Report of Independent Auditors

The Trustees of
Bethpage Federal Credit Union 401(k) Thrift Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bethpage Federal Credit Union 401(k) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bethpage Federal Credit Union 401(k) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bethpage Federal Credit Union 401(k) Thrift Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bethpage Federal Credit Union 401(k) Thrift Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bethpage Federal Credit Union 401(k) Thrift Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bethpage Federal Credit Union 401(k) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, part IV, line 4(i) – schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bethpage Federal Credit Union 401(k) Thrift Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of Bethpage Federal Credit Union 401(k) Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan Document, as amended, for a more complete description of the Plan's provisions.

General – The Plan is a 401(k) salary deferral plan covering substantially all employees of Bethpage Federal Credit Union (the Credit Union), and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Credit Union is the Plan's Sponsor and serves as plan administrator.

Effective January 1, 2023, the Plan amended and restated the Plan Document to conform to legislative and regulatory changes. Substantially all plan provisions were unchanged as a result of the restatement.

Eligibility – Employees of the Credit Union are eligible to participate in the Plan and receive matching contributions upon reaching age 18 and may enter the Plan on the first day of the month following completion of one month of service.

Contributions

Participant contributions – Each year, participants may contribute between 1–90% of pre-tax compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employees who became participants are automatically enrolled at 2% of pre-tax earnings, with an auto escalation of 1% on the first day of each subsequent plan year up to a maximum of 5% of compensation, unless the employee elects to defer a different percentage of compensation or elects not to defer. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer match and profit sharing contributions – The Credit Union may elect to make discretionary matching contributions, up to a maximum of \$11,025 per employee. Discretionary profit sharing contributions may also be made to the Plan. Employees currently accruing benefits under the Bethpage Federal Credit Union Pension Plan are not entitled to participate in this Plan for purposes of matching contributions. For the year ended December 31, 2023, the Credit Union elected to match 200% of the first 3% of the participant's salary deferral and 100% of the next 4%. There were no profit sharing contributions for the year ended December 31, 2023.

Contributions are subject to regulatory limits.

Participant accounts – Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and the Credit Union's matching contribution, an allocation of the Credit Union's profit sharing contribution, if any, and plan earnings. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options – Participants direct all contributions to be invested amongst various investment options as made available and determined by the plan administrator, which are more fully described in the Plan literature. Participants may change their investment options any time throughout the year.

Bethpage Federal Credit Union 401(k) Thrift Plan

Notes to Financial Statements

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants vest in the Credit Union's discretionary contributions plus earnings thereon per the following amended vesting schedule:

Vesting Schedule	
Credit Union's Discretionary Contributions	
Periods of Service	Percentage
Less than 1 year	0%
1	100%

A participant will become fully vested upon death or total and permanent disability.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of the vested account balance or \$50,000 (reduced by the highest outstanding loan balance for all loans during the preceding 12 months). A participant may have up to two loans outstanding at a time. The loans are secured by the balance in the participant's account and will bear reasonable interest determined by the Credit Union when the loan is made. All loans must be repaid within a period of five years, unless the loan is used to acquire a principal residence and the administrator agrees to a longer term. Principal and interest is paid ratably through bi-weekly payroll deductions. As of December 31, 2023, the rates of interest on outstanding loans ranged from 4.25% to 9.50% with various maturities through April 2052.

Payment of benefits – On termination of service and due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments over a period of not more than the participant's assumed life expectancy, or ad-hoc distributions. In the event of immediate and severe financial hardship, and with the approval of the plan administrator, a participant is entitled to withdraw any part of their vested balance in their account.

The Credit Union may distribute terminated participant balances less than \$5,000 without the participant's consent. If the balance is greater than \$1,000, the distribution will be made to an individual retirement account (IRA) on behalf of the participant. Balances less than \$1,000 are paid directly to the participant.

Forfeitures – The amount in a participant's account that is not vested shall be considered forfeited as of the last day of the plan year within which the participant terminated employment. Forfeited nonvested accounts are used to reduce Credit Union contributions and/or administrative expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$44,840 and \$35,997, respectively. During 2023, there were no forfeited nonvested accounts used to reduce employer contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. There was no allowance for credit losses recorded as of December 31, 2023 and 2022.

Investment valuation – The Plan's investments are reported at fair value. Great-West Trust Company, LLC, the trustee of the Plan, certifies the fair market value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized depreciation and appreciation of those investments.

Payment of benefits – Benefit payments to participants are recorded when paid.

Expenses – Certain plan administrative expenses are paid by the Credit Union and excluded from these financial statements. Participant transaction fees are paid by the Plan from assets in that participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through September 12, 2024, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust – Units held in the collective trust (CT) are valued using the NAV practical expedient of the CT as reported by the CT manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding.

The following table provides additional information for investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2023 and 2022:

	Fair Value at December 31, 2023	Fair Value at December 31, 2022	Redemption Frequency	Redemption Notice Period	Redemption Restrictions
Collective trust	<u>\$ 6,340,147</u>	<u>\$ 6,511,310</u>	Daily	N/A	N/A

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value as of December 31, 2023		
		Level 1	Level 2	Level 3
				Total
Assets in the fair value hierarchy				
Registered investment companies		\$ 84,824,810	\$ -	\$ -
Investments measured at NAV (practical expedient)				6,340,147
Investments at fair value				\$ 91,164,957

		Fair Value as of December 31, 2022		
		Level 1	Level 2	Level 3
				Total
Assets in the fair value hierarchy				
Registered investment companies		\$ 69,584,660	\$ -	\$ -
Investments measured at NAV (practical expedient)				6,511,310
Investments at fair value				\$ 76,095,970

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 – Information Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants, as reflected on the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, dividend income and interest on notes receivable from participants reflected on the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, part IV, line 4(i) – Investments and participant loans reflected on the schedule of assets (held at end of year) as of December 31, 2023.

Note 5 – Party-in-Interest Transactions

Certain investments are held by Empower Trust Company, LLC, the trustee of the Plan. Great-West Life and Annuity Insurance Company serves as the recordkeeper through its subsidiary Empower Retirement, LLC and is an affiliate of Great-West Trust Company, LLC. Transactions with these entities qualify as exempt party-in-interest transactions.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Upon plan termination, no further contributions will be made and the Credit Union will make distributions, as soon as administratively feasible.

Note 7 – Tax Status

The Plan Document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on November 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan's administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets reported on the Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits, per the financial statements	\$ 93,907,065	\$ 78,657,847
Less: deemed distribution of participant loans	<u>(89,271)</u>	<u>(132,704)</u>
Net assets per Form 5500	<u><u>\$ 93,817,794</u></u>	<u><u>\$ 78,525,143</u></u>

Bethpage Federal Credit Union 401(k) Thrift Plan

Notes to Financial Statements

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on the Form 5500 for the year ended December 31, 2023:

	<u>2023</u>
Change in net assets available for benefits per the financial statements	\$ 15,249,218
Change in deemed distributions not included in loan balance on Form 5500	<u>43,433</u>
Net income per Form 5500	<u>\$ 15,292,651</u>

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
