Seabrook Brothers & Sons, Inc Profit Sharing Plan
Bridgeton, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Seabrook Brothers & Sons, Inc Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Seabrook Brothers & Sons, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seabrook Brothers & Sons, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair representation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seabrook Brothers & Sons, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements

In performing an audit in accordance with generally accepted auditing standards, we.

- Exercise professional judgment and maintain professional skepticism throughout the audit:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seabrook Brothers & Sons, Inc. Profit Sharing Plan's internal control Accordingly, no such opinion is expressed
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seabrook Brothers & Sons, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets held at year end as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SEABROOK BROTHERS & SONS, INC.
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following is a general description of the Seabrook Brothers & Sons, Inc. ("Company") Profit Sharing Plan ("Plan"). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. *General*

The Plan, established September 1, 1978, is a defined contribution plan for the benefit of all eligible employees of the Company. All eligible employees can participate in the Plan on the first day of the month on or after the date the eligible employee completed at least 1,000 actual hours of service during a twelve-month computation period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA")

b *Contributions*

Participants may contribute up to 15% of their annual compensation as defined in the Plan, but are limited to the maximum dollar amount allowable under the Internal Revenue Code ("IRC"). Prior to July 1, 2014, participants were able to make voluntarily contributions up to 10% of their compensation, on an after tax basis. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions up to the maximum dollar amount allowable under the IRC. Participants may also contribute amounts representing distributions from other qualified plans Highly compensated participants as defined under the IRC may contribute up to 6 40% of their annual compensation Such limit may change from year to year.

The Company will provide each payroll period a matching contribution in an amount equal to 25% of deferral contributions. Deferral contributions over 15% of compensation are not matched. In addition, catch-up contributions are not matched. The employer also makes an annual 3% contribution to all eligible employees based on their annual eligible wages, who are employed on the last day of the Plan Year and completed at least 1,000 actual hours of service during the Plan Year. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations

c. *Participant Accounts*

Each participant's account is credited with the participant's contributions and an allocation of the Company contribution, Plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers guaranteed interest accounts and various pooled separate investment accounts with Principal Life Insurance Company and Access Funds offered through Princor Financial Services Corporation as investment options.

1. PLAN DESCRIPTION (CONTINUED)

d *Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. Participants are credited with a year of service for purposes of vesting upon completion of at least 1,000 actual hours of service during a Plan Year. A participant is 20% vested after two years, and after each succeeding year, this vesting increases by 20% in order to provide 100% vesting after six years of credited service. A participant's account is also fully vested upon reaching retirement age or upon death. In the event of disability (as defined in the Plan), normal retirement (as defined in the Plan), or death while employed, participants will become fully vested in their accounts under the Plan.

e. *Payment of Benefits*

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to his account balance, a joint survivor annuity, or certain other optional forms of payment as defined in the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Federal law may require spousal consent to receive certain forms of distribution under the Plan.

f. *Withdrawals*

Participants are eligible to request at any time up to two withdrawals from their rollover contributions during a one-year period. In addition, participants are eligible to request a withdrawal from their vested account due to financial hardship. Participants who were called to active duty for a period that exceeds 179 days may request a withdrawal of their deferral contributions during their period of active duty. Federal law may require spousal consent before a withdrawal may be taken from the Plan.

g. *Forfeited Accounts*

At December 31, 2023 and 2022, the forfeited nonvested account totaled $.30 and $1,131.97. This account may first be used to pay administrative expenses. Forfeitures not used to pay administrative expenses will be applied to reduce future employer contributions. In 2023 and 2022, employer contributions were reduced by $26,615 and $20,989 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

a. *Basis of Accounting*

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

b. *Use of Estimates*

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

c *Investment Valuation and Income Recognition*

Investments are reported at fair value Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ASU 2015-07 *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)* became effective and was adopted for the plan January 1, 2018.

d. *Concentration of Credit Risk*

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the Custodian maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

e. *Payment of Benefits*

Benefits are recorded when paid.

