# Independent Auditors' Report

To the Plan Administrator
Behavioral Transformations 401(k) Plan:

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Behavioral Transformations 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Behavioral Transformations 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Behavioral Transformations 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Behavioral Transformations 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Behavioral Transformations 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Behavioral Transformations 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets (Held at Year End) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their

form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

The effective date of the plan is as of January 1, 2023.

All employees of the Company who are age twenty-one and have completed one year of service, as defined, are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is administered by the Company. Benefit Plans Administrative Services LLC provides all administrative services necessary in connection with the plan. Hand Benefits & Trust Company is responsible for the custody and management of the Plan's assets.

### Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Contributions are subject to certain limitations by law up to the maximum contributions under Section 402(g) of the IRC ($22,500 in 2023). Participants are eligible to start making contributions after one year of service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (up to $7,500 in 2023). Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants may elect to designate all or a portion of their contributions as Roth contributions. Newly eligible employees will be automatically enrolled with a deferral rate of 3% of pre-tax unless they choose otherwise. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may contribute a discretionary percentage of compensation that a Participant contributes to the Plan (Matching Contributions). Participants are eligible for matching contributions after one year of service. Additional discretionary contributions (Employer Discretionary Contributions) amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations. Participants are eligible to receive employer discretionary contributions after completion of one year of service. Participants must work at least 1,000 hours of service, as defined in the Plan Agreement, and be employed by the Company on the last day of the Plan Year in order to receive an allocation of matching and employer discretionary contributions. The Company made a matching contribution of 20% of deferrals up to 2% of compensation to the Plan for the year ended December 31, 2023.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the Participant's contributions and related employer contributions, as well as the Participant's share of investment income, appreciation (depreciation) in the fair value of investments and any related administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants become fully vested (20% per year beginning with year 2) in matching and employer discretionary contributions, forfeitures, and the earnings thereon upon the completion of 6 years of service, upon termination of the plan, upon attainment of normal retirement age, or upon death or disability.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their Participant's vested account balance. Loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan administrator. Loans must be repaid within 5 years (may exceed 5 years for a primary residence loan) through payroll deductions.

Investment Options

Upon enrollment in the Plan, a Participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and in such multiples as the Participant prescribes. A Participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Payments of Benefits

On retirement, death, disability, or termination of service, a Participant (or Participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the Participant's vested account balance. Benefits are recorded when payable.

Administrative Expenses

Contract administrator fees and investment management fees may be paid by either the Plan sponsor or the Plan, as provided by the Plan document. Contract administrator fees and investment management fees in the amount of $9,289 and $1,348 were paid for the year ended December 31, 2023, respectively.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts

Forfeitures of the employer's matching due to Participants withdrawing from the plan prior to full vesting may be used to pay administrative expenses and to reduce the employer's future matching. Employer matching contributions were reduced by forfeitures in the amount of $0 for the year ended December 31, 2023. Administrative expenses of $0 were paid from forfeited non-vested account for the year ended December 31, 2023.

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. Certain administrative expenses of the Plan are paid by the Plan. The remaining administrative expenses are paid by the Company. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are carried at fair value, which is based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. In compliance with ERISA, any changes in the current value of assets are reported in the year of such change.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation (depreciation) in fair market value of investments includes realized and unrealized investment gains and losses. Brokerage fees, if any, are added to the acquisition costs of investments purchased and subtracted from the proceeds of investments sold.

## 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

| | | Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1) |
|---|---|---|
| | Fair Value | |
| December 31, 2023 | | |
| Mutual funds – Equities | $ 25,990 | $ 25,990 |
| Mutual funds – Balanced | 180,024 | 180,024 |
| Total | $ 206,014 | $ 206,014 |

3. FAIR VALUE MEASUREMENTS (Continued)

FASB ASC 820-10 (formerly SFAS No. 157, Fair Value Measurements), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements
The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023, is reported in net appreciation (depreciation) in fair market value of investments.

4. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the Custodian or Trustees qualify as party-in-interest transactions.

5. FINANCIAL DATA CERTIFIED BY THE PLAN ASSET TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the plan administrator has accepted the certification of Hand Benefits & Trust Company that the unaudited financial information related to investments and investment income used in the preparation of the Plan's financial statements and Schedule of Assets Held for Investment is complete and accurate.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA and the IRC. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. TAX STATUS

The Company has adopted the Benefit Plans Administrative Services LLC Non-Standardized Pre-Approved Profit Sharing Plan With CODA. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, stating that the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC).

7. TAX STATUS (Continued)

The employer has not requested an individual determination letter from the Internal Revenue Service with respect to the Plan's qualifications, as it is not a requirement.

Management believes that the Plan is qualified under section 401(a) of the IRC and applicable sections of ERISA, and therefore the Trust is exempt from taxation under section 501(a). Accordingly, employee contributions, employer contributions, and earnings of the Plan are not taxable to the participants until distributed. Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended, which would subject the Plan to disqualification. Management intends to maintain the Plan's qualification under the IRC and ERISA. Management has adopted all plan amendments as required by legislation. The Plan has complied with fidelity bonding requirements of ERISA.

The Plan is subject to U.S. federal or state and local income tax examinations by tax authorities for three years after the later of the due date of the plan return or filing of the plan return.

8. INVESTMENTS

Investments that represent 5% or more of the net assets available for benefits are separately identified below at fair value as determined by quoted market price:

During 2023, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $18,748.

9. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS

The Company’s 2023 matching contribution of $19,205 was made subsequent to year end. The plan administrator has evaluated subsequent events through June 28, 2024, the date the financial statements were available to be issued.
