d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

| | Yes | No | Amount |
|--|-----|----|---------|
| a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) | | X | |
| b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Independent Auditor's Report

Plan Participants, ESOP Committee, and Trustee
MarshBerry Holdco, Inc. Profit Sharing Plan and Trust

Opinion

We have audited the accompanying financial statements of MarshBerry Holdco, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 31, 2023, and December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits (in liquidation) for the period from January 1, 2023, through August 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 31, 2023, and December 31, 2022 (in liquidation), and the changes in its net assets available for benefits (in liquidation) for the period from January 1, 2023, through August 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, due to the sale of Marsh, Berry & Company, Inc. effective November 19, 2021, management determined liquidation was imminent. As a result, the Plan utilized the liquidation basis of accounting at December 31, 2022, and for the period from January 1, 2023, through August 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the MarshBerry Holdco, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Marsh, Berry & Company, Inc. (the Company) established the Plan effective as of January 1, 2016. The Plan is a defined contribution plan that previously covered substantially all employees of the Company. The Plan previously operated as a leveraged employee stock ownership plan (ESOP) and was designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code (IRC), as amended.

The ESOP purchased Marsh, Berry & Company, Inc. common stock (Company Stock) from the Company and held the Company Stock in a trust established under the Plan until sold in 2021.

Termination of Plan

Pursuant to a Unit Purchase Agreement dated November 19, 2021, 100% of the Company Stock was sold to MarshBerry Holdings Company, LLC and contributed to MarshBerry Holdco, Inc. (Holdco). The purchase transaction provided for the cancellation of amounts owed by the Plan under the note payable and for the release of Company Stock held as collateral to be allocated to participant accounts.

Effective November 19, 2021, GreatBanc Trust Company (GreatBanc) became the trustee of the Plan and effective January 5, 2022, the Plan was terminated. As of the termination date, no new participants were eligible to participate in the Plan, employer stock balances were converted to cash, and the ESOP was converted to a profit sharing plan (MarshBerry Holdco, Inc. Profit Sharing Plan and Trust) where all investments are non-participant directed.

Participant Accounts

A separate account was maintained for each participant which includes the participant's balance upon termination of the Plan effective January 5, 2022, as well as an allocation of the Plan's earnings and losses since that date based on the ratio of the balance of the participant's portion to the total portion of such account in the Trust as of the preceding valuation date.

Vesting

Effective with the Plan termination on January 5, 2022, any participant who had an account balance became 100% vested in that account balance.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Effective with the Plan termination on January 5, 2022, participants were entitled to receive 85% of their vested account balance as soon as administratively feasible, and the remaining 15% as soon as administratively practicable following receipt of a favorable determination letter issued by the Internal Revenue Service (IRS). All distributions were to be paid in two or more installments, in the form of a lump-sum cash payment or direct rollover. All remaining assets were processed for distribution by August 31, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All investments were processed for liquidation by August 31, 2023, and liquidation was completed by close of business on September 5, 2023. Prior to the liquidation and as of December 31, 2022, investments were reported at fair value by GreatBanc, the trustee of the Plan. Fair value is the price that would be recorded to sell as asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend and distribution income were recorded on the ex-dividend date.

Payment of Benefits

Benefits were recorded when paid.

Plan Expenses

The Plan's administrative expenses were paid by the Company. Expenses that were paid by the Company are excluded from these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of August 31, 2023, and December 31, 2022, and for the period from January 1, 2023, through August 31, 2023, the Plan did not have a liability for unrecognized tax benefits. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value as of December 31, 2022.

Money market fund: Valued at the daily closing price as reported by the fund. The money market fund held by the Plan was an open-ended money market fund that was registered with the U.S. Securities and Exchange Commission. This fund was required to publish its daily net asset value and to transact at that price. The money market fund held by the Plan was deemed to be actively traded.

At December 31, 2022, assets measured at fair value within the hierarchy consist of a Level 1 money market fund totaling \$14,958,036.

NOTES TO THE FINANCIAL STATEMENTS

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by GreatBanc Trust Company (GreatBanc). GreatBanc was the trustee as defined by the Plan and, therefore, such transactions qualified as party-in-interest transactions. These party-in-interest transactions were exempt from the prohibited transactions rules of ERISA.

