INDEPENDENT AUDITORS' REPORT

**To The Plan Administrator and Participants of
The Epstein School Retirement Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Epstein School Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contribution for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters – Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Epstein School (the "School") Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan that operates under section 403(b) of the Internal Revenue Code ("IRC"). Employees over the age of 21 are eligible to make pre-tax contributions upon hire. Upon completion of one year of service, employees are eligible to receive employer contributions. Effective January 1, 2022, the Plan was amended to allow all full-time employees over the age of 21 to participate in the Plan immediately upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may contribute any amount of compensation up to the maximum annual contribution limit as set by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified plans. Effective August 1, 2022, the Plan was amended to include an auto-enrollment feature for newly hired employees. Employees who are eligible to participate in the Plan are automatically enrolled with a deferral election of 4%. Participants can change their election percentage at any time after enrollment.

Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Plan also allows for special catch-up contributions based on the terms described in the Plan document.

Effective January 1, 2022, the School changed its discretionary matching contribution calculation to match 62.50% of the participants deferral amount, but not to exceed 8% of the participant's compensation. These discretionary contributions totaled \$302,658 for the year ended December 31, 2023.

Contributions from Plan participants and the matching contributions from the School are recorded in the year in which the employee contributions are withheld from compensation.

(c) Participant Accounts

Each participant's account is credited with the participant contributions and allocations of (a) the School's contributions and (b) Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(d) Vesting

Effective January 1, 2022, the participant vesting schedule was amended. Matching contributions made to participant accounts hired following the effective date vest in accordance with the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
Less than 2 years	50%
2 or more years	100%

(e) Investment Options

The Plan provides participants with options to investment in Teachers Insurance Annuities Association and College Retirement Equities Fund ("TIAA-CREF") and Principal Life Insurance Company ("Principal") mutual funds, registered investment funds, pooled separate accounts and annuity and investment contracts.

(f) Participant Loans

Participants may borrow directly from TIAA a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of the vested accrued benefit of the annuitant or 45% of the combined accumulations attributable to their retirement plan under the originating CREF Certificate and the companion TIAA contract. Collateral for the loan must be transferred from the CREF and TIAA Real Estate Account accumulation to the TIAA Retirement Loan Contract.

The loans are not shown in the Plan's statements of net assets available for Plan benefits as the loans are not made from Plan assets and are therefore not considered assets of the Plan. Loan interest rates are variable at prevailing interest rates and can be increased or decreased once a year. Principal and interest is paid ratably by the participant directly to TIAA-CREF. A default charge will be assessed against the portion of the loan collateral used to foreclose on all or part of any loan. Effective during 2020, TIAA no longer offers new participant loans.

(g) Payment of Benefits

A participant's contributions and School's contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, death, or proof of hardship. A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in annual installments.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(h) Plan Expenses

Certain administrative expenses of the Plan, including compensation of Plan administration personnel with the School and audit and accounting fees, are paid by the School. Investment fees are paid by the Plan in the form of reductions of net appreciation in fair value of investments. Participant requested services are directly paid by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

(b) Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value, with the exception of the group annuity contract noted below. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

The Plan has a group annuity contract that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for Plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contract at contract value at December 31, 2023 and 2022.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits. Two investments represented approximately 26% and 29% of the Plan's total investments at December 31, 2023 and 2022, respectively.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF and Principal have provided certifications that the financial information included in the financial statements and supplemental schedules as of December 31, 2023 and 2022 and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022 and for the year ended December 31, 2023, is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Fixed Annuity Contract

The non-fully benefit responsive ("NFBR") fixed annuity contract, composed entirely of the TIAA Traditional Annuity Contract and is reported at contract value, which approximates fair value. Fair value is determined using a discounted cash flow model. The contract value equals the accumulated cash contributions and interest credited to the Plans contract, less withdrawals. This contract is not available for sale or transfer on any securities exchange. These fixed annuity contracts are subject to various restrictions. See Note 5.

Pooled Separate Account

Units held in the pooled separate account ("PSA") are valued at the net asset value ("NAV") based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The PSA holds between 15% and 25% of its net assets in investments other than real estate and real estate related investments, comprised of publicly traded, liquid investments. Determination of fair value of the real estate assets involves significant judgement. Valuation of the PSA's real estate properties are based on real estate appraisals, which are estimates of property values based on a professional's opinion and may not be an accurate predictor of the amount the PSA would actually receive if it sold a property. Appraisals can be subjective in certain respects and rely on a variety of assumptions (including comparable property sales and historic pricing) and conditions at that property or in the market in which the property is located, which may change materially after the appraisal is conducted. Among other things, market prices for comparable real estate may be volatile, in particular if there has been a lack of recent transaction activity in such market.

