Independent Auditors' Report

The Board of Directors of Norwegian Christian Home and Health Center Pension Plan

Opinion

We have audited the accompanying financial statements of Norwegian Christian Home and Health Center Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 (liquidation basis) and 2022 (accrual basis), and the related statement of changes in net assets available for benefits for the years ended December 31, 2023 (liquidation basis), and the statements of accumulated plan benefits as of December 31, 2023 (liquidation basis) and 2022 (accrual basis), and the related statement of changes in accumulated plan benefits for the year ended December 31, 2023 (liquidation basis), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of the Plan as of December 31, 2023 (liquidation basis) and 2022 (accrual basis), and the changes in its net assets available for benefits and the changes in accumulated plan benefits for the year ended December 31, 2023 (liquidation basis), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, on May 15, 2023 the Board of Directors of Norwegian Christian Home and Health Center approved termination of the Plan. As a result, the Plan has changed its basis of accounting from the accrual basis used in presenting the December 31, 2022 financial statements to the liquidation basis used in presenting the December 31, 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

**The Board of Directors of
Norwegian Christian Home and
Health Center Pension Plan**
Page 3

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of: (1) Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) (liquidation basis) as of December 31, 2023 and (2) Schedule H, Part IV, Line 4(j) – Schedule of Reportable Transactions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

Norwegian Christian Home and Health Center Pension Plan (the "Plan") is a noncontributory defined benefit plan which provides retirement, disability and death benefits to all eligible employees of Norwegian Christian Home and Health Center (the "Health Center"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan covers substantially all employees of the Health Center who have completed one year of service and one thousand hours or more of service during the year. Benefits under the Plan vest after five years of service.

The Health Center contributes actuarially determined amounts necessary to provide assets sufficient to meet the benefits to be paid to Plan members. The Health Center's contributions are in amounts sufficient to annually fund the Plan's actuarially determined current service cost. Prior service costs are fully funded. The Plan has met the ERISA minimum funding requirements for the years ended December 31, 2023 and 2022.

Information about the plan agreement, the vesting and benefit provisions, and the PBGC's benefit guarantee is available at the Health Center.

Effective January 5, 2013, the Plan was amended such that Plan benefits were frozen and further accruals of benefits have ceased as of that date. All participants in the Plan are fully vested.

On May 15, 2023, the board approved termination of the Plan. The Plan will continue until all assets have been distributed in the form of either lump sum or non-transferable annuity. The Health Center will contribute any additional funds necessary so that the Plan assets are sufficient to meet all Plan liabilities in a standard termination. As of January 1, 2024, all liabilities of the Plan were assigned, which effectively terminated the Plan as of that date.

A notice of pension benefits, annuity purchase and plan termination was sent to all participants of the Plan. The Plan filed Form 500 with the Pension Benefit Guaranty Corporation ("PBGC") and received an acceptance letter from the PBGC on July 25, 2023. Final monthly annuity payments from the Plan were paid for December 2023. The annuity provider Credit Union National Association ("CUNA") began making annuity payments on behalf of the Plan after January 1, 2024. The Employer paid \$4,318,427 to CUNA to take over the liabilities of the Plan. All participant related liabilities have been assigned to CUNA as of January 1, 2024, which effectivity marks the termination date of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

As a result of the termination of the Plan (see Note 1), the Plan changed its basis of accounting from accounting principles generally accepted in the United States of America ("U.S. GAAP") to the liquidation basis. There were no material changes to the financial statements as a result of this change in accounting.

2. Summary of Significant Accounting Policies (*continued*)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Investments are reported at fair value. Common and preferred stocks were valued at the closing price reported on the New York Stock Exchange. Mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds and registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value ("NAV") and to transact at that price. Corporate bonds were valued at the closing price reported in the active market in which the bond is traded. Other corporate bonds were valued based on yields currently available on comparable securities of issuers with similar credit ratings. Structured investments were unsecured notes of the issuer which were valued based on the specific underlying index (observable market data) for that particular structured note and the remaining time to maturity. Prices were updated by the issuer daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 12, 2024.

3. Actuarial Valuation

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions to services rendered by plan participants. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, and (b) present participants or their beneficiaries. Benefits under the Plan accumulate to the date a participant leaves the employment of the Health Center, dies, elects early retirement, or reaches normal retirement age. Benefits payable are included in the valuation to the extent they are deemed attributable to services rendered through the frozen date of January 5, 2013.

The Plan's consulting actuary estimates the actuarial present value of accumulated plan benefits, which is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits earned by the participants to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant assumptions underlying the actuarial calculations at December 31, 2023 and 2022 were as follows:

Investment Return	7.50%
Mortality Table	RP2014 with improvement scale 2021, Generational
Retirement Age	Age 65

The actuarial assumptions used as of December 31, 2023 and 2022 are the same as those used in the previous valuation, except as follows: (1) the discount rate was changed to 4.95% from 2.63%.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated Plan benefits.

4. Investments

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023		
	Level 1	Level 2	Total
Interest bearing cash	\$ 2,904	\$ -	\$ 2,904
	<u>\$ 2,904</u>	<u>\$ -</u>	<u>\$ 2,904</u>
	2022		
	Level 1	Level 2	Total
Common and Preferred stocks	\$ 1,848,337	\$ -	\$ 1,848,337
Mutual funds	2,159,666	-	2,159,666
Structured investments	-	907,221	907,221
Corporate bonds	-	177,228	177,228
	<u>\$ 4,008,003</u>	<u>\$ 1,084,449</u>	<u>\$ 5,092,452</u>

5. Parties-in-Interest Transactions

Morgan Stanley is the custodian as defined by the Plan. Fees paid by the Plan for investment management services amounted to \$36,702 for the year ended December 31, 2023.

6. Tax Status

The Internal Revenue Service has determined and informed the Health Center by a letter dated March 13, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan is subject to routine audits by the applicable taxing jurisdictions; however, there are currently no examinations for any tax period in progress.

Statement by Enrolled Actuary
To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
