## **Independent Auditor's Report**

---

Plan Administrator  
CBE Companies 401(k) Retirement Plan  
EIN 42-1259869 Plan #001  
Cedar Falls, Iowa

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the CBE Companies 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the CBE Companies 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CBE Companies 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CBE Companies 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CBE Companies 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CBE Companies 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **(1) Description of Plan**

The following description of CBE Companies 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan covering all full-time employees of CBE Companies, Inc. and its wholly owned subsidiaries, The CBE Group, Inc.; CBE Customer Solutions, Inc.; Argent Account Acquisitions, LLC; Avaldus, LLC.; The CBE Group SW, Inc.; and Madison Wyatt, LLC and its wholly owned subsidiary, Locate Smarter, LLC, (Company) who are age 21 or older except for union employees, leased employees, interns and certain nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has adopted a volume submitter plan document that has been provided by a third-party provider. The Plan obtained its latest opinion letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with all applicable requirements of the Internal Revenue Code. Therefore, it believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

### **Contributions**

The Plan allows participants to make pretax contributions, Roth contributions or a combination of both up to 100% of their annual eligible compensation, as defined in the plan document, subject to the statutory maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants direct the investment of their elective and rollover contributions among various registered investment companies (mutual fund) and collective trust fund options offered by the Plan. Participants also direct the investment of Company matching and additional discretionary contributions among the aforementioned investment options.

The Company may make discretionary matching contributions. Additional nonelective discretionary contributions may also be made at the option of the Company's Board of Directors, limited to the maximum amount deductible for income tax purposes. The Company elected to make an employer matching contribution of 50% of employee deferrals up to 4% of eligible compensation during both years ended December 31, 2023 and 2022.

The Plan received excessive contributions for 2023 and 2022, causing it to fail the Actual Contribution Percentage test and Actual Deferral Percentage test for each year. As a corrective action, the Plan refunded approximately \$101,000 and \$46,000 to highly compensated employees during 2024 and 2023, respectively.

## (1) Description of Plan

### Participant Accounts

Each participant's account is credited with the participant's elective and rollover contributions and an allocation of Company contributions and Plan earnings. Allocation of the Company's discretionary matching contributions is based on participant contributions while allocation of the Company's additional nonelective contributions is based on participant compensation. Because all accounts are 100% participant directed, Plan earnings are attributable to the investments selected by each participant and allocated to each participant in a manner that reflects the investment experience of each participant's directions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

As of both December 31, 2023 and 2022, no amounts were allocated to the accounts of persons who had elected to withdraw from the Plan but had not yet been paid in full by those respective dates.

### Vesting

Participants are immediately vested in their elective deferral and rollover contributions, plus earnings thereon. Vesting in the remainder of their account is based on the number of years in which a participant works at least 1,000 hours. For years prior to 2017, participants became 100% vested after four years of credited service, based on a graded vesting schedule. In 2017, the plan document was amended to state that participants that have completed at least one hour of service since January 1, 2017 are subject to a three-year cliff vesting schedule. These participants become 100% vested after three years of credited service. Participants also become 100% vested on the attainment of normal retirement age (65) or if their employment termination is due to death or disability.

Forfeitures of employer contributions may be used as additional employer contributions, to reduce employer contributions or to pay Plan administrative expenses. During 2023 and 2022, total forfeitures were \$39,135 and \$23,167, respectively, and \$98,694 and \$11,490, respectively, were used to reduce employer contributions.

### Payment of Benefits

In-service distributions are permitted in the event of a disability, financial hardship or upon attaining age 59-1/2.

Upon termination of service, a participant may request a distribution of his or her vested account balance or elect to postpone the distribution.

### Third-Party Fee Agreements

In addition to the administrative expenses deducted on the face of the statements of changes in net assets available for plan benefits, Empower Trust Company, LLC (a wholly owned subsidiary of Empower Annuity Insurance Company of America) and the various registered investment companies in which the Plan invests in retain investment earnings to help cover their costs of recordkeeping, administrative maintenance and marketing. The fees, which were less than 1% of the Plan's investments for each of the years ended December 31, 2023 and 2022, have been netted against the Plan's investment income.

