INDEPENDENT AUDITORS' REPORT

To the AbsoluteCare, LLC 401(k)
Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the AbsoluteCare, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the AbsoluteCare, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the AbsoluteCare, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AbsoluteCare, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the AbsoluteCare, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ABSOLUTECARE, LLC 401(k) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the AbsoluteCare, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2016 to provide retirement benefits for employees of AbsoluteCare, Inc. (the Company). Effective August 5, 2021, the Company's name was formally amended to AbsoluteCare, LLC and effective January 1, 2022, the Plan name changed from the AbsoluteCare, Inc. 401(k) Plan to the AbsoluteCare, LLC 401(k) Plan. The Plan covers substantially all employees of the Company over the age of 21 who have completed three months of eligible service, except union employees and non-resident aliens. Participating employers in the Plan include: AbsoluteCare of Baltimore LLC, AbsoluteCare of MD2 LLC, AbsoluteCare of Philadelphia LLC and AbsoluteCare Manager LLC. Due to a change in ownership during 2021, AbsoluteCare of Philadelphia LLC is no longer a related employer under control group rules, therefore, the Plan became a multiple employer plan. Effective January 1, 2022, AbsoluteCare of Louisiana, LLC became a participating employer in the Plan. In March 2023, AbsoluteCare of Ohio, LLC became a participating employer in the Plan. Participants may enter the Plan on the first day of the next fiscal quarter of the Plan year following meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective July 1, 2024, the Plan was amended to exclude temporary employees from participating in the Plan and change the Company discretionary matching contribution from an annual match to a per payroll match.

Participant Contributions

Participants may contribute an amount up to 100% of their eligible compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$22,500 for the year ended December 31, 2023. The Company has an automatic enrollment feature whereby if an employee does not make a deferral election or does not elect a different deferral rate by their entry date, they are automatically enrolled into the Plan at a deferral rate of 5%. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2023. Participants may also make rollover and Roth elective contributions to the Plan. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan.

Notes to the Financial Statements

As of December 31, 2023 and 2022 and

For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions

Prior to July 1, 2024, the Company made a discretionary matching contribution equal to a discretionary percentage, to be determined by the Company, on behalf of each eligible participant who contributed to the Plan that attains age 21, completes 1,000 hours of service, completes six months of service, and is employed on the last day of the Plan year. Highly compensated employees are not eligible for matching contributions, as defined by the Plan. During the year ended December 31, 2023, the Company elected not to make a matching contribution.

The Company may also elect to make a discretionary profit sharing contribution to the Plan. Union employees and non-resident aliens are not eligible for the discretionary profit sharing contributions. Eligibility for profit sharing contributions also requires the attainment of age 21, completion of six months of service and employment on the last day of the Plan year. During the year ended December 31, 2023, the Company did not elect to make a discretionary profit sharing contribution to the Plan.

The Company discretionary matching contribution for the year ended December 31, 2022 was not made until April 2024. As of December 31, 2023, the 2022, Company discretionary matching contribution is recorded as a Company contribution receivable in the accompanying statements of net assets available for benefits.

Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions, withdrawals, and Company contributions. Any earnings, losses and administrative expenses are allocated to the participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ABSOLUTECARE, LLC

401(k) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions plus earnings thereon is based on years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	100%

Upon death, disability, or normal retirement age (age 65), a participant becomes 100% vested in all of their accounts.

Forfeitures

All forfeitures resulting from the withdrawal of participant accounts prior to vesting are retained in the Plan and may be used to reduce Company contributions or be used to pay administrative expenses of the Plan. There were no forfeitures used to reduce Company contributions or pay administrative expenses for the year ended December 31, 2023. Forfeitures available to the Plan totaled \$46,819 and \$25,938 as of December 31, 2023 and 2022, respectively.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant may not have more than three notes outstanding at any given time. The notes are collateralized by the participant's vested account balance. Note repayments are to be made through payroll deductions. The interest rate for the duration of the note shall be the prime rate plus 1%, which is set at the time of loan origination. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for a primary residence must be repaid within 30 years.