As the PSA generally obtains appraisals on a quarterly basis, there may be circumstances in the period between appraisals or interim valuation adjustments in which the true realizable value of a property is not reflected in the PSA's daily NAV calculation or in the PSA's periodic financial statements. This disparity may be more apparent which the commercial and/or residential real estate markets experience an overall and possibly dramatic decline (or increase) in property values in a relatively short period of time between appraisals.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Account (Continued)

TIAA-CREF limits the availability of participants to transfer funds into the TIAA Real Estate Account. Specifically, individual participants are limited from making internal transfers into their account if, after giving effect to such transfer, the total value of such participant's account (under all contracts issued to such participant) would exceed \$150,000.

Registered Investments

Mutual Funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing NAV as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Other Registered Investments: These separate accounts are registered investments that invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Units held in the registered investments are valued at the NAV. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect performance of the underlying investments minus fees and charges. There are no unfunded commitments as of December 31, 2023 and 2022.

Total Plan investment assets at fair value classified within level 3 were \$2,162,556 and \$2,297,287 as of December 31, 2023 and 2022, respectively, which consists of the Fixed Annuity Contract (NFBR). Such amounts were approximately 11% and 14% of total investments as of December 31, 2023 and 2022, respectively.

Quantitative Information Regarding Level 3 Fair Value Measurements

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at December 31, 2023:

Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Range
TIAA Traditional Annuity Contract (RA)	\$ 2,162,556	Discounted cash flows / theoretical transfer (exit value)	Risk-adjusted discount rate applied	6.00 - 6.75%

NOTE 5 - FIXED ANNUITY CONTRACTS WITH TIAA-CREF

Fixed annuity contracts consist of the fully benefit responsive and non-fully benefit responsive TIAA Traditional Annuity Contracts ("Annuity"). Annuity contracts are established between the participants and TIAA, an insurance company registered in the state of New York. The Annuity is offered in a variety of formats, including Retirement Annuities ("RA"), Supplemental Retirement Annuities ("SRA") and Group Supplemental Retirement Annuities ("GSRA"), Retirement Choice ("RC"), and Retirement Choice Plus ("RCP"). The Plan holds the RA contracts at December 31, 2023 and 2022. The fair value of the fully benefit responsive annuity contracts was \$542,453 and \$545,765 at December 31, 2023 and 2022, respectively. The fair value of the non-fully benefit responsive annuity contracts was \$2,162,556 and \$2,297,287 at December 31, 2023 and 2022, respectively. The return of Annuity contributions plus interest to participants is subject to TIAA's claims-paying ability.

Annuity accounts are credited with a guaranteed minimum rate of interest that is determined annually. Participants may also earn interest in addition to the guaranteed rate at the discretion of TIAA. Such discretionary interest, if any, is declared by TIAA on a year-by-year basis and remains in effect for the subsequent twelve-month "declaration year".

Contributions to the Annuity accounts are grouped by TIAA into "vintages" comprised of premiums received over defined time periods of one or more contiguous calendar months. The interest crediting rate for each vintage is determined, in part, by the net investment earnings rate of the TIAA assets supporting that vintage, minus a charge for administrative expenses and an amount set aside for contingency reserves. Crediting rates are also determined by the performance of investments contained in TIAA's general account.

During the year ended December 31, 2023, the crediting rates of the annuity contract, RA, ranged from 4.00%-6.75%.

NOTE 6 - GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL

The Plan has fully benefit-responsive guaranteed investment contracts with Principal. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contracts are presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The fair value of the investment contract at December 31, 2023 and 2022, was \$463,006 and \$634,515, respectively. During the year ended December 31, 2023, the crediting rate of the investment contracts ranged from 1.55% to 1.75%.

NOTE 7 - PLAN TERMINATION

Although it has not expressed an intention to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services.

Certain Plan investments were managed by TIAA-CREF and Principal are the certifying entities of the Plan and therefore these transactions qualified as party-in-interest.

NOTE 9 - TAX STATUS

The Plan was amended and restated effective January 1, 2022. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 10 - SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 11 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2023, employee withholdings of \$78,397 were not remitted within the appropriate time period by the School. The School remitted all the delinquent contributions to the Plan during 2023 and lost earnings in 2024. These transactions constituted prohibited transactions as defined by ERISA.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 31, 2024, the date the financial statements were available to be issued.