5. TAX STATUS

The IRS has determined and informed the Company by a letter dated February 7, 2023, that the Plan and related trust were designed in accordance with applicable sections of the IRC.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022, to Form 5500:

| | |
|--|----------------------|
| Net assets available for benefits per the financial statements | \$ 15,016,676 |

Independent Auditor's Report

Plan Participants, ESOP Committee, and Trustee
MarshBerry Holdco, Inc. Profit Sharing Plan and Trust

Opinion

We have audited the accompanying financial statements of MarshBerry Holdco, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 31, 2023, and December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits (in liquidation) for the period from January 1, 2023, through August 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 31, 2023, and December 31, 2022 (in liquidation), and the changes in its net assets available for benefits (in liquidation) for the period from January 1, 2023, through August 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, due to the sale of Marsh, Berry & Company, Inc. effective November 19, 2021, management determined liquidation was imminent. As a result, the Plan utilized the liquidation basis of accounting at December 31, 2022, and for the period from January 1, 2023, through August 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the MarshBerry Holdco, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Marsh, Berry & Company, Inc. (the Company) established the Plan effective as of January 1, 2016. The Plan is a defined contribution plan that previously covered substantially all employees of the Company. The Plan previously operated as a leveraged employee stock ownership plan (ESOP) and was designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code (IRC), as amended.

The ESOP purchased Marsh, Berry & Company, Inc. common stock (Company Stock) from the Company and held the Company Stock in a trust established under the Plan until sold in 2021.

Termination of Plan

Pursuant to a Unit Purchase Agreement dated November 19, 2021, 100% of the Company Stock was sold to MarshBerry Holdings Company, LLC and contributed to MarshBerry Holdco, Inc. (Holdco). The purchase transaction provided for the cancellation of amounts owed by the Plan under the note payable and for the release of Company Stock held as collateral to be allocated to participant accounts.

Effective November 19, 2021, GreatBanc Trust Company (GreatBanc) became the trustee of the Plan and effective January 5, 2022, the Plan was terminated. As of the termination date, no new participants were eligible to participate in the Plan, employer stock balances were converted to cash, and the ESOP was converted to a profit sharing plan (MarshBerry Holdco, Inc. Profit Sharing Plan and Trust) where all investments are non-participant directed.

Participant Accounts

A separate account was maintained for each participant which includes the participant's balance upon termination of the Plan effective January 5, 2022, as well as an allocation of the Plan's earnings and losses since that date based on the ratio of the balance of the participant's portion to the total portion of such account in the Trust as of the preceding valuation date.

Vesting

Effective with the Plan termination on January 5, 2022, any participant who had an account balance became 100% vested in that account balance.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Effective with the Plan termination on January 5, 2022, participants were entitled to receive 85% of their vested account balance as soon as administratively feasible, and the remaining 15% as soon as administratively practicable following receipt of a favorable determination letter issued by the Internal Revenue Service (IRS). All distributions were to be paid in two or more installments, in the form of a lump-sum cash payment or direct rollover. All remaining assets were processed for distribution by August 31, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All investments were processed for liquidation by August 31, 2023, and liquidation was completed by close of business on September 5, 2023. Prior to the liquidation and as of December 31, 2022, investments were reported at fair value by GreatBanc, the trustee of the Plan. Fair value is the price that would be recorded to sell as asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend and distribution income were recorded on the ex-dividend date.

Payment of Benefits

Benefits were recorded when paid.

Plan Expenses

The Plan's administrative expenses were paid by the Company. Expenses that were paid by the Company are excluded from these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of August 31, 2023, and December 31, 2022, and for the period from January 1, 2023, through August 31, 2023, the Plan did not have a liability for unrecognized tax benefits. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value as of December 31, 2022.

Money market fund: Valued at the daily closing price as reported by the fund. The money market fund held by the Plan was an open-ended money market fund that was registered with the U.S. Securities and Exchange Commission. This fund was required to publish its daily net asset value and to transact at that price. The money market fund held by the Plan was deemed to be actively traded.

At December 31, 2022, assets measured at fair value within the hierarchy consist of a Level 1 money market fund totaling \$14,958,036.

NOTES TO THE FINANCIAL STATEMENTS

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by GreatBanc Trust Company (GreatBanc). GreatBanc was the trustee as defined by the Plan and, therefore, such transactions qualified as party-in-interest transactions. These party-in-interest transactions were exempt from the prohibited transactions rules of ERISA.

5. TAX STATUS

The IRS has determined and informed the Company by a letter dated February 7, 2023, that the Plan and related trust were designed in accordance with applicable sections of the IRC.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022, to Form 5500:
