INDEPENDENT AUDITOR'S REPORT

Plan Administrator
VEP Healthcare, Inc. 401(k) & Profit Sharing Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of VEP Healthcare, Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of VEP Healthcare, Inc. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Fidelity Management Trust Company, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of VEP Healthcare, Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Board of Directors of VEP Healthcare, Inc. approved a plan of liquidation on June 1, 2021, and the Company determined liquidation is imminent. As a result, the VEP Healthcare, Inc. 401(k) Profit Sharing Plan is on the liquidation basis of accounting used in presenting the 2023 and 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VEP Healthcare, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the VEP Healthcare, Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VEP Healthcare, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the VEP Healthcare, Inc. 401(k) & Profit Sharing Plan (the Plan), provides only general information. The Plan covers eligible employees of VEP Healthcare, Inc. (the Company). Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

GENERAL

The Plan is a defined contribution profit-sharing plan. Fidelity Workplace Services, LLC serves as Plan recordkeeper and Fidelity Management Trust Company serves as the trustee. The trustee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Full time employees of the Company are generally eligible to participate in the Plan as long as they are eighteen years of age or older during the Plan year. Part time employees who have worked at least 500 hours in a period of six (6) consecutive months are also eligible. Once an employee becomes eligible, the employee remains eligible until the employee is terminated or becomes a member of a class of employees excluded from the Plan. Employees who are covered by a collective bargaining agreement are not eligible to participate in the Plan, unless the agreement requires the employees to be included under the Plan. Independent contractors who are not shareholders of the Company and any employees of a Company shareholder who have not signed a participation agreement are not eligible to participate in the Plan.

In June 2021, the Plan was terminated as a result of a merger with US Acute Care Solutions. As a result, participants were 100% vested at the time of termination.

CONTRIBUTIONS

During 2023, there were no employee or employer contributions to the Plan as it was terminated.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company also contributes to the Plan a discretionary non-elective profit-sharing contribution in an amount determined by the Board of Directors each plan year based on a formula that incorporates Social Security wage limits. In general, these contributions will be allocated to eligible participants based on percentage of eligible compensation plus an amount equal to eligible compensation in excess of the Social Security Taxable Wage Base times the lesser of the percentage in safe harbor matching contributions or 5.7%. Participants must complete at least 501 hours of service during the plan year to be eligible to receive any discretionary non-elective Company contributions made for that plan year.

There was no non-discretionary matching contribution or discretionary profit-sharing contribution for the year ended December 31, 2023.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, their respective employer's matching and profit-sharing contributions and Plan earnings. Allocations of earnings are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in all contributions plus earnings thereon.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan, or act as their own asset manager and select the option of a self-directed investment account. Assets reported as self-directed investments are the aggregate of all self-directed funds.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, or retirement, participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. However, the Plan's Administrator, without the consent of the participant, may distribute a participant's vested aggregate account balance in a lump sum any time after a participant terminates employment if the participant's account balance does not exceed \$5,000. Participants may also be permitted to receive a distribution from their account prior to termination of employment if they experience financial hardship. Any hardship distribution would be limited to actual participant contributions not previously withdrawn.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Participants may borrow up to the lesser of 50% or \$50,000 from their account balances, subject to Plan provisions. The repayment term of the loans may vary from one to five years with the exception of a loan used to purchase a primary residence. The loans are secured by the participants' interests in the Plan's assets and bear interest at a rate that is comparable for similar types of loans by other lenders. Payments of interest and principal are made by withholding from each paycheck.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the liquidation basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*CONTINUED*)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in the administration of the Plan are paid directly by the Company.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for doubtful accounts was recorded as of December 31, 2022.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through August 19, 2024, the date these financial statements were available to be issued. There were no other events identified that required recognition or disclosure in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or are corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Money market fund – Valued based on quoted market prices on the last business day of the Plan year. The net asset value (NAV) is a quoted price on an active market.

Registered investment companies - Investments in registered investment companies are stated at the respective fund’s NAV, which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Self-directed investments (including US Treasury Notes) – US Treasury Notes are valued at a percentage of par on the secondary market on which the individual securities are traded. Self-directed investments (excluding US Treasury Notes) accounts primarily consist of actively-traded registered investment companies, corporate bonds, money market, and cash funds that are stated at the respective fund’s net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Common collective trust – The fair value of the underlying assets are used to determine the net asset value (NAV) of the funds. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Money market fund	\$ 342,873	\$ --	\$ 342,873
Registered investment companies	18,651,539	--	18,651,539
Self-directed investments	<u>6,681,577</u>	<u>--</u>	<u>6,681,577</u>
	<u>\$ 25,675,989</u>	<u>\$ --</u>	25,675,989

Common collective trust			<u>18,985</u>
Total Assets at Fair Value			<u>\$ 25,694,974</u>

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

^(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common collective trust	\$18,985	N/A	Daily	Daily

NOTE 5 - TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2022 are invested in funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - RECONCILIATION TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 25,818,981
Less: Deemed distributions	<u>(53,234)</u>
Net Assets Available for Benefits Per the Form 5500	<u>\$ 25,765,747</u>

The following is a reconciliation of net decrease per the financial statements to the Form 5500 for the year ended December 31:

	<u>2023</u>
Net decrease per the financial statements	\$ (25,818,981)
Deemed distributions	<u>(53,234)</u>
Total net decrease Per the Form 5500	<u>\$ (25,765,747)</u>