Effective August 1, 2024, the plan will have an automatic increase of 1% every August up to 8%. This will be effective for all participants, regardless of their auto-enroll status, unless they opt-out.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: Smith & Howard, PC

(2) EIN: 58-1250486

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	78,397
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	☐	☒	
e Was this plan covered by a fidelity bond?	☒	☐	500,000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	☐	☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	☐	☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	☐	☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒	☐	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☐	☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	☐	☒	
l Has the plan failed to provide any benefit when due under the plan?	☐	☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	☐	☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	☐	☐	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

**To The Plan Administrator and Participants of
The Epstein School Retirement Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Epstein School Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contribution for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters – Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Epstein School (the "School") Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan that operates under section 403(b) of the Internal Revenue Code ("IRC"). Employees over the age of 21 are eligible to make pre-tax contributions upon hire. Upon completion of one year of service, employees are eligible to receive employer contributions. Effective January 1, 2022, the Plan was amended to allow all full-time employees over the age of 21 to participate in the Plan immediately upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may contribute any amount of compensation up to the maximum annual contribution limit as set by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified plans. Effective August 1, 2022, the Plan was amended to include an auto-enrollment feature for newly hired employees. Employees who are eligible to participate in the Plan are automatically enrolled with a deferral election of 4%. Participants can change their election percentage at any time after enrollment.

Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Plan also allows for special catch-up contributions based on the terms described in the Plan document.

Effective January 1, 2022, the School changed its discretionary matching contribution calculation to match 62.50% of the participants deferral amount, but not to exceed 8% of the participant's compensation. These discretionary contributions totaled \$302,658 for the year ended December 31, 2023.

Contributions from Plan participants and the matching contributions from the School are recorded in the year in which the employee contributions are withheld from compensation.

(c) Participant Accounts

Each participant's account is credited with the participant contributions and allocations of (a) the School's contributions and (b) Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(d) Vesting

Effective January 1, 2022, the participant vesting schedule was amended. Matching contributions made to participant accounts hired following the effective date vest in accordance with the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
Less than 2 years	50%
2 or more years	100%

(e) Investment Options

The Plan provides participants with options to investment in Teachers Insurance Annuities Association and College Retirement Equities Fund ("TIAA-CREF") and Principal Life Insurance Company ("Principal") mutual funds, registered investment funds, pooled separate accounts and annuity and investment contracts.

(f) Participant Loans

Participants may borrow directly from TIAA a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of the vested accrued benefit of the annuitant or 45% of the combined accumulations attributable to their retirement plan under the originating CREF Certificate and the companion TIAA contract. Collateral for the loan must be transferred from the CREF and TIAA Real Estate Account accumulation to the TIAA Retirement Loan Contract.

The loans are not shown in the Plan's statements of net assets available for Plan benefits as the loans are not made from Plan assets and are therefore not considered assets of the Plan. Loan interest rates are variable at prevailing interest rates and can be increased or decreased once a year. Principal and interest is paid ratably by the participant directly to TIAA-CREF. A default charge will be assessed against the portion of the loan collateral used to foreclose on all or part of any loan. Effective during 2020, TIAA no longer offers new participant loans.

(g) Payment of Benefits

A participant's contributions and School's contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, death, or proof of hardship. A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in annual installments.

THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(h) Plan Expenses

Certain administrative expenses of the Plan, including compensation of Plan administration personnel with the School and audit and accounting fees, are paid by the School. Investment fees are paid by the Plan in the form of reductions of net appreciation in fair value of investments. Participant requested services are directly paid by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

(b) Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value, with the exception of the group annuity contract noted below. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

The Plan has a group annuity contract that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for Plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contract at contract value at December 31, 2023 and 2022.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits. Two investments represented approximately 26% and 29% of the Plan's total investments at December 31, 2023 and 2022, respectively.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF and Principal have provided certifications that the financial information included in the financial statements and supplemental schedules as of December 31, 2023 and 2022 and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022 and for the year ended December 31, 2023, is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

THE EPSTEIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Fixed Annuity Contract

The non-fully benefit responsive ("NFBR") fixed annuity contract, composed entirely of the TIAA Traditional Annuity Contract and is reported at contract value, which approximates fair value. Fair value is determined using a discounted cash flow model. The contract value equals the accumulated cash contributions and interest credited to the Plans contract, less withdrawals. This contract is not available for sale or transfer on any securities exchange. These fixed annuity contracts are subject to various restrictions. See Note 5.

Pooled Separate Account

Units held in the pooled separate account ("PSA") are valued at the net asset value ("NAV") based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The PSA holds between 15% and 25% of its net assets in investments other than real estate and real estate related investments, comprised of publicly traded, liquid investments. Determination of fair value of the real estate assets involves significant judgement. Valuation of the PSA's real estate properties are based on real estate appraisals, which are estimates of property values based on a professional's opinion and may not be an accurate predictor of the amount the PSA would actually receive if it sold a property. Appraisals can be subjective in certain respects and rely on a variety of assumptions (including comparable property sales and historic pricing) and conditions at that property or in the market in which the property is located, which may change materially after the appraisal is conducted. Among other things, market prices for comparable real estate may be volatile, in particular if there has been a lack of recent transaction activity in such market.

