Administrative Committee
The RMH Group, Inc. Employee Savings 401(k) Plan
Lakewood, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of The RMH Group, Inc. Employee Savings 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("Investment Information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("Qualified Institution"), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a Qualified Institution as of and for the years ended December 31, 2023 and 2022, stating that the certified Investment Information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified Investment Information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified Investment Information, except for obtaining and reading the certification, comparing the certified Investment Information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified Investment Information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Schedules Required by ERISA

The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information, other than that agreed to or derived from the certified Investment Information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For supplementary information that agreed to or is derived from the certified Investment Information, we compared such information to the related certified Investment Information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified Investment Information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the supplementary information agreed to or derived from the certified Investment Information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The supplementary information related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following description of The RMH Group, Inc. Employee Savings 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective August 1, 1983, is a defined contribution plan covering all eligible employees of The RMH Group, Inc. ("Company") who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The plan agreement was restated on January 1, 2022.

Eligibility

Eligible employees include all employees who have attained the age of 18 except for union, leased, and temporary employees and nonresident aliens. Eligible employees may participate on the first day of the month following their date of hire.

Automatic deferral provisions

The Company has implemented automatic enrollment for new hires. The default contribution is 4% of plan compensation and increases 1% per year up to a maximum of 10%. Employees may elect other deferral amounts or not to participate.

Contributions

Deferral contributions cannot exceed certain limits as set forth by the Internal Revenue Code ("IRC") (\$22,500 and \$20,500 in 2023 and 2022, respectively; \$30,000 and \$27,000 for employees age 50 or older in 2023 and 2022, respectively). The Internal Revenue Service ("IRS") adjusts this limitation each year for cost-of-living increases. Participants may change their contribution percentages throughout the year and may cease making contributions at any time. Rollover contributions are accepted, as permitted by the Plan. Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. During the year ended December 31, 2022, the plan document was amended to include overtime wages in plan compensation.

The Company may make matching contributions to the Plan in an amount determined at the discretion of the Company's board of directors. The employer match for the years ended December 31, 2023 and 2022 totaled \$179,225 and \$166,488, respectively.

See independent auditor's report.

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Participant accounts

Each participant's account is increased with the participant's contributions, the Company's matching contributions and plan earnings, and is decreased by the participant's distributions and an allocation of plan losses and expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based upon years of continuous service. Company contributions are 100% vested after three years of continuous service based on the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	30%
2	60%
3	100%

Notes receivable from participants

Participants may borrow from their accounts in amounts ranging from a minimum \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. The term of the loan is a maximum of five years, unless the loan is for the purchase of a primary residence. Participants may not have more than one loan outstanding at any time. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

On termination of service due to death, disability, retirement, resignation or termination by the employer, a participant with a vested account balance may elect to receive distributions in a single lump-sum, annual installments, or ad hoc distributions.

See independent auditor's report.

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Forfeitures

The Plan requires that forfeitures first be allocated to offset administrative costs, second to reduce employer contributions, and third to be allocated to plan participants. Forfeitures applied to administrative costs totaled \$714 for the year ended December 31, 2023. Forfeitures applied to employer contributions totaled \$1,668 for the year ended December 31, 2023. There were no forfeitures for the year ended December 31, 2022. There were no unallocated forfeitures as of December 31, 2023 and 2022.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Company's contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

See independent auditor's report.

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Plan administrative fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Tax status

The Plan, which is a prototype plan, obtained its latest prototype advisory letter on March 31, 2014, stating that the prototype plan is qualified under Section 401 of the IRC. The IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Plans using prototype documents are no longer required to file for individual determination letters.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan, and has concluded that, as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See independent auditor's report.

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Subsequent events

Management evaluated subsequent events through the date of the attached independent auditor's report, the date these financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Matrix Trust Company as of and for the years ended December 31,:

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Cash	\$ -	\$ 168,077
Mutual funds	6,619,427	6,720,713
Common/collective trusts	<u>9,910,561</u>	<u>8,361,367</u>
	<u>\$ 16,529,988</u>	<u>\$ 15,250,157</u>
Investment income	<u>\$ 2,785,806</u>	<u>\$ (3,062,965)</u>

The differences between these amounts and the amounts shown in the accompanying financial statements are primarily related to transactions pending at year end.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used between December 31, 2023 and 2022.

See independent auditor's report.

THE RMH GROUP, INC. EMPLOYEE SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The categorization is based on the lowest level of input that is significant to the fair value measurement. This hierarchy consists of three levels:

Level 1 - Quoted prices in active markets for identical assets or liabilities

Level 2 - Observable inputs other than prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies used for assets measured at fair value are as follows:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common/collective trusts ("CCT") - Valued at the NAV of underlying securities or holdings on a daily basis. CCTs that are not direct filing entities are structured to diversify funds across selected investments based on the CCT's stated risk tolerance level.

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31,:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,613,134	\$ -	\$ -	\$ 6,613,134
CCT	-	9,910,578	-	9,910,578
	<u>\$ 6,613,134</u>	<u>\$ 9,910,578</u>	<u>\$ -</u>	<u>\$ 16,523,712</u>

See independent auditor's report.

	<u>\$ 6,758,875</u>	<u>\$ 8,489,744</u>	<u>\$ -</u>	<u>\$ 15,248,619</u>

5. PARTIES IN INTEREST

The Company and several participants, as a result of being officers or directors of the Company, are deemed to be parties in interest. The third-party administrators, the trustee, and the plan auditors are also parties in interest.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities. Investments in general are exposed to risks, including interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