f. *Administrative Expenses*

The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan sponsor and include audit fees and legal fees. Investment related expenses are included in administrative expenses

g. *Subsequent Events*

The Plan has evaluated subsequent events through September 3, 2024, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022

Guaranteed Investment Contracts:

The fair value of the guaranteed investment contracts are determined by discounting the related cash flows based on current yields of similar instruments with comparable durations. (Level 3 Inputs)

Mutual Funds:

The fair value of mutual fund investments are determined by obtaining quoted prices on a nationally recognized exchange. (Level 1 Inputs)

Pooled *Separate Accounts and Common/Collective Trust*

Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

		Fair Value Measurements Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Investments measured at NAV	9,367,113			
Total Investments	$21,833,967	$12,466,852	$0	$2

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table provides further details of the Level 3 fair value measurements

Investment Category	Beginning Balance	Total Gains or (Losses)	Interest Credited	Purchases, Issuances, Settlements	Ending Balance	Unrealized Gains or Losses
December 31, 2023						
Guaranteed investment contracts	$2	$0	$0	$(2)	$0	$0
Total	$2	$0	$0	$(2)	$0	$0
December 31, 2022						
Guaranteed investment contracts	$2,762	$0	$0	($2,760)	$2	$0
Total	$2,762	$0	$0	($2,760)	$2	$0

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share.

	12/31/2023	12/31/2022
Pooled Separate Accounts (a)	$5,420,992	$7,533,806
Common/Collective Trust (b)	4,339,359	1,833,307
Total	$9,760,351	$9,367,113

a Pooled Separate Accounts:

The fair values of separate accounts are mainly invested in publicly traded stocks and bonds. The majority of the underlying securities have observable Level 1 quoted pricing inputs. While most of the underlying asset values are quoted prices, the net asset value of the separate accounts are not publicly quoted.

b. Common/Collective Trusts:

The common/collective trusts invest in collective funds as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trusts and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted. The fair value of all these investments are used in determining the net asset value (NAV) of the collective investment trusts, which are not publicly traded. The collective investment trusts can be redeemed at NAV as of the measurement date.

	Fair Value at December 31, 2023	Unfunded Commitments	Redemption Frequency (If currently Eligible)	Redemption Notice Period
Common/Collective Trusts:	$4,339,359	N/A	Daily	30 Days
Pooled Separate Accounts.	$5,420,992	N/A	Daily	30 Days

	Fair Value at December 31, 2022	Unfunded Commitments	Redemption Frequency (If currently Eligible)	Redemption Notice Period
Common/Collective Trusts:	$1,833,307	N/A	Daily	30 Days
Pooled Separate Accounts;	$7,533,806	N/A	Daily	30 Days

4. INVESTMENTS

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $3,185,146 as follows:

Common/Collective Trusts	$ 85,671
Mutual Funds	2,154,865
Principal Life Insurance Company	
Pooled Separate Investment Accounts	944,610
Guaranteed Interest Accounts	0
Total	$3,185,146

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a nonbenefit-responsive contract with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at fair value as reported to the Plan by Principal. Fair value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments in pooled separate investment accounts are shares of Principal Financial Group, Inc. common stock. Principal Financial Group, Inc. is the Plan's Custodian and, therefore, these transactions qualify as party-in-interest transactions. The fair market value of Principal common stock invested in this pooled separate account as of December 31, 2023 and 2022 is $371,201 and $398,432, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

7. PLAN TERMINATION

Although the Company expects to continue the Plan, it reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant will become 100% vested in their account.

8. INCOME TAX STATUS

In 2022, the Plan was amended and restated by the adoption of the Principal Financial Group Pre-Approved Document for Savings Plans which has a favorable opinion form the IRS dated June 30, 2020 in which the Internal Revenue Service ("IRS") stated that the form of the Plan sponsored by the Principal Life Insurance Company, was in compliance with the applicable requirements of the IRC. The Plan has been subsequently amended by the Company Group Pre-Approved Document for Savings Plans. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Company believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUMMARIZED CUSTODIAN INFORMATION (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule. Such information was prepared by Principal Life Insurance Company, the Custodian of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodian that such information is complete and accurate.