As the PSA generally obtains appraisals on a quarterly basis, there may be circumstances in the period between appraisals or interim valuation adjustments in which the true realizable value of a property is not reflected in the PSA's daily NAV calculation or in the PSA's periodic financial statements. This disparity may be more apparent which the commercial and/or residential real estate markets experience an overall and possibly dramatic decline (or increase) in property values in a relatively short period of time between appraisals.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Account (Continued)

TIAA-CREF limits the availability of participants to transfer funds into the TIAA Real Estate Account. Specifically, individual participants are limited from making internal transfers into their account if, after giving effect to such transfer, the total value of such participant's account (under all contracts issued to such participant) would exceed \$150,000.

Registered Investments

Mutual Funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing NAV as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Other Registered Investments: These separate accounts are registered investments that invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Units held in the registered investments are valued at the NAV. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect performance of the underlying investments minus fees and charges. There are no unfunded commitments as of December 31, 2023 and 2022.

Total Plan investment assets at fair value classified within level 3 were \$2,162,556 and \$2,297,287 as of December 31, 2023 and 2022, respectively, which consists of the Fixed Annuity Contract (NFBR). Such amounts were approximately 11% and 14% of total investments as of December 31, 2023 and 2022, respectively.

Quantitative Information Regarding Level 3 Fair Value Measurements

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at December 31, 2023:

Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Range
TIAA Traditional Annuity Contract (RA)	\$ 2,162,556	Discounted cash flows / theoretical transfer (exit value)	Risk-adjusted discount rate applied	6.00 - 6.75%

NOTE 5 - FIXED ANNUITY CONTRACTS WITH TIAA-CREF

Fixed annuity contracts consist of the fully benefit responsive and non-fully benefit responsive TIAA Traditional Annuity Contracts ("Annuity"). Annuity contracts are established between the participants and TIAA, an insurance company registered in the state of New York. The Annuity is offered in a variety of formats, including Retirement Annuities ("RA"), Supplemental Retirement Annuities ("SRA") and Group Supplemental Retirement Annuities ("GSRA"), Retirement Choice ("RC"), and Retirement Choice Plus ("RCP"). The Plan holds the RA contracts at December 31, 2023 and 2022. The fair value of the fully benefit responsive annuity contracts was \$542,453 and \$545,765 at December 31, 2023 and 2022, respectively. The fair value of the non-fully benefit responsive annuity contracts was \$2,162,556 and \$2,297,287 at December 31, 2023 and 2022, respectively. The return of Annuity contributions plus interest to participants is subject to TIAA's claims-paying ability.

Annuity accounts are credited with a guaranteed minimum rate of interest that is determined annually. Participants may also earn interest in addition to the guaranteed rate at the discretion of TIAA. Such discretionary interest, if any, is declared by TIAA on a year-by-year basis and remains in effect for the subsequent twelve-month "declaration year".

Contributions to the Annuity accounts are grouped by TIAA into "vintages" comprised of premiums received over defined time periods of one or more contiguous calendar months. The interest crediting rate for each vintage is determined, in part, by the net investment earnings rate of the TIAA assets supporting that vintage, minus a charge for administrative expenses and an amount set aside for contingency reserves. Crediting rates are also determined by the performance of investments contained in TIAA's general account.

During the year ended December 31, 2023, the crediting rates of the annuity contract, RA, ranged from 4.00%-6.75%.

NOTE 6 - GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL

The Plan has fully benefit-responsive guaranteed investment contracts with Principal. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contracts are presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The fair value of the investment contract at December 31, 2023 and 2022, was \$463,006 and \$634,515, respectively. During the year ended December 31, 2023, the crediting rate of the investment contracts ranged from 1.55% to 1.75%.

NOTE 7 - PLAN TERMINATION

Although it has not expressed an intention to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services.

Certain Plan investments were managed by TIAA-CREF and Principal are the certifying entities of the Plan and therefore these transactions qualified as party-in-interest.

NOTE 9 - TAX STATUS

The Plan was amended and restated effective January 1, 2022. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 10 - SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 11 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2023, employee withholdings of \$78,397 were not remitted within the appropriate time period by the School. The School remitted all the delinquent contributions to the Plan during 2023 and lost earnings in 2024. These transactions constituted prohibited transactions as defined by ERISA.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 31, 2024, the date the financial statements were available to be issued.

Effective August 1, 2024, the plan will have an automatic increase of 1% every August up to 8%. This will be effective for all participants, regardless of their auto-enroll status, unless they opt-out.
