Independent Auditor's Report

To the Plan Administrator and Management of
Hamilton Continuing Care Center Retirement Plan
Hamilton, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hamilton Continuing Care Center Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 6, 2023 (liquidation basis) and December 31, 2022 (going-concern basis), and the related statements of changes in net assets available for benefits for the period January 1, 2023 to December 6, 2023 (liquidation basis) and year ended December 31, 2022 (going-concern basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the management of SeniorCare of Hamilton LLC, d/b/a Hamilton Continuing Care Center (the "Plan sponsor") approved a plan of liquidation effective on August 1, 2023, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions, as of and for the period January 1, 2023 to December 6, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

(1) DESCRIPTION OF THE PLAN

The following description of the Hamilton Continuing Care Center Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is an 403(b) tax-sheltered annuity defined contribution plan established pursuant to Section 403(b) of the Internal Revenue Code ("IRC") and covers substantially all full-time employees of SeniorCare of Hamilton LLC, d/b/a Hamilton Continuing Care Center (the "Company" or "Employer"), who have attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Any eligible employee is considered a participant in the Plan.

Plan Termination

In 2023, the Company completed the sale of its operating business units to Avalon Rehabilitation & Healthcare Center, and approved the termination of the Plan effective August 1, 2023. As a result, there were 44 unvested or partially vested participants who were required to be fully vested in the Plan. The full vesting of the participants resulted in additional accrued employer contributions to their Plan accounts of \$42,758 (see Basis of Accounting note below), and benefits payments due to participants were settled as of December 6, 2023.

Contributions

Upon attainment of eligibility requirements, participants may contribute up to 92% of their eligible compensation, as defined by the Plan, not to exceed the maximum amount allowable under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as corrective distributions payable.

The Company makes matching contributions equal to 50% of participant salary deferrals on a pay period basis, up to a maximum of 6% of the participant's eligible compensation. For the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, the Company made matching contributions of \$29,340 and \$42,672 respectively.

The Company makes non-elective contributions to the Plan in conjunction with a collective bargaining agreement with 1199 SEIU United Healthcare Workers East, NJ Region (the "Union"). The Company contributed \$0.325 per straight time hour actually worked by union employees until August 2019 and \$0.40 per straight time hour actually worked by union employees from August 2019 to December 31, 2021 and in effect until August 1, 2023. Employees covered under the collective bargaining agreement are not eligible to receive the discretionary matching and non-elective contributions. For the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, the Company made contributions totaling \$72,993 and \$25,798 respectively, based on the collective bargaining agreement.

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

Participant Accounts

Each participant's account is credited with the participant's contributions and employer's contributions, as well as an allocation of each selected investment's earnings or losses, and charged for withdrawals and administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options offered by the Plan. Participants may change their investment options at any time.

Vesting and Forfeitures

Participants are 100% vested at all times in their elective deferral amounts, rollover contributions and any earnings thereon regardless of the number of years of service. Contributions made under the collective bargaining agreement are also 100% vested at all times. If an employee ceases participation except by retirement, death or permanent disability, the vested interest in employer contributions and earnings thereon is dependent upon the years of credited service.

Each participant is vested in the employer's match according to the following schedule:

<u>Vesting Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2 years	30%
3 years	60%
4 years or more	100%

Forfeited nonvested accounts can be used for the payment of administrative expenses or to reduce future employer contributions, at the discretion of the Plan administrator. For the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, forfeitures were used to reduce administrative expenses by \$6,290 and \$6,153 respectively. As of December 31, 2022, forfeited non-vested accounts totaled \$5,901. Upon termination of the plan, each participant became 100% vested in his or her account, and benefit payments were settled net of deemed loan balances (if any).

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator at the loans' inception. Principal and interest are paid ratably through payroll deductions. If a participant's loan is in default, the participant shall be treated as having received a taxable deemed distribution for the amount in default.

