Auditors' Required Communications with Those Charged with Governance

**To the Plan Administrator
Standard Enterprises 401(k) Plan
Monroe, Louisiana**

We have conducted a DOL limited-scope audit of the financial statements of the Standard Enterprises, Inc. 401(k) Plan (the Plan) for the year ended December 31, 2023, and have issued our report thereon dated September 4, 2024. As permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplementary schedule, other than that derived from the information certified by the custodian, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 9, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing accounting policies did not change in 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There are no accounting estimates considered to be particularly sensitive that materially affect the financial statements.

**Standard Enterprises, Inc. 401(k) Plan
Auditors' Required Communication
Page 2 of 2**

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of the Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify and material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our ERISA Section 103(a)(3)(C) audit.

Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the DOL limited-scope audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements identified during our ERISA Section 103(a)(3)(C) audit.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and management of Standard Enterprises and the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Greetings:

This representation letter is provided in connection with your audits of the financial statements and supplemental statement of the Standard Enterprises, Inc. 401(k) Plan (the Plan) as of December 31, 2023 and 2022, and for the year ended December 31, 2023 and the related notes to the financial statements for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the basic financial statements taken as a whole. As permitted by ERISA Section 103(a)(3)(C), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Empower Retirement LLC, the custodian, in accordance with ERISA Section 103(a)(3)(C), except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Empower Retirement LLC, the custodian, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of September 4, 2024, the following representations made to you during your audit:

- We have no knowledge of any fraud or suspected fraud that affects the plan and involves
 - Management
 - Employees who have significant roles in internal control, or
 - Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud or suspected fraud affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- We have disclosed to you the identity of the plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- The plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- We have no-
 - Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - Intentions to terminate the plan.
- Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows: The plan uses a

valuation system whereby the highest priority is attached to observable inputs, which reflect the assumptions that market participants would use in pricing the asset or liability based on independently sourced market information such as quoted prices in active markets, and the lowest priority to unobservable inputs, which reflect the plan's own assumptions about the assumptions market participants would use to price the asset or liability, including assumptions about risk, based on the best information available under the circumstances. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- All required filings of Plan documents with the appropriate agencies have been made. The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.
- The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- The plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan.
- The plan has complied with the fidelity bonding requirements of ERISA.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
- We believe the form and content of the Schedule of Assets (Held at the End of Year) is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator
Standard Enterprises, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Standard Enterprises 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

Note 1 - Description of Plan

The following description of the Standard Enterprises, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering all full time employees of Standard Enterprises, Inc. and related companies (the Company) who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to the maximum allowed by law of their pretax annual compensation as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may make rollover contributions from other qualified Plans. The Company may discretionarily match up to 4% of the participant's annual compensation as safe-harbor contributions. The Company may also make additional profit sharing contributions at the option of the Board of Directors. Participants direct the investments of their contribution and any matching contribution into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and common and collective trusts with various underlying mutual funds as investment options.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and, (b) Plan earnings, and charged with an allocation of administrative expenses generally on a per-transaction basis. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contribution and any employer safe-harbor contribution accounts plus the earnings thereon. Generally, the Company's retirement contributions plus actual earnings thereon are vested at the rate of 20% per year of continuous service and are fully vested after six years of service, with accelerated vesting in certain circumstances.

Payment of Benefits

For termination of services due to reasons other than death, a participant may receive the value of the vested interest in his or her account as a lump-sum payment or in periodic installments of substantially equal amounts over a period between 5 and 20 years. In the event of a participant's death, the beneficiary may receive the value of the vested interest in the participant's account in a lump-sum payment or in periodic

STANDARD ENTERPRISES, INC. 401 (k) PLAN
Notes to the Financial Statements

installments of substantially equal amounts over a period elected by the beneficiary, not to exceed the beneficiary's life expectancy.

In-Service Withdrawals

Subject to certain limitations, a participant may withdraw all or part of their deferral contributions accounts and rollover accounts prior to meeting normal distribution requirements. A participant who is an employee and attained age 59½ may make withdrawals from his or her vested accounts prior to meeting normal distribution requirements. Certain qualifying hardship withdrawals may be made from the elective deferral portion of their account and vested matching and retirement contributions in accordance with the provisions of the Plan.

Forfeitures

Forfeitures can be used to pay Plan expenses and/or to reduce the employer's matching contributions. There were no forfeitures applied during the Plan year.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP generally requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at estimated fair value using the Net Asset Value Practical Expedient. See Note 4 for further information regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balance of each participant's account would become 100% vested.

STANDARD ENTERPRISES, INC. 401 (k) PLAN
Notes to the Financial Statements
December 31, 2023

Note 4 - Investments

The Plan's investments are held in a trust account by Empower Retirement LLC and consist of units of interest in common/collective trust funds and pooled separate accounts with Registered Investment Companies as underlyings. The following table presents investment information that was certified as complete and accurate by the Plan custodian.

	<u>December 31, 2023</u>

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$1,226,643.

All of the Plan's investment assets are measured using the net asset value practical expedient. Participant transactions (purchases and sales) may occur daily. The mutual funds have no unfunded commitments and are generally redeemable daily. If the Plan initiates a full redemption of the Pooled Separate Accounts, the issuer reserves the right to require twelve months notification in order to ensure the underlying securities are liquidated in an orderly business manner.

STANDARD ENTERPRISES, INC. 401 (k) PLAN
Notes to the Financial Statements
December 31, 2023

Pooled Separate Accounts: Unregistered pooled separate accounts managed by Empower Retirement LLC are divided into investment divisions called “Sub-Accounts”. Each Sub-Account invests in shares of an underlying publicly traded mutual fund; such mutual funds are deemed to be actively traded. Sub-Account values are measured in terms of ‘Accumulation Units’. The Accumulation Units of a Sub-Account are assigned a unit value on a daily basis, at the end of each day the New York Stock Exchange (NYSE) is open for trading and is valued using the underlying fund’s net asset value (NAV) as adjusted for any daily mortality and expense risk and administrative charges as applicable.

Common/Collective Trust Accounts: Common/Collective Trust accounts are valued based on the Plan’s interest, represented by investment units, in the underlying investments held within the trust that are traded in an active market by the Trustee.

Note 5 - Tax Status

On March 31, 2020, the Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The prototype Plan has been amended since receiving the determination letter, and the Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon by examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the Plan’s financial statements. The Plan is subject to certain routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 6 - Disclosures Regarding Concentrations

A certain amount of the Plan’s mutual fund assets are invested in pooled separate accounts managed by Empower Retirement LLC (Empower). Due to the nature of the investment in mutual funds, there is no guaranty or insured portion of the investment. All of the investment would be considered at risk. However, by diversification of the investment portfolio, the Plan Administrator has attempted to minimize the risk of loss the Plan would suffer due to market volatility.
