INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Trustees of
The Gund Company Retirement Savings Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of The Gund Company Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended November 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Gund Company Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 30, 2023 and 2022, and for the year ended November 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of The Gund Company Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Gund Company Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Gund Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Gund Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of November 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

November 30, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following brief description of The Gund Company Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Plan document for more complete information.

General

The Plan, which was established December 1, 1997 and subsequently amended, is a defined contribution 401(k) and profit-sharing plan covering substantially all full-time employees of The Gund Company, Inc. and its U.S. wholly-owned subsidiaries (the "Company" or "Plan Sponsor") who meet the Plan's eligibility requirements. Participants are eligible to participate in the Plan if they have completed six months of service and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Plan participants may contribute any whole percentage of pretax annual compensation, not to exceed the dollar limitations contained in the Internal Revenue Code (the "Code"), through a salary reduction election. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has an auto-enrollment feature such that any newly eligible employee who fails to file a salary deferral agreement with the Plan Administrator is deemed to have entered into a salary deferral agreement authorizing the Company to withhold 1% of his or her compensation as an elective deferral. This percentage is automatically increased each December 1st up to a maximum of 5%.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan includes a provision for a matching contribution determined by the Company. The Plan also allows for additional discretionary amounts to be contributed at the option of the Company's Board of Directors. The Company matches 50% of the first 6% of an employee's contribution.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's matching or discretionary contributions, and (c) Plan earnings and net depreciation. Each participant's account is charged with (a) any withdrawals or distributions, (b) Plan losses and investment depreciation, and (c) an allocation of administrative and mutual fund expenses. Allocations are based on participant's earnings and account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN (continued)

Investment options

Participants of the Plan elect investment accounts in which their contributions are invested. Several investment account options are currently available, comprising various degrees of risk and return. All investment accounts are invested through Principal Life Insurance Company and Principal Trust Company ("Principal").

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions is determined under the following schedule and is based on vesting years of service:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	- %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Participants are also fully vested in employer contributions upon the attainment of normal retirement age, retirement due to disability, or the termination of the Plan.

Forfeited accounts

If a participant forfeits any unvested balances in their account, the forfeited amount can be used to reduce future employer contributions or pay administrative expenses. At November 30, 2023 and 2022, forfeited non-vested accounts were \$96 and \$118, respectively. A total of \$35,192 from forfeited accounts was used to pay administrative expenses and reduce employer contributions during the year ended November 30, 2023.

Notes receivable from participants

A participant, who is also an employee, may borrow from the Plan a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years with the exception of loans for the purchase of primary residence which may have a longer term. The loans are secured by the balance in the participant's account and bear interest at a rate determined by management and based on the then prevailing interest rate. Principal and interest are paid ratably through payroll deductions.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

On termination of service due to disability or retirement, a participant may elect to receive either a lump-sum amount, equal to the value of the participant's account or a joint and survivor annuity. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows for hardship withdrawals, as defined in the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net realized and unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are reported at unpaid principal balance plus accrued but unpaid interest income. No allowance for credit losses has been recorded at November 30, 2023 and 2022.

Payment of benefits

Benefits distributed to participants are recorded when paid.

The Gund Company Retirement Savings Plan
Notes to Financial Statements
November 30, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

The Plan's administrative expenses are paid from the assets of the Plan to the extent not paid by the Plan Sponsor.

3. CERTIFICATION BY PRINCIPAL LIFE INSURANCE COMPANY AND PRINCIPAL TRUST COMPANY

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certification from Principal that all of the information provided by Principal and included in the accompanying financial statements and supplemental schedule is complete and accurate. Information as to investments in the accounts of Principal, notes receivable from participants, investment income, and all information in the accompanying financial statements and supplemental schedule are presented in reliance solely upon this certification.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Gund Company Retirement Savings Plan
Notes to Financial Statements
November 30, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at November 30, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pooled Separate Accounts ("PSA") – PSAs are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The NAV of a PSA is based on the market value of its underlying investments. The net asset value is used as a practical expedient to estimate fair value.

Guaranteed Interest Account – The Plan's valuation methodology for this non-benefit responsive investment was derived from corroboration of observable market inputs, specifically interest rates offered and the credit worthiness of the issuer which supports their ability to meet its obligation under the investment contract and credit rating. This product is not a traditional Guaranteed Investment Contract ("GIC"), and therefore there are no known cash flows that could be discounted. The investment does not have a fair value adjustment upon discontinuance. Based on this assessment, fair value is presumed to approximate contract value and is classified within Level 2 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table presents the Plan's assets by level, within the fair value hierarchy, measured at fair value on a recurring basis as of November 30, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 999,463	\$ -	\$ -	\$ 999,463
Guaranteed interest account	<u>-</u>	<u>48,798</u>	<u>-</u>	<u>48,798</u>
	<u>\$ 999,463</u>	<u>\$ 48,798</u>	<u>\$ -</u>	1,048,261
Investments measured at NAV (a)				<u>26,407,687</u>
				<u>\$ 27,455,948</u>

The following table presents the Plan's assets by level, within the fair value hierarchy, measured at fair value on a recurring basis as of November 30, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual Funds	\$ 802,598	\$ -	\$ -	\$ 802,598
Guaranteed interest account	<u>-</u>	<u>139,058</u>	<u>-</u>	<u>139,058</u>
	<u>\$ 802,598</u>	<u>\$ 139,058</u>	<u>\$ -</u>	941,656
Investments measured at NAV (a)				<u>23,023,789</u>
				<u>\$ 23,965,445</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of November 30, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT (continued)

November 30, 2023:

<u>Investment Name</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 24,823,040	-	Daily	None
Collective trust	\$ 1,584,647	-	Daily	None

November 30, 2022:

<u>Investment Name</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 21,469,879	-	Daily	None
Collective Trust	\$ 1,553,910	-	Daily	None

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. TAX STATUS

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (the "Code") Section 401(a). The Plan will not receive a determination letter specific to the Plan itself; however, the Plan Administrator and Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Gund Company Retirement Savings Plan
Notes to Financial Statements
November 30, 2023 and 2022

8. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts and a guaranteed interest account managed by Principal. Principal is the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Administrative expenses paid by the Plan to Principal were \$49,728 for the year ended November 30, 2023.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at November 30:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 27,780,170	\$ 24,362,442
Miscellaneous assets	<u>16</u>	<u>204</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 27,780,186</u></u>	<u><u>\$ 24,362,646</u></u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 at November 30, 2023:

Increase in net assets available for benefits per the financial statements	\$ 3,417,728
Other	<u>(188)</u>
Increase in net assets available for benefits per the Form 5500	<u><u>\$ 3,417,540</u></u>

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 13, 2024, the date the financial statements are available to be issued.

Effective January 1, 2024 and moving forward, via Amendment No. 2, the Plan has opted to change the Plan Year from a December 1 through November 30 year to a January 1 through December 31 year.
