INDEPENDENT AUDITORS' REPORT

To the Trustees of
Harlow Aero Group LLC 401(k) Plan and Trust
Wichita, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of Harlow Aero Group LLC 401(k) Plan and Trust, an employee benefits plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended December 31 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Harlow Aero Group LLC 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section--

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harlow Aero Group LLC 401(k) Plan and Trust Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harlow Aero Group LLC 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harlow Aero Group LLC 401(k) Plan and Trust 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

HARLOW AERO GROUP LLC 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the Harlow Aero Group LLC ("Company") 401(k) Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan. Employees who are at least 18 years old can elect to become active participants in the Plan following the completion of at least sixty days of service. 3% of an eligible employee's compensation will be automatically withheld and contributed to plan as an elective deferral if the employee does not make an affirmative deferral election. Participants direct investment of their contributions into various investment options offered by the Plan. The Company has the option to contribute a discretionary amount of matching contributions to the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In addition to Harlow Aerostructures LLC, the Plan has been adopted by and covers the employees of Valley Tool and Manufacturing LLC, and NC Dynamics LLC.

Contributions. Each year, participants may make voluntary contributions to the Plan of up to 100% of their compensation up to the maximum allowed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct investment of their accounts into various investment options offered by the Plan. The Company has the option to contribute a discretionary amount of matching contributions to the Plan. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, Plan earnings and are charged with an allocation of administrative expenses. Allocations are based on participant contributions, compensation, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service, upon normal retirement age, or upon death or disability while still employed by the Company.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000, or 50% of their account vested balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 4.25% to 9.50%, as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits. Upon termination of service, death, disability or retirement a participant may receive a lump-sum payment equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts. Participants who leave the service of the Company before becoming fully vested in the plan forfeit the non-vested portion of the Company's matching and discretionary contributions previously credited to the participants' account, plus actual earnings thereon. Forfeited accounts are used to reduce future employer matching contributions.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

3. EXCESS CONTRIBUTIONS

Contributions received from participants for the plan years ended December 2023 and 2022 are net of receipts of \$5,167 and \$3,229 in 2023 and 2022, respectively, from certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

Benefit distributions for the plan years ended December 31, 2023 and 2022 are net of payments of \$3,229 and \$1,795 made in 2023 and 2022 respectively, to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the prior year.

4. ADMINISTRATION OF PLAN

Certain administrative functions are performed by employees of the Company. No employee receives compensation from the Plan. Some administrative expenses for the Plan are paid directly by the Company.

6. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board pronouncement, Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO FINANCIAL STATEMENTS

6. FAIR VALUE MEASUREMENTS (Continued)

As required by ASC 820, at December 31, 2023 and 2022, the Plan's investments were classified into Level 1, which refers to securities traded in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid recordkeeping fees to the plan custodian of \$29,737 and \$31,673 for the years ended December 31, 2023 and 2022, respectively. The Plan has various service providers and these providers are considered parties in interest.

Certain Plan investments are shares of accounts managed by Fidelity Management Trust Company, who is the custodian of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. The Plan has various service providers and these providers are considered parties in interest.

9. TAX STATUS

The Plan has adopted the prototype plan of FMR LLC. The IRS has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

12. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

13. SUBSEQUENT EVENTS

Management has evaluated all subsequent events since December 31, 2023 through August 28, 2024, the date of the independent auditor's report. There have been no subsequent events that would require changes to the accompanying financial statements or disclosures therein.
