Report of Independent Auditor

To the Plan Administrator
Lwin Family Co. Retirement Plan
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lwin Family Co. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LWIN FAMILY CO. RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following description of Lwin Family Co. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering essentially all employees of Lwin Family Co. dba Hissho Sushi, Hissho International, and Hissho Operations (collectively, the “Company” or “Plan Sponsor”). These entities are related by common ownership and are collectively considered a single control group under the Internal Revenue Code (“IRC”) and, therefore, the Plan is a single employer plan. The Plan was established on January 1, 2006 and was most recently amended and restated effective December 9, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Company has outsourced the recordkeeping function of the Plan to Empower Trust Company, LLC (“Empower”) as of December 31, 2023 and 2022, respectively.

Eligibility – All employees excluding residents of Puerto Rico and collective bargaining (union) employees of the Company are eligible for participation upon completion of six months of employment and the attainment of 21 years of age. Employees meeting these criteria are eligible for participation as of the next election date. Election dates are on the first day of each quarter coinciding with or next following the date in which the Plan’s eligibility requirements are satisfied.

Contributions – The Plan allows for employee contributions under Section 401(k) of IRC up to IRC limits, which is \$22,500 for 2023. Participants may also elect to defer Roth contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Plan Sponsor contributes safe harbor matching contributions on behalf of each participant equal to 100% of the first 4% of each participant’s elective compensation deferrals. In addition to the safe harbor matching contribution, the Plan Sponsor can make discretionary additional matching contributions to the Plan as determined annually by the Plan Sponsor. To be eligible for discretionary additional matching contributions, the employee must have worked 1,000 hours during the year and be employed as of December 31, 2023. No discretionary additional matching contributions were made for the year ended December 31, 2023.

Catch-Up Contributions – For the year ended December 31, 2023, if a participant is eligible to make deferrals and turns age 50 before the end of the calendar year, the participant may defer an additional \$7,500 into the Plan as a pre-tax contribution subject to certain IRC limitations. Catch-up contributions are eligible for matching contributions made by the Plan Sponsor.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, the Plan Sponsor’s contribution, and an allocation of Plan earnings, and charged with benefits paid to participants and an allocation of Plan losses and administrative expenses. Allocations are based on participant’s earnings or accounting balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

LWIN FAMILY CO. RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan (continued)

Vesting – Participants are vested immediately in their contributions and rollovers plus actual earnings thereon. The Plan is a safe harbor plan and therefore participants are immediately vested in the Company's safe harbor matching contribution portion of their accounts. Any further contribution such as discretionary additional matching contributions will be subject to the following vesting schedule:

<u>Years of Service Completed</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Investment Options – Upon enrollment in the Plan, a participant may direct their contributions and the Plan Sponsor matching contributions in any of the investment options offered by the Plan. These investment options are disclosed on the enrollment documents completed by each participant. Participants may change their investment options at any time.

Notes Receivable from Participants – Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to ten years. Participants may not have more than one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at a rate based on the rates available for similar loans from commercial lending institutions. Principal and interest is paid each payroll period through deductions from participants' paychecks. The effective interest rate for participant loans ranged from 4.25% to 9.50% as of December 31, 2023.

Benefits Paid to Participants – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. For termination of service for other reasons, distribution of the value of the participant's vested interest in his or her account will begin as soon as possible after the participant's request. Withdrawals prior to attaining age 59½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the Plan Sponsor, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

Forfeitures – Forfeited accounts can be used to offset future Plan Sponsor contributions or to pay certain administrative expenses as defined by the Plan. As of December 31, 2023 and 2022, forfeited accounts totaled \$8,163 and \$3,369, respectively. During the year ended December 31, 2023, no forfeitures were used.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of the net assets available for benefits and changes therein. Actual results could differ from those estimates.

LWIN FAMILY CO. RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Risks and Uncertainties – Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses – Except as discussed in Note 7, administrative expenses of the Plan are paid for by the Plan Sponsor.

Investment Valuation and Income Recognition – Investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants in the subsequent year.

Note 3—Information certified by the qualified institution (unaudited)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the qualified institution of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements:

- Investments, at fair value, and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

LWIN FAMILY CO. RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. U.S. GAAP defines three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Collective Investment Trusts – These investments are public investment vehicles valued using NAV provided by the administrator of the fund as a practical expedient. NAV is based on the value underlying the assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4—Fair value measurements (continued)

The following tables, set forth by level within the fair value hierarchy, summarize the Plan's assets at fair value as of December 31:

2023					
	Level 1	Level 2	Level 3	Other	Total Fair Value
Mutual funds	\$ 6,984,424	\$ -	\$ -	\$ -	\$ 6,984,424
Collective investment trusts (*)	-	-	-	89,462	89,462

2022					
	Level 1	Level 2	Level 3	Other	Total Fair Value
Mutual funds	\$ 5,217,332	\$ -	\$ -	\$ -	\$ 5,217,332
	<u>\$ 5,217,332</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,217,332</u>

(*) In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

LWIN FAMILY CO. RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements (continued)

The Plan invests in collective investment trusts (“funds”) as an investment offering. The Fisher Investments All World Equity fund may invest in common stocks and other equity-type securities. SEI Trust Company has retained Fisher Asset Management, LLC (the “Adviser”) to act as investment adviser to the funds. The investment objective of the Fisher Investments All World Equity Fund (“All World Equity Fund”) is to meet or exceed the return of the MSCI ACWI Index with a level of risk similar to the risk associated with this benchmark. The Adviser seeks to achieve this investment objective by investing in a portfolio of global securities. The All World Equity Fund may invest in common stocks and other equity-type securities. The investment objective of the Fisher Investments U.S. Fixed Income Collective Fund (“US Fixed Income Fund”) to meet or exceed the return of the Bank of America Merrill Lynch (BAML) U.S. Broad Market Bond Index with a level of risk similar to the risk associated with this benchmark. The Adviser seeks to achieve this investment objective by investing in a diversified portfolio of fixed income and fixed income-related securities. There is no guarantee that the funds will achieve these investment objectives. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investments at NAV. NAV represents contributions made to the funds, plus earnings, less participant withdrawals. The risk of these funds and their net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contracts. There were no reserves established against net asset value for credit risk as of December 31, 2023.

Note 5—Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event such discontinuance results in termination of the Plan, the Plan provides the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination.

Note 6—Income tax status

The Company has adopted a non-standardized form for a prototype plan sponsored by Empower. The IRS informed the prototype plan by a letter dated June 30, 2020, that the prototype plan and related trust constitutes a qualified plan and trust under the applicable sections of the IRC. The prototype plan has been amended since receiving the determination letter. However, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 7—Party-in-interest transactions

Plan assets are held by Empower as of December 31, 2023, and all investments are invested in independent funds. Total Plan administration fees paid by the Plan to Empower for investment management services for the year ended December 31, 2023 amounted to \$15,442 and qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Note 8—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events through September 10, 2024, which is the date these financial statements were available to be issued and has determined that there are no subsequent events that require disclosure.