### Subsequent Events

Management has evaluated subsequent events through September 9, 2024, the date which the financial statements were available to be issued.

## **(2) Summary of Significant Accounting Policies and Other Matters**

### **Basis of Accounting**

The Plan prepares its financial statements on the accrual basis of accounting.

### **Use of Estimates**

The Plan Administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported changes in net assets available for plan benefits.

### **Financial Instruments and Concentration of Credit Risk**

The Plan's investments subject the Plan to concentrations of credit risk in that substantially all of those investments are held by Empower Trust Company, LLC (a wholly owned subsidiary of Empower Annuity Insurance Company of America). Following customary practices, the Plan does not hold collateral for debt investments made through these sources. The maximum potential credit loss to the Plan is limited to total Plan investments as shown on the accompanying statements of net assets available for plan benefits.

### **Valuation of Investments**

The Plan invests in various registered investment companies and collective trust funds.

Quoted market prices are used to value registered investment companies.

The amounts shown in Note 3 for securities that have no quoted market price represent estimated fair value. While many factors are considered in arriving at fair value, those applicable to the Plan's specific investments are described below.

The Plan owns units of participation in Principal LifeTime Hybrid Target Funds, which are collective trust funds. These funds, in turn, invest in fully benefit-responsive investment contracts such as asset-backed securities, collateralized mortgage obligations and commercial mortgaged-backed securities. The fair value of these investments is based on net asset values (NAVs) of shares held by the Plan, as determined by Empower Trust Company, LLC (a wholly owned subsidiary of Empower Annuity Insurance Company of America). The NAV is used as a practical expedient to estimate fair value. Each NAV is based on underlying investments held by the fund less liabilities.

The Plan also owns units of participation in the Morley Stable Value Fund, which is a collective trust fund. The fair value of this collective trust fund is based on the value of the underlying investments, which are primarily based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly (Level 2 of the fair value hierarchy).

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received in cash.

### **Payment of Benefits**

Benefits are recorded when paid. Benefit distributions for the years ended December 31, 2023 and 2022 included payments of approximately \$46,000 and \$95,000, respectively, to certain active participants to return to them excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

## Notes to the Financial Statements

### (2) Summary of Significant Accounting Policies and Other Matters

#### Income Tax Status

Plan management is required to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### (3) Investments

The information summarized below was certified by Empower Trust Company, LLC (a wholly owned subsidiary of Empower Annuity Insurance Company of America), the investment custodian of the Plan, as to the completeness and accuracy of all information presented below. The following table presents the fair value of investments, all of which are participant directed.

## Notes to the Financial Statements

### (3) Investments

The following table discloses the fair value and redemption frequency for those assets whose fair value is estimated using the net asset value per share as of December 31, 2023.

| Investment                             | Fair Value  | Unfunded Commitment | Redemption Frequency | Redemption Notice Required |
|----------------------------------------|-------------|---------------------|----------------------|----------------------------|
| <b>Collective Funds</b>                |             |                     |                      |                            |
| Principal Lifetime Hybrid Target Funds | \$9,874,118 | \$—                 | Daily                | None                       |

The Financial Accounting Standards Board Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly; and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan.

#### Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted fair values of the shares held by the Plan at year end.

#### Level 2 Fair Value Measurements

The fair value of the Morley Stable Value Fund is based on the market value of the underlying investments of the fund.

#### Level 3 Fair Value Measurements

No investments are measured using Level 3 inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

### **(5) Related Party and Party-in-Interest Transactions**

CBE Companies, Inc., the Plan Sponsor, provides participant data services to the Plan at no charge and pays certain administrative and auditing fees for the Plan which were approximately \$23,000 and \$21,000 during 2023 and 2022, respectively.

The Plan Sponsor's majority stockholder is a member of the Plan Sponsor's Board of Directors and a participant in the Plan. ### **(6) Risks and Uncertainties**

The Plan invests in various registered investment companies and a collective trust fund. These investments are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

### **(7) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.
