Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Medusind, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of November 30, 2023, and the related statement of changes in net assets available for benefits for the period then ended, and the statement of net assets available for benefits as of December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Medusind, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 30, 2023 and December 31, 2022, and for the period ending November 30, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America applied on the basis described in the Emphasis of Matter paragraph.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Medusind, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As discussed in Note F to the financial statements, the Plan was terminated on November 30, 2023, and the Plan's assets were transferred to another plan.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medusind, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medusind, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medusind, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Medusind, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

November 30, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Medusind, Inc. 401(k) Plan, (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan adopted as of April 1, 1992, and restated April 6, 2020. The Plan was established by the Plan Sponsor, Medusind Solutions, Inc. (the “Employer”), covering substantially all employees of the Employer, except leased employees, non-resident aliens and independent contractors. Participants may make elective deferrals into the Plan immediately upon meeting the eligibility requirements of the Plan. Under the Plan, full-time employees are eligible to participate in the Plan after attaining the age of 21 and completing six months of service. Part-time employees are eligible to participate in the Plan after attaining the age of 21 and completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Effective April 6, 2020, the Plan Sponsor and the Plan changed their names to Medusind, Inc. and Medusind, Inc. 401(k) Plan, respectively.

In April 2020, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) relating to participant distributions and participant loans were enacted. The CARES Act allowed for utilization of these provisions immediately. The Plan elected to implement the provisions related to participant distributions and participant loans and has until December 31, 2025 to formally adopt as an amendment to the Plan.

2. Contributions and expenses

Participants may contribute up to 60% of their annual compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make “catch-up contributions”. The maximum allowable pre-tax voluntary contribution, as determined by the Internal Revenue Service (IRS) was \$22,500, for 2023, with a maximum catch-up contribution of \$7,500 for 2023. All contributions are held in trust, and invested by the Plan's trustee in accordance with the options elected by the participants (i.e., all investments are participant directed).

The Employer may elect to make qualified matching contributions to the Plan, which is determined each year by the Employer's governing body. In 2020, the Employer contributions are considered safe harbor contributions. Effective June 21, 2021, the Employer began making matching contributions for 100% of the first 2% of a participant's elective deferral. The Employer made matching contributions to the Plan totaling \$266,925 for the period ended November 30, 2023.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRA's.

3. Participant accounts

Each participant's account is credited with the participant's voluntary 401(k) contributions and an allocation of (a) the Employer's contributions, (b) the Plan's earnings, and (c) rollover contributions. Allocations are based on participant earnings and account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Accounts are valued on a daily basis.

NOTE A – DESCRIPTION OF PLAN (continued)

4. Vesting

From 2022 onward, participants are fully vested immediately in their elective contributions plus actual earnings thereon. Employer matching contributions are fully vested after a full year. Accounts that made Employer matching contributions prior to June 1, 2021 as well as accounts attributable to matching or profit-sharing contributions transferred to the plan from MBMS/Perioperative 401(K) Plan or the Quantum Medical Business Service, Inc. 401(K) Plan are 100% vested. Otherwise, accounts attributable to Employer profit-sharing contributions transferred to the Plan from the Medusind Solutions of Florida Retirement and Savings Plan are subject to the following vesting schedule: Less than 2 years - 0%, 2 years - 20%, 3 years - 40%, 4 years - 60%, 5 years - 80%, 6 years - 100%

5. Payment of benefits

The benefit to which a participant is entitled is the benefit that can be provided by the participant's account. Upon termination of service, death, disability, or retirement (age 65), the participant will receive the value of the vested interest in his or her account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

The Plan's provisions provide for hardship withdrawals for certain qualifying events as more specifically described in the Plan document.

6. Notes receivable from participants

The Plan allows participants to borrow funds from the Plan based on certain conditions. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are repaid through payroll deductions, with terms up to five years, except for a loan to fund the purchase of a principal residence, for which the loan may be repaid over a reasonable period that may not exceed ten years. The loans are secured by the balance in the participant's account and bear interest at prime plus 2%, fixed at the date of the loan. At November 30, 2023, interest rates ranged from 4.23% to 10.5%.

7. Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and may first be used to pay Plan administrative expenses, or used to reduce future Employer contributions. As of November 30, 2023 and December 31, 2022, the forfeiture balance was \$117 and \$0, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting.

Medusind, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Use of estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Accordingly, upon settlement, actual results may differ from estimated amounts.

3. Valuation of investment and income recognition

The Plan follows the fair value measurement requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, which defines fair value as the exchange price that would be received for the asset or paid to transfer a liability in an orderly transaction between market participants. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments during the year.

The Plan has invested in a fully benefit-responsive investment account with an insurance company. Fully benefit-responsive contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

4. Benefits paid

Benefits are recorded when paid.

5. Administrative expenses

The Employer has entered into an agreement with the trustee of the Plan to receive certain fee credits which are used to pay administrative expenses. If administrative expenses exceed the fee credits, expenses are paid from forfeitures, or applied against participant accounts.

6. Notes receivable from participants

In accordance with FASB ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*, the Plan has classified loans to participants as notes receivable. The loans are recorded at principal plus any accrued and unpaid interest. Interest income is recorded when earned.

7. Subsequent events

The Plan has evaluated subsequent events through September 16, 2024, the date the financial statements were available to be issued.

Medusind, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

November 30, 2023

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a group annuity contract, which is a fully benefit-responsive guaranteed investment contract, with the trustee of the Plan. The investment in the group annuity contract provides the Plan with a medium for collective investment and reinvestment in one or more types of investments. The trustee maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the trustee, represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value within the limits of the investment contract.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events, that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Medusind, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

November 30, 2023

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of November 30, 2023 and December 31, 2022, the Plan's participant-directed investments measured at fair value on a recurring basis by the fair value hierarchy levels described above are as follows:

Fair Value Measurements as of November 30, 2023				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -

Fair Value Measurements as of December 31, 2022				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,042,934	\$ -	\$ -	\$ 11,042,934

NOTE E – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, John Hancock Trust Company, LLC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate as of November 30, 2023 and for the period then ended and as of December 31, 2022.

	2023	2022
Mutual funds, at fair value	\$ -	\$11,042,934
Fully benefit responsive investment contract, at contract value	-	612,348
Notes receivable from participants	327,494	258,324
Investment income	1,274,507	n/a
Interest on notes receivable from participants	16,751	n/a

NOTE F – PLAN TERMINATION

The Plan was terminated on November 30, 2023, after the Employer joined a pooled employer plan (PEP). No contributions were allowed to be made to the Plan after November 30, 2023. Participant assets were transferred to the new PEP managed by Aon Consulting, Inc on December 1, 2023. John Hancock Trust Company, LLC certified that the Plan be fully terminated by December 31, 2023.

NOTE G – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company, LLC is the trustee for the Plan; transactions with the trustee qualify as party-in-interest transactions. Total fees paid for Plan administration were \$32,234 for the period ended November 30, 2023.

NOTE H – INCOME TAX STATUS

The Plan is operating under a prototype plan designed by the trustee. The trustee has received the latest determination letter from the Internal Revenue Service dated June 30, 2020, which indicates that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits at November 30, 2023 and December 31, 2022, per the financial statements to Form 5500:
