To the Participants and Administrator of
Plastek Group Employee Benefit Trust
Erie, Pennsylvania

Independent Auditor's Report

Opinion

We have audited the accompanying financial statements of Plastek Group Employee Benefit Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plastek Group Employee Benefit Trust as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plastek Group Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plastek Group Employee Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plastek Group Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plastek Group Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule J, Line 4j – Schedule of Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plastek Group Employee Benefit Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Plastek Group Employee Benefit Trust (the “Trust”) provides only general information. Participants should refer to the Trust Agreement for a complete description of the Trust's provisions.

General

The Trust is an employee benefit plan covering substantially all active employees of Plastek Industries, Inc., Lake Erie Promotions, Inc., Promo-Specialties, Inc. and Havaco Technologies, Inc. (the “Sponsor”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2014, the Sponsor ceased contributions to the Trust for payment of health, dental, vision and long-term disability benefits as well as administrative expenses incurred for administering and processing health, dental and vision claims. As such, there are no claims payable on claims incurred but not reported as of December 31, 2022 and 2021. These costs are now being paid directly by the Sponsor. In the event the Trust has income, medical claims will be paid out of the Trust to the extent of the income.

Benefits

The Trust provides health (hospital, pharmacy, surgical and major medical), dental, vision, long-term disability and life insurance benefits to full-time employees of the Sponsor (with at least 1,000 hours of service each year) and to their covered dependents. Salary employees are eligible for benefits on the first of the month following their hire date, whereas hourly employees must complete sixty days of service to receive coverage. Health, dental, vision and disability claims of active participants and dependents are processed by the third party administrators, but the responsibility for payments to participants and providers is retained by the Trust.

Contributions

The Sponsor's policy is to contribute amounts sufficient to cover claims to a maximum permitted as a tax deduction by the Internal Revenue Code. Under present law, the Sponsor is not permitted to deduct amounts for future benefits to current employees. Employees are required to contribute specified amounts for health benefits as determined periodically by the Sponsor. There are no employee contributions for dental, vision, long-term disability and life insurance benefits.

Administrative Expenses

The administrative expenses of the Trust, such as legal and audit fees, are paid by the Sponsor.

1. DESCRIPTION OF PLAN (CONTINUED)

Other

The Sponsor has the right under the Trust to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Trust subject to the provisions set forth in ERISA. In the event that the Trust is terminated, the assets in the Trust would be applied in the following order: to administrative expenses, to claims arising prior to the date of termination, to the payment of premiums for continued insurance coverage or to the distribution of assets to participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Trust are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation and Income Recognition

The Trust invests in life insurance policies on key employees of the Sponsor. The cash surrender value of life insurance is equal to premium payments, plus dividends and interest earned, less administrative and insurance costs and loans. Upon the death of the insured, the Trust will receive the face value of the policy, net any loans. The cash value of the policies is periodically used to partially fund the Trust. The increase in the cash value of the respective life insurance policies is recorded as net appreciation and is reflected in the statements of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and change therein, claims incurred but not reported, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management evaluated all activity of the Trust through September 28, 2023 the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes, except as described below.

The decision to terminate the plan was effective as of January 1, 2023. The Sponsor will acquire the life insurance policies held by the Trust at fair market value, thereby creating a cash fund within the Trust. In accordance with the plan document, the Trust will reinstate the payment of claims and benefits incurred under the Plan that will ultimately liquidate the cash fund at which time the Plan will be formally terminated.

3. INVESTMENTS

Investments at December 31, 2022 and 2021 consisted of the following:

	<u>2022</u>	<u>2021</u>
Cash value of life insurance	<u>\$ 4,443,916</u>	<u>\$ 5,441,322</u>

During the years ended December 31, 2022 and 2021, the investments appreciated in value by \$233,834 and \$266,977, respectively.

During the year ended December 31, 2022, due to the death of two insured participants, insurance benefits were received in the amount of \$434,825 and a benefit payment in the amount of \$129,000 was paid to the deceased participant's beneficiary.

4. TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501 (c) (9) of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has obtained its latest determination letter on March 12, 1986, in which the Internal Revenue Service stated the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the determination date above, however, management still believes they are operating in accordance with the Internal Revenue Code rules and regulations.