Payment of Benefits

Upon retirement, death, disability, or termination of employment, the vested portion of a participant's account, less any loans outstanding, may be distributed in lump sum or annual installments in accordance with the Plan document. In addition, hardship distributions are permitted if certain criteria are met. The Plan provides that participants may receive in-service distributions of any or all of their accounts as of the date they attain age 59-1/2. Because of Plan termination, all benefits payments to participants were settled as of December 6, 2023.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"). As a result of the Plan's termination, the Plan changed its basis of accounting from the going-concern basis to the liquidation basis for the period January 1, 2023 to December 6, 2023. The liquidation basis of accounting presents assets at amounts expected to be realized in liquidation and liabilities at amounts expected to be paid. For the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, there was no material difference between amounts presented on the liquidation basis and those that would have been presented on the going-concern basis.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, with the exception of the Plan's fully benefit-responsive investment contract that is reported at contract value. Fair value is the price that would be received in the sale of an asset or paid in the transfer of a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract and is the relevant measure for the portion of assets attributable to fully benefit-responsive investment contracts. The Company determines the Plan's valuation policies by utilizing information provided by the investment advisors and trustees. See Note 4 for description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the gains and losses on investments bought and sold as well as held during the year.

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded in accordance with the Plan document. No allowance for credit losses has been recorded as of December 6, 2023 or December 31, 2022.

Payment of Benefits

Benefits are recorded as a deduction from Plan assets when paid. Corrective distributions are made for excess deferrals and contributions.

Administrative Expenses

Subject to such limitations as may be imposed by ERISA or other applicable laws, certain costs and expenses incurred in connection with the general administration of the Plan are paid by the Plan, unless otherwise paid by the Company, as provided by the Plan Document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and investment related expenses are included in net appreciation/depreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results may differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through June 25, 2024, the date the financial statements were available to be issued.

(3) INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Empower Annuity Insurance Company of America and Empower Trust, LLC were the custodians of the Plan as of and for the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022. The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower Annuity Insurance Company of America and Empower Trust, LLC, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 6, 2023 and December 31, 2022, and the related investment activity reported in the Statements of Changes in Net Assets Available for Benefits for the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022.

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

(4) FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs are unadjusted quoted prices for identical assets or liabilities in active markets as of the reporting date that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted market prices for similar assets or liabilities in active markets• quoted prices for identical or similar assets or liabilities in inactive markets• inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly• inputs that are derived principally from or corroborated by observable market data by correlation or other means |
| Level 3 | Inputs are unobservable that are not corroborated by market data and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

A summary of fair value measurements, by level, for investments measured at fair value on a recurring basis is as follows:

	<u>Fair Value Measurements at December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 3,315,689</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 3,315,689
Total investments at fair value				<u>\$ 3,315,689</u>

(5) INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a Group Fixed Deferred Annuity Contract with Empower Annuity Insurance Company of America (“Empower”), represented as the Plan's guaranteed interest fund. The investment is reported at contract value on the Statements of Net Assets Available for Benefits. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents participant contributions, plus earnings at guaranteed crediting rates, less participant withdrawals.

Empower is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average interest rate credited to participants was 1.55% and 1.05% for the period January 1, 2023 to December 6, 2023 and year ended December 31, 2022, respectively. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account at contract value within reasonable time frames. There is no event that is probable that limits the ability of the Plan to transact at less than contract value with Empower as of December 31, 2022. There are also no events or circumstances that are probable that would allow Empower to terminate the group fixed annuity contract with the Plan and settle at an amount different from contract value.

The contract value of the Plan's fully benefit-responsive investment contract was \$948,951 at December 31, 2022.

(6) PARTIES-IN-INTEREST TRANSACTIONS

Empower Annuity Insurance Company of America and Empower Trust, LLC (the “Custodians”) branded collectively as Empower Retirement, serve as the custodians of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Empower Retirement is also the recordkeeper for the Plan and therefore, those services qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

HAMILTON CONTINUING CARE CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2023 TO DECEMBER 6, 2023 AND YEAR ENDED DECEMBER 31, 2022

(7) PLAN TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2017, that the Plan is designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related custodial account is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

FASB ASC Topic 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. No liability for uncertain positions taken or expected to be taken has been recognized in the Plan's financial statements.

(8) RISKS AND UNCERTAINTIES

The Plan provides for various instrument options in investment securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

(9) PROHIBITED TRANSACTIONS

During 2023 and 2022, the Company failed to remit to the Plan's custodian certain participant contributions and loan repayments within the period prescribed by the Department of Labor regulations. The Company calculated the lost earnings on the late remittances and made a corrective contributions before plan closure date of December 6, 2023.
