INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
FreshKO Produce Services, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of FreshKO Produce Services, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, continued

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRESHKO PRODUCE SERVICES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the FreshKO Produce Services, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of FreshKO Produce Services, LLC (the Plan Sponsor, Plan Administrator, or Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

In order to participate in the Plan, employees must be at least age 21 and have completed three months of service. All employees become participants in the Plan the first day of the month following three months of service. All employees are eligible to receive the Company's matching contribution beginning the first payroll cycle of the following month.

Administration

The Plan is administered by the Company and accordingly, certain administrative functions are performed by officers or employees of the Company. No officers or employees receive compensation from the Plan. ADP, LLC (the "Recordkeeper") and Reliance Trust Company (the "Trustee") serves as the Plan's recordkeeper and trustee, respectively.

Contributions

Each year, participants may contribute up to 90% (in whole percentages) of their eligible compensation on a pretax or after-tax basis as defined in the Plan, not to exceed the limitation set forth in Section 402(g) (\$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively) of the Internal Revenue Code ("IRC"). Participants may make catch-up contributions, which are pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50th birthday. Participants' total catch-up contributions were limited to a maximum of \$7,500 and \$6,500, respectively, per year in 2023 and 2022.

The Company provides matching contributions equal to 50% of the participant's salary deferral contribution up to 50% of the employee's first 6%. Additional amounts may be contributed at the option of the Company. There were no additional amounts contributed in both 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (i) the Company's contributions and (ii) plan earnings, and is charged with an allocation of administrative expenses, as applicable. Contributions and allocations are invested in securities held in trust and may be directed at the participant's option to any of the investment alternatives offered through the Plan. Earnings are allocated by fund, based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. Upon the occurrence of a distribution event, the benefit, if any, to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are 100% immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions are based on years of credited service, with participants becoming 50% vested beginning with two years of credited service and being fully vested upon completion of three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms can range from one to five years or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 2% as of the date of the loan. During the years ended December 31, 2023 and 2022, the notes bear interest at rates ranging from 5.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

FRESHKO PRODUCE SERVICES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Forfeitures

Forfeitures arise when participants terminate employment before becoming fully vested in the Company matching contribution portions of their account. Forfeitures are used to reduce future employer contributions. During the years ended December 31, 2023 and 2022, \$843 and \$3,307, respectively, of forfeitures were used to fund employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts available to reduce future employer contributions or to pay plan expenses totaled \$11 and \$10, respectively, recorded as an investment account in the Plan's name.

Payment of Benefits

On termination of service, or upon death, disability, or retirement, a participant may elect to receive installments or a lump-sum amount equal to the vested value of his or her account. Installment payments are paid over a period of time not to exceed normal life expectancy. Distributions made to individuals who have not attained the age of 59 ½ may be subject to a 10% early distribution penalty.

Administrative Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Expense Offset Arrangements

Fees incurred by the Plan for investment management and recordkeeping services are included in the net appreciation in fair value investments, as they are paid through revenue sharing, rather than a direct payment.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from these estimates.

Risks and Uncertainties

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Investment Valuation and Income Recognition

Certain Plan investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year-end. Shares of trust funds, which consist of holdings in publicly traded common stocks, are valued daily based on the quoted market prices of the underlying securities. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FRESHKO PRODUCE SERVICES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

3. Fair Value Measurements

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses the market approach, which uses prices and other relevant data based on market transactions involving identical assets and liabilities.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Market Approach)

Collective trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. (Market Approach)

FRESHKO PRODUCE SERVICES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31, 2023 and 2022:

NOTES TO FINANCIAL STATEMENTS

4. Information Certified by the Plan's Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest income from notes receivable from participants and interest and dividends for the years ended December 31, 2023 and 2022, were obtained from the information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Tax Status

The Plan is based on a non-standardized prototype plan. The Plan received an opinion letter from the Internal Revenue Service ("IRS") dated July 8, 2014. The Plan has been amended since receiving the determination letter. However, the Plan Trustee and Administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, accordingly, that the trust maintained in connection with the Plan is tax-exempt.

U.S. GAAP requires Plan management to evaluate the tax position taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL and IRS. The Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there were no tax positions taken that would require the Plan to recognize a tax liability. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participant will become 100% vested in the employer contribution portion of their accounts.

7. Party-in-Interest Transactions

Certain Plan investments are in accounts managed by the Trustee, and the Plan issues notes receivable from participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Subsequent Events

Plan management has evaluated subsequent events through September 17, 2024, which is the date the financial statements were available to be issued, and has concluded that there are no significant events to be reported.
