INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Segers Aero Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Segers Aero Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 of the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions, that are presented and disclosed in the financial statements, are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of form 5500 schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF PLAN

The following brief description of Segers Aero Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan sponsor is Segers Aero Corporation (the Company or the Plan Sponsor). The Plan is a defined contribution plan covering all eligible employees of the Company, as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a participant-directed plan offering several investment options.

Eligibility

All employees, after having completed 60 days of service, are eligible to participate in the Plan.

Contributions

Participants may elect to defer a portion of their compensation each year up to the maximum amount permissible by the Internal Revenue Code (IRC). Participants in the Plan are automatically enrolled at a 3% "default" contribution rate unless the participant chooses a different contribution rate. Participants are permitted to contribute catch-up contributions in accordance with IRC requirements. Participants may also rollover amounts from other qualified defined benefit or contribution plans.

In 2023 and 2022, the Company contributed a safe harbor match to eligible participants equal to 100% of a participant's elective deferrals which do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals which exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The Company, at the sole discretion of its Board, may also make a nonelective discretionary contribution to the Plan. Nonelective discretionary contributions are allocated to participant accounts based on each participant's pro-rata share of the compensation of all eligible employees. No nonelective discretionary contributions were made in 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (1) the Company's contribution (if any), and (2) Plan earnings, and is charged with an allocation of investment expenses. Allocations are based on participant salary or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service a participant or a participant beneficiary, in the event of the participant's death, may elect to receive either a lump-sum amount, equal to the value of the vested interest in their account, or request that it be rolled-over to an individual retirement account or annuity. Participant consent is required for a distribution only if the participant's vested account balance is greater than \$1,000. If the vested interest is \$1,000 or less upon termination of service, a participant will receive a lump-sum distribution.

**SEGERS AERO CORPORATION 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Participants age 59½ or older may elect to receive a distribution of the vested portion of their account balance regardless of employment. In addition, a participant may request a withdrawal from the Plan while still under the employment of the Company for reasons of financial hardship. The benefit to which a participant is entitled consists of their contributions, their accumulated share of annual employer contributions and earnings thereon.

Notes Receivable from Participants

Participants may borrow from their account balance in accordance with IRC requirements. New loans are limited to one loan outstanding per participant at any given time. The loan amount is allowed at a minimum of \$1,000 and a maximum of 50% of the participant's vested balance up to \$50,000. The loans are secured by the balance in the participant's account, which are commensurate with local prevailing rates as determined at the time of the loan issuance. Principal and interest are payable ratably through payroll deductions over terms ranging up to five years, except for home loans which may range up to ten years.

Vesting

Participants are fully vested with respect to their employee and employer contributions plus actual earnings thereon.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as discussed in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Because of the inherent uncertainties in estimated market value, it is reasonably possible that the estimates used will change within the near term. In the statement of changes in net assets available for plan benefits, the Plan presents the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses on investments sold during the year and the unrealized appreciation (depreciation) on investments held at year end. Purchases and sales of securities are recorded on a trade-date basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued interest. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**SEGERS AERO CORPORATION 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Expenses

Fees for the administration of benefit payments and notes receivable from participants and investment related expenses are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through September 3, 2024, the date the financial statements were available to be issued, and has determined that there were no additional subsequent events that required disclosure.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has obtained certifications from Ascensus Trust Company (the trustee) as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that the following information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Statements of net assets available for plan benefits		
Investments, at fair value	\$ 3,877,531	\$ 3,037,817
Statement of changes in net assets available for plan benefits		
Net appreciation in fair value of investments	479,267	
Dividends and interest	90,965	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1 Observable inputs such as quoted prices in active markets;
- Level 2 Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

**SEGERS AERO CORPORATION 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Because of the nature of these assets, carrying amounts approximate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 39	\$ -	\$ -	\$ 39
Mutual funds	3,877,492	-	-	3,877,492
Total investments at fair value	<u>\$ 3,877,531</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,877,531</u>

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 2,103	\$ -	\$ -	\$ 2,103
Mutual funds	3,035,714	-	-	3,035,714
Total investments at fair value	<u>\$ 3,037,817</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,037,817</u>

5. TAX STATUS

The Plan has adopted a prototype "standardized" plan, and the prototype sponsor has received an opinion letter dated January 1, 2018, from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the IRC. Accordingly, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

**SEGERS AERO CORPORATION 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Vanguard Fiduciary Trust Company, a recordkeeper for the Plan. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transactions rules. Fees were paid to Vanguard Fiduciary Trust Company by the Plan during 2023.

7. RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for plan benefits per the financial statements at December 31, 2023 and 2022, agree with the amount of net assets available for plan benefits reported on Form 5500 for 2023 and 2022.
