INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Retirement Plan Committee
First Entertainment Credit Union Defined Contribution Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the First Entertainment Credit Union Defined Contribution Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of First Entertainment Credit Union Defined Contribution Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the First Entertainment Credit Union Defined Contribution Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees of the First Entertainment Credit Union Defined Contribution Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information as described in Note 8 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Empower Annuity Insurance Company of America and Empower Trust Company, LLC agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the First Entertainment Credit Union Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Entertainment Credit Union Defined Contribution Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the First Entertainment Credit Union Defined Contribution Plan; and determining whether the First Entertainment Credit Union Defined Contribution Plan's transactions that are presented and disclosed in the financial statements are in conformity with First Entertainment Credit Union Defined Contribution Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Entertainment Credit Union Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Entertainment Credit Union Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST ENTERTAINMENT CREDIT UNION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the First Entertainment Credit Union (the Plan Sponsor) Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit sharing plan that incorporates a cash-or-deferred arrangement under Internal Revenue Code (IRC) Section 401(k). The Plan covers all employees who are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation as defined in the Plan and limited by regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Effective August 1, 2006, eligible employees are automatically enrolled in the Plan to defer 3% of compensation unless they opt out. Effective January 1, 2018, participants' annual elective deferral percentage will be increased by 1% each year up to a maximum elective deferral percentage of 10%. The Plan allows post-tax Roth contributions since August 1, 2006.

The Plan Sponsor may make discretionary matching contributions of the participants' elective deferrals. Additional non-elective employer (profit sharing) contributions may be contributed at the option of the Plan Sponsor's Board of Directors. Any matching contributions or non-elective employer (profit sharing) contributions are invested in the participants' investment options. Contributions are subject to certain IRC limitations.

During the years ended December 31, 2023 and 2022, the Plan Sponsor matched 100% up to 3% of each employee's elective deferral. In addition, for the years ended December 31, 2023 and 2022, the Plan Sponsor provided a non-elective employer (profit sharing) contribution, which was equal to 5% of eligible compensation.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) the Plan's earnings (losses). The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account, subject to the Plan's provisions.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan transactions are treated as a transfer from (to) the investment funds to (from) the participant loan fund. Loan terms range up to 5 years or up to 30 years for the purchase of a residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.12% to 10.50%, which are commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Vesting: Participants are vested immediately in their deferred salary contributions, plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's contribution portion of participants' accounts plus actual earnings (losses) thereon is based on years of service. A participant is 100% vested in the Plan Sponsor's contributions after three years of credited service.

Payment of Benefits: Upon termination of service due to death, disability or retirement from the Plan Sponsor, a participant may elect to receive the vested interest in their account in the form of an annuity, a single sum cash payment or a combination of the two. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

FIRST ENTERTAINMENT CREDIT UNION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts: Forfeitures of nonvested accounts may be reallocated to other participants or used to pay for certain plan expenses or to reduce employer contributions. Forfeitures totaling \$41,464 and \$89,320 were used to reduce employer contributions in the years ended December 31, 2023 and 2022, respectively, and \$1,325 was used to pay for certain plan expenses in the year ended December 31, 2023. Forfeited nonvested accounts totaled \$49,729 and \$2,821 as of December 31, 2023 and 2022, respectively.

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Empower Annuity Insurance Company of America and Empower Trust Company, LLC serve as the trustees of the Plan as of December 31, 2023 and 2022.

Administrative Expenses: Any fees related to the administration of the Plan or associated with the investment of the Plan's assets may be paid by the Plan or the Plan Sponsor. If the Plan Sponsor does not pay plan fees, such fees will generally be allocated to the accounts of participants, either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. Certain fees may be paid from plan forfeitures if available.

The Plan Sponsor pays the Plan's administrative expenses, and the Plan pays investment custodial fees.

Plan Termination: The Plan Sponsor anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan. In the event of the Plan's termination, each affected participant will become fully vested, and the assets will be distributed to the participants in accordance with the terms of the Plan and requirements of ERISA.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are provided below.

Basis of Accounting: The financial statements of the Plan were prepared under the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three-tier fair value hierarchy includes the following categories:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in markets that are not active;
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals); and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual Funds* – Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

New Accounting Pronouncement Adopted: On January 1, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost, including accounts receivable. The adoption of this standard did not have a material impact on the Plan's financial statements.

Subsequent Events: The Plan has evaluated subsequent events through September 4, 2024, the date the financial statements were available to be issued.

DECEMBER 31, 2023 AND 2022

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023				
Mutual funds	\$ 22,514,262	\$ 22,514,262	\$ -	\$ -
2022				
Mutual funds	\$ 20,595,175	\$ 20,595,175	\$ -	\$ -

Gains and losses (realized and unrealized) included in changes in net assets available for plan benefits for the year ended December 31, 2023 are reported under net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity contract with Empower Annuity Insurance Company of America that invests contributions in the Empower Investments Fixed Account. The Empower Investments Fixed Account is a general account product. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The group annuity contract totaled \$2,160,479 and \$1,727,347 as of December 31, 2023 and 2022, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in the Plan Sponsor's contributions.

NOTE 6 – TAX STATUS

The Plan had previously adopted the Great-West Trust Company, LLC Prototype Non-Standardized Profit Sharing Plan with CODA. The Internal Revenue Service (IRS) informed Great-West by a letter, dated June 30, 2020, that its Prototype Plan was designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

DECEMBER 31, 2023 AND 2022

NOTE 6 – TAX STATUS (CONTINUED)

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities under a contract with Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2023 and 2022, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash, investments and notes receivable from participants.

NOTE 8 – TRUSTEE CERTIFICATION

The investment information, notes receivable from participants and related income information included in the financial statements, accompanying notes and supplemental schedule, summarized below, were derived from statements certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of December 31, 2023 and 2022 as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 9 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employees and certain others. Certain investments of the Plan are held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the current trustees as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Empower Annuity Insurance Company of America and Empower Trust Company, LLC also process and maintain participant loan accounts.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These expenses constitute exempt party-in-interest transactions under ERISA.
