INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Kohlberg Kravis Roberts & Co. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kohlberg Kravis Roberts & Co. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KOHLBERG KRAVIS ROBERTS & CO. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022, AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. PLAN DESCRIPTION

The following description of the Kohlberg Kravis Roberts & Co. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan.

- a. **General** - The Plan was established on December 10, 1982 (effective January 1, 1982) as a defined contribution plan for eligible employees of Kohlberg Kravis Roberts & Co. L.P. (the “Partnership”). The Partnership is the Plan’s administrator. An eligible employee may elect to participate in the Plan on the Enrollment Date coinciding with or immediately following the date he or she becomes a Covered Employee. Fidelity Management Trust Company (“FMTC”) serves as trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Capitalized terms used but not defined herein have the same meanings as in the Plan document.

The participating employers of the Plan are the Company (Kohlberg Kravis Roberts & Co. L.P), KKR Capstone Americas LLC, KKR Credit Advisors (US) LLC, KKR Capital Markets Holding L.P. and K-Star Asset Management LLC.

- b. **Contributions** - Eligible employees may contribute no less than one percent and no more than fifty percent of their eligible compensation up to twenty-five percent of which may be treated as pre-tax 401(k) contributions and up to twenty-five percent of which may be treated as Roth 401(k) contributions subject to a maximum of \$22,500 in 2023. The amount of After-Tax Contributions made by an Eligible Employee by payroll withholding shall be a percentage, expressed in the increments prescribed by the Administrator, of his Compensation of not less than 1% nor more than a maximum percentage prescribed by the Administrator for any group of Eligible Employees in compliance with Internal Revenue Code (“Code”) Section 415 limits, including but not limited to (i) 13%, in the case of a Partner, Program Associate/Analyst or Executive in Residence, (ii) 10%, in the case of a Managing Director or Director or Principal in Investing, Markets & Distribution and (iii) 7%, in the case of all other Eligible Employees. For the year ended December 31, 2023, participants who attained the age of 50 or older as of the end of the calendar year could elect to make additional contributions of up to \$7,500 in excess of the limits stated above and any other limits prescribed by law.

Each year, the Partnership may make contributions to the Plan. The Partnership’s contributions consist of a discretionary matching contribution and a discretionary profit sharing contribution. Matching contributions are made for each pay period based on employee contributions. The maximum contribution amount eligible to be matched is 5% of eligible compensation, which is capped at \$175,000 as defined by the Plan. Partners and Program Associates/Analysts are not eligible for the Plan matching contributions. Additional profit-sharing amounts of 5% of eligible compensation up to \$175,000 may be contributed at the discretion of the Partnership. Partners, Managing Directors, Program Associates/Analysts, and Directors or Principals in Investing, Markets and Distribution are not eligible for the Plan profit sharing contribution. Catch-up contribution upto \$7,500 in 2023 are available for employees who will be at least age 50 by the end

of the year on a pre-tax 401(k) and/or Roth 401(k) basis. Catch-up contribution are not eligible for matching. In addition to pre-tax and Roth 401(k) contribution, participants may make after-tax contribution to the plan of 7%, 10% or 13% of eligible compensation. After-tax contribution are not eligible for matching. All contribution are subject to the IRS aggregate contribution limit of \$66,000 in 2023.

The Plan offers participants the ability to “convert” any Plan contribution or account to a Roth account within the Plan, without taking an actual withdrawal, by making a Roth in-plan conversion.

During the year-ended December 31, 2023, the Partnership made a \$8,326,301 matching contribution and a \$5,228,988 profit sharing contribution to the Plan.

- c. **Participant Accounts** - Each participant’s account is credited with the participant’s contribution and allocations of (a) the Partnership’s contributions and (b) Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d. **Investments** - Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may direct their investments into various registered investment companies, common collective trust, and a self-directed brokerage account option. The self-directed brokerage account includes a variety of mutual funds and money market funds. Partnership contributions are automatically allocated proportionately to the participant directed investments.
- e. **Vesting** - A participant is fully vested in (a) their voluntary contributions and (b) Qualified Nonelective and Qualified Matching contributions (as defined in the Plan document), and any earnings thereon. Vesting for participants with respect to Partnership contributions is based on years of continuous service according to the following schedule:

Years of Service	Cumulative Vesting Percentage
Less than 2	0 %
2	20
3	40
4	60
5	80
6 or more	100

Participants become 100% vested in company matching and profit sharing contribution accounts under the Plan, regardless of years of vesting service, if the participant (1) terminates employment with the company due to death or becoming disabled or (2) are employed with the Company or any related employer under IRS rules on or after the employee’s 65th birthday.

