2023 and 2022 there were 234 and 255 active participants in the Plan, respectively.

Contributions

For the years 2023 and 2022, participants could contribute up to a maximum of \$15,000 of pre-tax annual compensation, as defined in the Plan. In addition to the maximum amount of pre tax contributions allowed under the Plan, participants who have attained age 50 or over could make catch-up contributions of up to \$1,500 each plan year. Voluntary after-tax contributions are permitted up to 10% of the participant's compensation. Participants directed all or a portion of the investment of their contributions into various investment options offered by the Plan. The Employers matched participants' contributions at the rate of \$1.00 for each dollar of participant's pre-tax contribution, up to a maximum of 5% of participant's compensation. No additional discretionary contributions were made for the years ended December 31, 2023 and 2022. Participants were also allowed to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants' accounts and forfeitures

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsors' contribution, and (b) Plan earnings. The portion of a participant's account not vested at the date of his termination of employment is forfeited immediately. Forfeitures accrued during a plan year are used to reduce employer matching contributions or to reduce or pay the administrative expenses of the Plan, whichever is decided by the Plan Sponsors annually. At December 31, 2023 and 2022 forfeitures amounted to \$34,919 and \$70,632 and were used to pay Plan administrative expenses.

NOTE A - REPORTING ENTITY AND DESCRIPTION OF PLAN (CONT'D)

Vesting period

Participants' vesting period on the Company's matching contributions to their accounts plus actual earnings thereon are based on years of continuous service. A participant's vesting percentage on the employer discretionary contribution for the years 2023 and 2022 is as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Plan expenses and administration

Empower Retirement serves as recordkeeper and custodian for the Plan, while Oriental Bank & Trust is appointed as trustee.

The Company is responsible for the general administration of the Plan and for carrying out the provisions thereof. The Company maintains the Puerto Rico Energy LLC Benefits Committee to discharge and delegate the administration and fiduciary duties under the Plan.

Investment options

The Plan's investments are participant-directed. Upon enrollment in the Plan, a participant may direct contributions into various investment options offered by the Plan. Contributions to a participant account that has not chosen an investment option are invested in a default portfolio of funds. Participants may change their contributions at any time thereafter. The Plan also allows participants to change their investments options daily.

Payment of benefits

Upon attainment the age of 59 1/2 a participant may request distributions from his before-tax contribution and additional vested employer matching contributions before taxes.

When the benefit payments are programed to start, the participant or his representative should request the payment to the employer and specify the form of payment. Usually disbursement is made in a lump sum payment, except when the participant chooses to receive periodic payments during a specific period which will not exceed 10 years.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Contributions

Employee's and Plan Sponsor's matching contributions are recorded in the Plan year in which the Plan Sponsor make payroll deductions from the Plan participants' earnings.

Hardship withdrawals

Under the provisions of the Plan, participants are permitted to make hardship withdrawals from various sources including from the following participant's accounts: (a)(i) pre-tax contributions, (ii) matching contributions, (iii) rollover, (iv) transfer, and (v) after-tax. Such withdrawal is only permitted if: a) financial hardship is demonstrated, b) the withdrawal is approved by the Plan administrator, and c) such withdrawals allowable under the Puerto Rico Internal Revenue Code of 2011, as amended (the "PR Code").

Investment valuation and income recognition

Investments are recorded at fair market as determined by quoted market prices of the securities held in the funds. The unrealized appreciation or depreciation of the investments, based upon the quoted market value at December 31, 2023 and 2022, is recorded as an increase or decrease in net assets available for benefits.

The Plan's investments consist mainly of "units of participations" maintained in various investment funds held by the Trustee. Such investment are stated at fair value. NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE D - FAIR VALUE MEASUREMENT

The FASB ASC 820-10, "Fair Value Measurements and Disclosures" establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Basis of fair value measurement:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at liquidation value based on actuarial formula as defined under the terms of the contract. No observable price.

Separate Investment Accounts: Unit value is calculated based on the observable NAV of the underlying investment.

Fixed income: Valued at the closing price reported in the active market in which the individual security is traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PUERTO RICO ENERGY LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE G - TAX STATUS

The Plan is qualified under Section 1081.01 (d) of the PR Code, and therefore the trust is exempt from taxation. In the normal course of business, the Plan is generally subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2020 to 2023, until the applicable statute of limitations expire. Tax audits by their nature are often complex and can require several years to complete.

In general, contributions to a qualified plan are deductible by the Company when made, earnings of the trust are tax exempt and participants are not taxed on their benefits until withdrawn from the plan.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

NOTE H - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - PARTY-IN-INTEREST INVESTMENTS AND PROHIBITED TRANSACTIONS

For the year ended December 31, 2023 and 2022, the Company remitted several participant contributions totaling \$53,065 and \$82,507, respectively, to the trustee later than required by Department of Labor ("DOL") Regulation 2510.3-102. Participant accounts will be credited with earnings in accordance with DOL guidelines. The Plan also have accrued late remittances for prior years in the amount of \$384,321.

NOTE J - ELIGIBLE DISTRIBUTIONS BY PUERTO RICO TREASURY DEPARTMENT

On November 11, 2022, the Sponsor for the Plan authorized an amendment to allow withdrawals/distributions of up to \$10,000 for all participants in active employment, as well as to allow for up to the first \$100,000 of total lump-sum distributions to cover eligible expenses incurred due to the recent legislation under the PR Code Section 1081.01 (b)(1)(D) and Circular Letter of Internal Revenue No. 22-13 issued on September 27, 2022 by the Secretary of the Puerto Rico Treasury Department, respectively, effective as of October 6, 2022 for distributions made until December 31, 2023, as this may be amended, extended or superseded.
