BURRIS LOGISTICS RETIREMENT PLAN

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of Burris Logistics Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Burris Logistics Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Burris Logistics Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Burris Logistics Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Burris Logistics Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Burris Logistics Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS - CONTINUED

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BURRIS LOGISTICS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Burris Logistics Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all union and non-union employees of Burris Logistics and its subsidiaries (the "Company"). All non-union employees and union employees are eligible to participate after the completion of six months of service and are age nineteen or older. Effective October 1, 2023, the Plan was amended to remove the six month service requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 24, 2023, the Plan was amended to include the participants from Sunny Morning Foods, Inc., a newly acquired subsidiary. Effective June 20, 2022, the Plan was amended to include certain participants from R.W. Zant, a newly acquired subsidiary.

Contributions - Contributions to the Plan are made by participating employees and the Company. Participants may elect to contribute up to any percentage of eligible compensation as defined by the Plan, which is matched by a Company contribution. The Company match is 100% of the first 6% of the employee's eligible compensation for non-union employees and union employees.

The Plan permits participants to contribute amounts representing distributions from other defined benefit or defined contribution plans ("rollover contributions").

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's matching contribution and an allocation of the Company's pension and profit sharing contributions and Plan earnings. Allocations are based on participant earnings, hours worked or account balances, as defined. Participants direct the investment of their accounts among available investment options.

Vesting - All participants are immediately vested in their contributions and actual earnings thereon. Effective January 1, 2021, participants become 100% vested in the Company's Qualified Automatic Contribution Arrangement (QACA) contributions after the completion of two years of services. Prior to January 1, 2021, participants vested immediately in the Company's safe harbor contributions plus actual earnings thereon. Participants will become 100% vested in other Company contributions after the completion of three years of service. A participant becomes 100% vested at age 65, or in the event of disability or death.

Notes Receivable From Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear a fixed rate of interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates of similar notes at the time the note is originated. All notes must have a definite repayment schedule, which provides for principal and interest payments to be made ratably through payroll deductions over a period not to exceed five years, except for home notes that may be repaid over a period not to exceed fifteen years. Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest.

BURRIS LOGISTICS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Payment Of Benefits - Payments of benefits are permitted in various methods depending upon whether the request for payment results from retirement, in-service death, an event of disability or termination. The Plan administrator may allow distribution of 100% of the participant's contributions and vested portion of Company contributions in cases of hardship. Balances less than \$5,000 may be paid in lump-sum distributions, without requiring participant approval.

Forfeited Accounts - Forfeitures of Company contributions resulting from the termination of participants with less than fully vested rights under the Plan shall be used to reduce future contributions, pay certain Plan expenses or be allocated to the remaining participants of the Plan. During 2023 and 2022, the Plan utilized approximately \$23,800 and \$208,300, respectively, of forfeitures to reduce Company contributions and pay Plan expenses. At December 31, 2023 and 2022, approximately \$164,000 and \$23,200, respectively, of forfeitures were available for future use.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation And Income Recognition - Investments in registered investment companies and pooled separate accounts and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in fully benefit-responsive insurance contracts are reported at contract value. Contract value is the price participants would receive if they were to initiate permitted transactions under the terms of Plan.

See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use Of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment Of Benefits - Benefits are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for uncollectible participant notes has been recorded as of December 31, 2023 and December 31, 2022.

Plan Expenses - Substantially all Plan expenses are paid by the Company, outside of the Plan.

NOTE C - CERTIFIED ASSETS

All information on investments and notes receivable from participants included in the accompanying financial statements and schedule was obtained or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan applies generally accepted accounting principles to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

- Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - inputs to the valuation methodology include quoted prices for identical or similar assets and liabilities in active or inactive markets; inputs that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. The Plan held no level 2 or 3 investments in 2023 or 2022.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts - These investments are accounts maintained by an insurance company for the collective investment and reinvestment of assets contributed thereto from employee benefit plans maintained by more than one Company or controlled group of corporations. They are valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment, the insurance company reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

BURRIS LOGISTICS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE D - FAIR VALUE MEASUREMENTS - CONTINUED

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022, by caption on the Statements of Net Assets available for benefits within the valuation hierarchy.