Participants will be 100% vested if you transfer directly from employment with the Company or any related employer to employment with Global Atlantic Financial Group Limited or its affiliated employers (“Global Atlantic”).

f. **Withdrawals and Payments of Benefits** - Participants are entitled to benefits, withdrawals or payments under the following circumstances:

- 1) **Late Retirement** - If a participant does not retire on the normal retirement date, the participant may continue to participate in the Plan. Contributions made by the Partnership will continue to be allocated to the participant's Plan account and the participant may elect to receive his or her Plan account balance after the actual date of retirement.
- 2) **Termination of Employment** - A participant who leaves the Partnership for any reason is entitled to receive the full value of his or her voluntary contributions, vested Partnership contributions and any actual earnings thereon.
- 3) **Hardship Withdrawals** - Under the terms of the Plan, a participant may make a withdrawal for reasons of economic hardship. Withdrawals require the Plan administrator's consent, may be made only for immediate and serious financial need, as defined in the Plan document, and are limited to the lesser of the amount required to meet the immediate need or the participant's pre-tax 401(k) contributions (and any Roth in plan conversions thereof) and Roth 401(k) contributions.
- 4) **Non-Hardship Withdrawals** - Under the terms of the Plan, a participant who has attained age 59 ½ may make a non-hardship withdrawal subject to certain limitations and conditions. With respect to non-hardship withdrawals of rollover contributions, after July 31, 2009, such withdrawals may be made without regard to the age of the participant.
- 5) **Roth Withdrawals and Distributions** - Upon withdrawal or distribution from a participant's Roth account under the Plan, the Roth conversion amount will not be taxable for federal and most state income taxes (having already been taxed when converted under the Plan). The earnings in a Roth account will not be taxable, if included in a "qualified distribution", i.e. as a withdrawal or distribution made from the Plan after both:

a. Five tax years beginning with the tax year in which the participant first made:

- Any Roth 401(k) contributions under the Plan;
- Any Roth 401(k) contributions to a participant's previous employer's 401(k) plan, if the participant made a Roth 401(k) rollover contribution to the Plan; or
- A Roth in-plan conversion for any contribution or account under the Plan.
- AND

b. Your age 59 ½, death or disability.

Note that Roth IRAs are not subject to required minimum distributions (RMDs) during a participant's lifetime, and effective in 2024, all Roth amounts held under the Plan or any other eligible employer retirement plan also will not be subject to lifetime RMDs.

- 6) **After-Tax Contribution Withdrawals** - Participants may withdraw during employment all or any portion of their after-tax contribution Plan account, at any time and for any reason, including their Roth in-plan conversion Plan account attributable to after-tax contributions.

- 7) **Required Distribution** – The distribution of a participant’s vested Plan accounts must be made or begin with annual distributions from a participant’s account no later than April 1 following the year the participant attain a required commencement of age 72 or 73 or, if later, following the year that the participant terminates employment.
- g. **Notes receivable from participants** - Participants are permitted to borrow from the Plan. Participants may only have two loans outstanding at any time. Participant loans are a minimum of \$1,000 and a maximum of the lesser of (i) \$50,000 reduced by the excess, if any, of the participant’s highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over the participant’s current outstanding balance of loans or (ii) fifty percent of the participant’s vested balance. Loans must normally be repaid through payroll deductions over a period of no more than five years. However, if a participant uses the loan to purchase a principal residence, the loan can be repaid over a period of no more than fifteen years.
- Loans bear interest at a fixed rate equal to the U.S. prime rate (as reported by Reuters) in effect on the first business day of a month which includes the date a participant applies for a loan +.75%. At December 31, 2023 the interest rates ranged from 4.00% to 9.25% due from 2024 to 2038.
- On March 27, 2020, the Coronavirus Aid Relief and Economic Security, or CARES Act, was passed into law. The CARES Act provided immediate and temporary relief for eligible plan participants impacted by the coronavirus (COVID-19) with respect to loans. Under the CARES Act, the limitation on loans was increased to the lesser of \$100,000 or 100% of eligible participant's vested account balance, and loan payments and the loan repayment due dates may be delayed for up to one year. Both of these expired on December 31, 2020. Plan amendments related to CARES Act provisions will be completed by the last date of the 2025 plan year.
- h. **Forfeited Accounts** - Partnership contributions, which have been forfeited by employees upon termination, are used to offset Plan administrative expenses and/or reduce future Partnership contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts available for Plan use totaled \$120,612 and \$102,034, respectively. During the year ended December 31, 2023, the Plan paid \$14,675 of administrative expense from forfeited nonvested accounts and \$1,092,088 was used to reduce Partnership contributions.
- i. **Administrative Expenses** - Administrative expenses of the Plan may be deducted from the participants Plan accounts or paid by the Plan sponsor, as provided in the Plan document. Recordkeeping fees are charged directly to a participant’s Plan accounts. Investment management fees for investments are included as a reduction of investment return and not reflected separately in the statement of changes in net assets available for benefits. The remaining expense is paid by the Plan and through credits provided by the recordkeeper for Plan investments. The Plan has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to the recordkeeper to offset the Plan’s administrative expenses. Future Plan expenses can be paid from any excess remaining revenue sharing amounts.
- j. **Revenue Credit Account** - FMTC, the Plan trustee, funds quarterly in arrears a calculated Revenue Credit to a suspense account in the Plan (the “Revenue Credit Account”). The Plan’s administrator may direct the Trustee to use amounts held in the Revenue Credit Account to reimburse the Partnership for fees and expenses associated with services provided to the Plan for which payments or allocations are permissible under the Plan and meet the requirements and applicable laws, including ERISA and the Code. Amounts unused for expenses may be allocated to Participant accounts. During the year ended December 31, 2023, revenue credits available for Plan use including dividend of \$829 in the Revenue Credit Account totaled \$77,770. During the year ended December 31, 2023, the Plan paid \$77,722 of expenses from the Revenue Credit Account and