Notes to the Financial Statements

As of December 31, 2023 and 2022 and

For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Payment of Benefits

Upon termination of service, death, disability, retirement, or attainment of age 59 ½, a participant, or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions may be made either in a lump sum or, in the case of required minimum distributions, on an installment basis. Upon termination of service, participants with vested account balances of less \$5,000 will be distributed in a lump sum without participant consent. Distributions are subject to the applicable provisions of the Plan agreement. Hardship withdrawals are not allowed in the Plan. As of December 31, 2023 and 2022, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.

Plan Expenses

All administrative expenses are paid with the assets of the Plan, unless the Company elects to pay them. Expenses that are paid by the Company are excluded from the Plan's financial statements. The Plan has a revenue sharing arrangement with the Trustee that can be used to offset administrative expenses. The Plan had revenue sharing amounts available as of December 31, 2023 and 2022 totaling \$36,873 and \$24,160, respectively. The Plan used revenue sharing amounts totaling \$4,375 to pay administrative expenses during the year ended December 31, 2023. Loan and distribution fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

401(k) PLAN

Notes to the Financial Statements

As of December 31, 2023 and 2022 and

For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. Interest income is recorded on the accrual basis. Delinquent notes are treated as distributions based upon the terms of the Plan document.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

ABSOLUTECARE, LLC

401(k) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 8,201,879	\$ -	\$ -	\$ 8,201,879
Total investments, at fair value	\$ 8,201,879	\$ -	\$ -	\$ 8,201,879

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 6,667,471	\$ -	\$ -	\$ 6,667,471

Subsequent Events

The Plan evaluated for disclosure any subsequent events through August 19, 2024, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure, except as disclosed in Note 1.

3. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedules, including assets held as of December 31, 2023 and 2022, interest and dividend income and net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2023, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

4. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Transamerica Retirement Solutions, LLC (Transamerica). Transamerica is the third-party administrator of the Plan and is a related entity to the Trustee. The Plan allows participants to take out notes against their vested account balances. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract with Transamerica. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investment and charged for Plan withdrawals and administrative expenses.

ABSOLUTECARE, LLC

401(k) PLAN

Notes to the Financial Statements

As of December 31, 2023 and 2022 and

For the Year Ended December 31, 2023

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT – cont'd.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a periodic basis for resetting. The contract cannot be terminated by the issuer before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

The Plan administrator has determined that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

6. INCOME TAX STATUS

The Plan adopted a pre-approved plan with a deferral arrangement, which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Although the Plan has been amended since the issuance of the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Since the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued related to interest and penalties as of December 31, 2023 and 2022.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, Economic and Security (CARES) Act in order to help the U.S. economy and workers in the midst of the Coronavirus Pandemic. The CARES Act included numerous provisions related to retirement plans. The Plan adopted certain provisions of the CARES Act, including Coronavirus penalty-free distributions for qualified individuals through December 31, 2020, providing a temporary waiver of required minimum distributions required to be paid in 2020, and allowing the maximum loan amount to be taken by a qualified individual to be temporarily increased to the lesser of \$100,000 or 100% of the participant's vested balance from March 27, 2020 through September 22, 2020. Participants were able to elect to delay loan repayments for up to one year for any repayments due between March 27, 2020 and December 31, 2020. The Plan has until December 31, 2025 to be formally amended for the provisions under the CARES Act.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all contributions to the Plan would cease and all participants would become 100% vested in their accounts.

8. EXCESS CONTRIBUTIONS PAYABLE

During the year ended December 31, 2023, the Plan failed to comply with certain non-discrimination rules. As a result, the Plan was required to refund certain excess contributions to affected participants. As of December 31, 2023, net corrective distributions totaling \$5,755 were required to be made and are recorded as excess contributions payable in the accompanying statement of net assets available for benefits. The related excess contributions for the year ended December 31, 2023 were remitted to the affected participants in March 2024.

9. PROHIBITED TRANSACTION

During the year ended December 31, 2023, the Plan sponsor determined that participant deferrals totaling \$336,402 were remitted outside the required timeframe as stated by the Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Company made the necessary corrections, including lost earnings, in June 2024.
