TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Trust Company, LLC, a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST (the "Plan") (the "Company") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan, formed on January 1, 1994, is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 ("ERISA").

Contributions – Each year, participants may contribute a portion of their pretax compensation as defined in the Plan. The Plan also allows participants to designate a portion or all of the deferral contribution at the time the deferral election is made as a Roth deferral contribution. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an automatic enrollment provision, whereby when participants become eligible, 4% of their compensation will be deferred unless otherwise elected by the participant. The Company contributes a safe harbor employer match. This match is made on behalf of each participant in an amount equal to 100% of the first 4% of the participant's compensation contributed to the Plan. The Company also has the option to make a discretionary employer contribution determined by the Company each year. No discretionary employer contribution was made for the plan year ending December 31, 2023.

Eligibility – Eligible employees are able to make salary deferrals into the Plan. In order to be eligible to receive matching employer contributions, a participant must satisfy certain age and service requirements. These requirements include that the employee is at least 21 years old and has completed 360 hours of service in three months or one year of service.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided in the Plan agreement from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon as well as immediately vested in the Company's safe harbor matching contributions. Participants vest in the Company discretionary contributions in their account plus actual earnings thereon based on years of continuous service. Participants are 20% vested in discretionary contributions after two years of service, with the vesting increasing an additional 20% each year thereafter, until 100% vesting is achieved after the sixth year of service.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions in various Empower Trust Company, LLC, investment options. Participants may change their investment options as they deem necessary.

**TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant, or their beneficiary, will receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Risks and Uncertainties – The Plan's invested assets ultimately consist of investment securities. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested. Unused forfeitures available at December 31, 2023 and 2022 totaled \$4,294 and \$4,035, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Plan Fees – The Company paid substantially all of the Plan fees in the current year. These expenses are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid. As of December 31, 2023, no benefits were due to participants who have withdrawn from participant from the Plan and requested a benefit distribution.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower Trust Company, LLC ("Empower"), the trustee, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that the information provided to the plan administrator by the trustee related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments:		
Mutual Funds	\$1,542,574	\$2,207,140
Fixed Annuities	98,645	16,306

Total Investments	<u>\$3,599,822</u>	<u>\$4,209,589</u>
Changes to Net Assets Attributed to:		
Net Appreciation	<u>\$ 554,744</u>	

NOTE 4 FAIR VALUE MEASUREMENTS

The Plan establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liabilities; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: Valued daily based on the valuation method disclosed in the annuity contract as calculated by the annuity provider.

Collective Trust Funds: The fair values of the collective investment trusts are not publicly quoted pricing inputs. The fair value of these investments is used in determining the net asset value ("NAV") of the collective trust fund, which is not publicly quoted but is available to current investors via the employer website or when plan participants access their account values. The NAV is calculated using a practical expedient ("PE").

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023 and 2022. As required, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower. Empower is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan to Empower amounted to \$42,799 for the year ended December 31, 2023.

Empower provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

TALON MANAGEMENT, LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

**NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS
(CONTINUED)**

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the MSA, Empower remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 there were no excess amounts. The Plan or Plan Sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing.

NOTE 6 TAX STATUS

The Company has adopted the Plan on a volume submitter plan document sponsored by Empower Retirement LLC. Empower Retirement LLC has received an opinion letter from the Internal Revenue Service ("IRS") dated November 14, 2022, that states that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

In July, 2023, the Company liquidated a division of the Company. As a result of this liquidation, the accounts of the division's plan participants became fully vested in the Company's discretionary match contributions. Subsequently in 2023, the accounts of the impacted plan participants were distributed out of the Plan in accordance with the amended Plan document.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The net assets available for benefits per the financial statements agree with the net assets available for benefits per the Form 5500 for 2023 and 2022.

There are no reconciling differences in contributions received from participants between the financial statement and the Form 5500. Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date. No approved benefit claims existed at December 31, 2023 which were not paid.