allocated \$0 to Participation accounts. As of December 31, 2023 and 2022, the balance remaining in the Revenue Credit Account totaled \$48 and \$54,018, respectively.

Beginning January 1, 2022, administrative expenses of \$20.00 per participant are deducted from participant accounts each calendar quarter in arrears. Participants also pay administrative costs for loans, distributions and qualified domestic relation orders. Quarterly revenue credits are also allocated to the Participants depending on the investment options in which they are invested, which may reduce their overall net cost. During the year ended December 31, 2023, FMTC allocated \$167,360 of expenses and \$242,577 of revenue credits to Participation accounts.

- k. **Distribution of "Excess Deferrals"** - Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. At December 31, 2023 and 2022, \$640 and \$25,778 of excess deferrals are included in other liabilities in the statement of net assets available for benefits. The Plan distributed the 2022 excess deferrals of \$25,778 to the respective participants before April 15, 2023. The Plan distributed the remainder of the 2023 excess deferrals of \$640 to the respective participants before April 15, 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies is as follows:

Basis of Accounting - The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments Valuation and Income Recognition - The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of the shares held by the Plan at year end. Money held in a short-term money market account is valued at cost plus accrued interest. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants loans are recorded as distributions based on the terms of the Plan document. As of December 31, 2023, participants loans have maturities through 2038 at interest rates ranging from 4.00 to 9.25 percent.

Payment of Benefits - Benefits are recorded when paid. There were no amounts allocated to participants who withdrew from the Plan, but have not yet been paid at December 31, 2023 and 2022.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for various investment options in common stocks, a money market fund, a guaranteed interest account, common collective trust, and in registered investment companies which invest in combinations of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain

investment securities, it is at least reasonably possible that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events — For the year ended December 31, 2023, subsequent events are evaluated through September 16, 2024, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022.

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total
Registered Investment Companies				
Equity Funds	\$ 277,830,002	\$ -	\$ -	\$ 277,830,002

Brokerage Link	4,474,095	-	-	4,474,095
Common Collective Trust				12,243,777
Total Investments				\$ 414,676,655

The valuation methods as described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Common Collective Trust in the table above represents a Stable Value Fund, which is a collective trust fund that invests in benefit-responsive investment contracts ("Stable Value Contract") that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner. The fund permits redemptions on a daily basis, and there are no restrictions on participant directed redemptions. As of December 31, 2023 and 2022, there were no unfunded commitments.

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by FMTC, the Plan trustee; therefore, transactions of these shares qualify as party-in-interest transactions. Investments in such party-in-interest transactions as of December 31, 2023 and 2022, totaled \$172,870,559 and \$118,687,568, respectively. During the year ended December 31, 2023, these investments recorded net appreciation of investments and dividend and interest income of \$43,376,911. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

FMTC funds quarterly in arrears a calculated Revenue Credit to a suspense account in the Plan (the "Revenue Credit Account"). As disclosed in Note 1, during the year ended December 31, 2023, revenue credits available for Plan use in the Revenue Credit Account totaled \$77,770.

The Plan issues loans to participants, which are secured by vested balances in the participants' accounts. Certain administrative functions are performed by the officers and employees of the Partnership (who may also be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory or administrative exemptions from the Code and ERISA's rules on prohibited transactions.

5. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule, that was derived from information prepared by FMTC, and furnished to the Plan administrator. The Plan administrator has obtained certifications from FMTC that such information is complete and accurate.

All investment balances and information are included in the supplemental schedule of assets (held at end of year) and in Note 3 with the exception of the designation of such investments as Level 1, Level 2 or Level 3, which is included in Note 3, Fair Value Measurements.

6. FEDERAL INCOME TAX STATUS OF THE PLAN

The Internal Revenue Service (“IRS”) has determined and informed the Partnership by letter dated September 21, 2022, that the Plan and related trust were designed in accordance with the applicable sections of the Code. The Plan has been amended since receiving the determination letter, however, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

7. PLAN TERMINATION

Although it has not expressed an intent to do so, the Partnership has the right under the Plan to terminate the Plan or to discontinue contributions at any time, subject to the provisions set forth in ERISA. In the event of termination, partial termination or complete discontinuance of contributions under the Plan, the interests of all affected participants shall be fully vested and nonforfeitable to the extent then funded.