	QUOTED MARKET PRICE IN ACTIVE MARKETS (LEVEL 1)	TOTAL CARRYING VALUE IN THE STATEMENTS OF NET ASSETS AVAILABLE FOR BENEFITS
<u>DECEMBER 31, 2023</u>		
Registered Investment Companies	\$ 82,776,408	\$ 82,776,408
Pooled Separate Accounts Measured At

TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 82,776,408</u>	<u>\$ 83,067,907</u>
	QUOTED MARKET PRICE IN ACTIVE MARKETS (LEVEL 1)	TOTAL CARRYING VALUE IN THE STATEMENTS OF NET ASSETS AVAILABLE FOR BENEFITS

Registered Investment Companies	\$ 67,106,454	\$ 67,106,454
Pooled Separate Accounts Measured At		
Net Asset Value*	-	215,883
TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 67,106,454</u>	<u>\$ 67,322,337</u>

*In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE E - INSURANCE CONTRACT

The Plan currently offers a fixed income guaranteed option through Principal Life Insurance Company.

BURRIS LOGISTICS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE E - INSURANCE CONTRACT - CONTINUED

The Principal fixed income guaranteed option is a benefit-responsive group annuity contract. The methodology for calculating the interest crediting rate is defined by the contract. Under the terms of the contract, the Composite Crediting Rate is currently reset on a semiannual basis and will never be less than the Guaranteed Minimum Interest Rate. Amounts allocated to the fixed income option are backed by the Company's general account. No portion of the general account is attributable to a particular plan nor do plans have any undivided ownership interest in the general account assets. Withdrawals to pay participants benefits from the fixed income option are made at contract value.

NOTE F - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Trust Company. Principal Trust Company, custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Approximately 11% and 15% of Plan investments are invested in funds managed by Principal Trust Company as of December 31, 2023 and 2022, respectively. Fees paid by the Plan for the investment management services and administrative services totaled \$119,520 and \$178,158 for the years ended December 31, 2023 and 2022, respectively.

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2023 and 2022. These loans are considered party-in-interest transactions according to the Department of Labor guidelines. Total outstanding loans as of December 31, 2023 and 2022 were \$1,566,681 and \$1,346,883, respectively.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE H - TAX STATUS

The Plan has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan administrator timely adopted the prototype plan. The Plan administrator believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

NOTE I - RISKS AND UNCERTAINTIES

The Plan's investments include financial instruments which are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term that could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

BURRIS LOGISTICS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE J - SUBSEQUENT EVENTS

The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 16, 2024, the date the financial statements were available to be issued.

NOTE K - PARTIAL PLAN TERMINATION

Effective December 2023, the Company sold part of a division resulting in a partial plan termination. Upon termination, the effected participants were immediately fully vested in their employer match contributions. Pursuant to the terms of the sale, the effected participants will be provided the opportunity to transfer their account balances to the Lineage Logistics 401(k) Plan in 2024.

In July 2022, the Company sold four warehouses resulting in a partial plan termination. Upon termination the effected participants were immediately fully vested in their employer match contributions. Pursuant to the terms of the sale, the effected participants were provided with the opportunity to transfer their account balances to the BJ's Wholesale Club, Inc. 401(k) Savings Plan for Hourly Employees. The amount of Plan assets transferred out is reflected on the statements of changes in net assets available for benefits, transfers of Plan assets from the Plan.

NOTE L - PROHIBITED TRANSACTIONS

Participant contributions of \$42,241 were withheld from various participants' pay in 2023 but were not remitted to the Plan's trust in a timely fashion. This constituted loans of \$42,241 from the Plan to the Plan Sponsor. The delinquent participant contributions were remitted to the Plan's trust in 2023 and 2024 with related lost earnings.

Participant contributions of \$2,308 were withheld from various participants' pay in 2022 but were not remitted to the Plan's trust in a timely fashion. This constituted loans of \$2,308 from the Plan to the Plan Sponsor. The delinquent participant contributions were remitted to the Plan's trust in 2022 with related lost earnings.

NOTE M - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
