INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Diagnostic Pathology Medical Group, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Diagnostic Pathology Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. DIAGNOSTIC PATHOLOGY MEDICAL GROUP, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Diagnostic Pathology Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only summarized general information: Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan was established October 1, 1971, to provide benefits for employees of the Diagnostic Pathology Medical Group, Inc. (the "Plan Sponsor") and the employees' beneficiaries. The Plan is a defined contribution plan covering all eligible employees who have attained the age of twenty-one (21) years and have completed one year of service where they worked at least 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Charles Schwab Trust Bank is the custodian of the Plan's assets and Plan trustee.

On August 27, 2021, the Plan was restated to update the plan document to reflect recent legislative and regulatory changes. The restated plan document was effective January 1, 2022.

Plan Year

The Plan year begins January 1 and ends December 31.

Contributions

The Plan allows for the following types of contributions:

- *Employee Salary Deferral 401(k) Contributions*
  The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). Upon eligibility, employees are automatically enrolled into the Plan at a rate of 3%; however, a participant may voluntarily contribute from 1% to 100% of their regular wages allowable, subject to various nondiscrimination tests and limitations prescribed by the Code. Employees contributing between 1% and 4% are automatically increased by 1% each January 1st until such time that their elective deferral percentage reaches 5%. Employees may opt out of automatic enrollment and the automatic increase.

- *Employee Roth Elective Salary Deferral Contributions*
  Participants may make Roth after-tax elective salary deferral contributions.

- *Employer Safe Harbor Non-Elective Contributions*
  The Plan Sponsor will make a safe harbor non-elective contribution equal to 3% of each participant's eligible compensation for the Plan year. The Plan Sponsor made safe harbor non-elective contributions of $458,353 and $398,947 for the Plan years ending December 31, 2023, and 2022, respectively.

- *Employer Non-Safe Harbor Non-Elective Contributions*
  The Plan Sponsor may make non-elective contributions equal to a discretionary amount using the participant group allocation method. The Plan Sponsor made non-safe harbor non-elective contributions of $991,393 and $857,479 for the Plan years ending December 31, 2023, and 2022, respectively.

- *Employee Rollover Contributions from Another Qualified Plan*
  Participants may make rollover contributions from another qualified plan.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to direct their investments. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their deferral and employer safe harbor non-elective contributions. Employer non-safe harbor non-elective contributions and gains/losses credited thereon vest as follows:

Less than 1-year credited service	0%
After 1-year credited service	100%

For vesting purposes, a year of service is equivalent to 1,000 hours of service during the Plan year.

Forfeitures

Forfeitures from employer non-safe harbor non-elective contributions may be used to reduce the amount of future employer contributions, added to other employer contributions, or reallocated. At December 31, 2023 and 2022, the Plan held forfeited non-vested amounts of $0 and $45, respectively. No forfeitures were used to reduce employer contributions for the Plan years ended December 31, 2023, and 2022. The forfeitures are used when the employer contributions are funded subsequent to year-end.

Retirement

Normal retirement under the Plan is fifty-nine and one-half (59½) years.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment of the participant, 3) death or disability of the participant, or 4) attainment of age 59 ½. The form of benefit payments may be in a single lump sum or in periodic installments over a period of time.

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts while employed by the Plan Sponsor. Loans may not exceed the lesser of $50,000 or 50% of the participant's account balance. Loan terms may be up to five years or ten years if for the acquisition of a personal residence. Principal and interest are paid through payroll deductions. Loans are secured by the balance in the participant's account.

Administrative Expenses

Administrative expenses of the Plan for the years ended December 31, 2023, and 2022, were paid by the Plan Sponsor and the Plan. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Investment Valuation and Income Recognition
Investments in mutual funds, common collective trusts, and personal choice retirement accounts are stated at fair market value using quoted market prices when available. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date and include capital gain distributions. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefits to participants are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, and 2022. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Income Taxes
The Plan has adopted a pre-approved defined contribution plan which has obtained a favorable opinion letter dated September 21, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not, would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Estimates and Assumptions
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4: **INFORMATION CERTIFIED BY THE TRUSTEE**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Charles Schwab Trust Bank, the trustee, as of and for the years ended December 31, 2023, and 2022:

	2023	2022
Mutual funds	$ 27,672,119	$ 23,289,883
Personal choice retirement accounts	$ 10,709,919	$ 7,337,579
Common collective trusts	$ 7,285,409	$ 7,470,666
Notes receivable from participants	$ 327,071	$ 232,919
Net realized and unrealized appreciation (depreciation)	$ 6,540,498	$ (12,694,787)
Interest and dividends	$ 849,407	$ 1,003,518
Interest income, notes receivable from participants	$ 16,745	$ 9,431

NOTE 5: **FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Personal Choice Retirement Accounts: Valued at the daily closing price as reported by the underlying investments. Personal choice retirement accounts consist primarily of cash, common stocks, mutual funds, and unit investment trusts.

NOTE 5: **FAIR VALUE MEASUREMENTS (Continued)**

Common Collective Trusts: Valued at the NAV of units of bank collective trusts. The NAV, as provided by the trustee of the fund, is based on the fair value of the underlying mutual fund investment held by the collective trust. Collective trust investments include a stable value fund that is composed primarily of fully benefit-responsive investment contracts. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 27,672,119	$ -	$ -	$ 27,672,119

Stable Value Fund	-	-	-	2,621,282
	$ 38,382,038	$ 4,664,127	$ -	$ 45,667,447

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 23,289,883	$ -	$ -	$ 23,289,883

Stable Value Fund	-	-	-	3,947,727
	$ 30,627,462	$ 3,522,939	$ -	$ 38,098,128

The following table summarizes investments for which fair value is measured using the net asset value per unit practical expedient as of December 31, 2023, and 2022:

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	$ 2,621,282	n/a	Daily	12 Months

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	$ 3,947,727	n/a	Daily	12 Months

NOTE 6: **RISKS AND UNCERTAINTIES**

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 7: **RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan for the investment management services are recorded in net appreciation (depreciation) in fair value of investments. Fees for certain administrative expenses are paid to Charles Schwab Corporation, the record keeper and third-party administrator of the Plan. Notes receivable from participants are considered party-in-interest transactions. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: **SUBSEQUENT EVENTS**

Plan management has evaluated events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Management has evaluated subsequent events through September 12, 2024, the date the financial statements were available to be issued and has determined that no subsequent events have occurred that should be disclosed.
