REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our engagement letter dated March 18, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter. As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated March 18, 2024, regarding the planned scope and timing of our audit and identified significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant Accounting Policies We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

REQUIRED COMMUNICATIONS

Area	Comments
	Significant Unusual Transactions
	We did not identify any significant unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.
Audit Adjustments	There were no audit adjustments made to the original trial balance presented to us to begin our audit.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Form 5500 Filing	GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.
ERISA-Required Supplemental Schedules	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

REQUIRED COMMUNICATIONS

Area	Comments
Consultants With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed with or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Difficult or Contentious Matters That Required Consultation	We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.
Shared Responsibility: SEC Independence	The Security and Exchange Commission (SEC) regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with the SEC's independence rules. For YHB to fulfill its professional responsibility to maintain and monitor independence, management, the audit committee (or equivalent) and YHB each play an important role.

Our Responsibilities

- SEC rules require that all services not related to the financial statement audit for which independence is being maintained be pre-approved by the audit committee (or equivalent) of the financial statement audit client.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform YHB, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.

REQUIRED COMMUNICATIONS

Area	Comments
	• Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations. • Ensure the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, are not engaging in business relationships with YHB. • Inform YHB of any relationships involving officers, directors, or others in an accounting or financial reporting oversight role and YHB, YHB covered persons, and their close family members. • The audit committee (or equivalent) must pre-approve all audit and permitted non-audit services to be provided by the auditor. Not entering into relationships resulting in close family members of YHB covered persons, temporarily or permanently acting as an officer, director, or person in an accounting or financial reporting oversight role at the Plan.
Reportable Findings	In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings. A reportable finding is one or more of the following: • A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations. • A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process. • A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention. We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have identified the following reportable findings:

REQUIRED COMMUNICATIONS

Area	Comments
	- During our audit, we noted that changes to employee deferral elections for several participants were not performed timely in the payroll system. Per discussion with management, this delay was due to the Bank performing an integration process with their payroll provider during this time period, resulting in inadvertent delays in the processing of the noted changes. We recommend that management discuss with their TPA to determine if any corrections are needed to the impacted participants. - During our testing of contributions, we noted that eligible wages for one participant's employer match did not agree to the eligible wages used to calculate the employee contributions. The employee and employer contributions for this participant were capped at different wages on September 15, 2023. We recommend that management discuss with their TPA to determine if corrections are needed to the impacted participant.

This representation letter is provided in connection with your audit of the financial statements of Bank of James Financial Group, Inc 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) sponsored by The Bank of James Financial Group (the Plan Sponsor). The Plan's financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:
