## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of  
The Ridge Company Employees' Profit Sharing Plan  
South Bend, Indiana

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of The Ridge Company Employees' Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 (liquidation basis) and 2022 (liquidation basis), the related statement of changes in net assets available for benefits for the year ended December 31, 2023 (liquidation basis) and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the Financial Statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting**

As further discussed in Note 1 to the financial statements, the Plan was terminated on September 30, 2023 and all assets were distributed by December 31, 2023. As a result, the liquidation basis of accounting is used in presenting the financial statements. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully submitted,

Certified Public Accountants

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

### NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the The Ridge Company Employees' Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### GENERAL

The Plan is a defined contribution plan covering substantially all employees of The Ridge Company, Inc. (the "Company") who are at least age 21 and have completed 6 months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In June 2023 the Company was sold and the Plan terminated effective September 30, 2023. Contributions to the Plan were no longer permitted after June 2023 and all Plan assets were distributed to participants by December 31, 2023. Except as noted, the descriptions in Note 1 refer to provisions in place prior to the termination of the Plan.

#### CONTRIBUTIONS

Each year, participants may contribute a portion of their eligible compensation, as defined by the Plan, as pretax or Roth contributions, up to the maximum allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a target date fund until changed by the participant. The Company may make discretionary employer matching contributions. For 2023, the Company made matching contributions equal to 20% of the first 6% of participant deferrals. The Company also has the option to make a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for 2023. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

#### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions, and Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, contributions, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. The vesting schedule provides for 100% vesting of employer contributions after six years of credited service.

When the Company was sold in June 2023, all participants became fully vested in employer contributions, regardless of years of credited service.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

### NOTES RECEIVABLE FROM PARTICIPANTS

The Plan provides that participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the vested balance in the participant's account and bear interest at a rate of 2% above the prime interest rate. Principal and interest is paid ratably through payroll deductions. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

### PAYMENT OF BENEFITS

Upon termination of service a participant, or their beneficiary, is entitled to receive the vested interest in his or her account as a lump sum amount. Withdrawals may also be made when a participant attains age 59 1/2 or demonstrates financial hardship.

### FORFEITED ACCOUNTS

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$0, respectively. These accounts may be used to reduce future employer contributions or to pay plan administrative expenses. During 2023, \$4,347 in forfeitures were used to pay plan administrative expenses.

## NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The financial statements as of December 31, 2023 and 2022 and for the year ended December 31, 2023 are prepared on a liquidation basis of accounting due to the termination of the Plan. There was no material change with the adoption of the liquidation basis of accounting.

### ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

### INVESTMENT VALUATION AND INCOME RECOGNITION

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

### OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses that are charged to participant accounts include loan fees, withdrawal fees and plan administrative fees. Certain investment related expenses are included in net appreciation in fair value of investments.

### PAYMENT OF BENEFITS

Benefits are recorded when paid.

### NOTE 3 - CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and investment income and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by 1st Source Bank ("1st Source"), a qualified institution. The Plan's independent auditors did not perform auditing procedures with respect to this certified information.

### NOTE 4 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

- *Mutual funds*. Valued at the published daily net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective trusts*: Valued at the net asset value NAV of units of a bank collective trust. The NAV, as provided by the trustee of the collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments for the collective trust. Certain withdrawals, other than for benefit payments and participant transfers to noncompeting investments, require a 12 month advance notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2022.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

### Investment Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	5,188,513	0	0	5,188,513
Total assets in the fair value hierarchy	5,188,513	0	0	5,188,513
Investments measured at net asset value *	0	0	0	944,442
Total investment assets at fair value	5,188,513	0	0	6,132,955

\* Certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

### Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022:				
Collective trust fund	944,442	N/A	Daily	None

### NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity, political uncertainty, pandemic environmental risks, cybersecurity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan held notes receivable from participants, which qualify as party-in-interest transactions. The Plan is not charged for administrative services performed on its behalf by employees of the Company. Some fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. During 2023, the Plan paid administrative fees to 1st Source Bank which also qualify as party-in-interest transactions.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

### NOTE 7 - TAX STATUS

The Plan uses a defined contribution prototype plan document sponsored by 1st Source. 1st Source received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that the defined contribution prototype plan document, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 8 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through the date the financial statements were available to be issued, no events or transactions occurred through July 30, 2024 requiring recognition or disclosure in the financial statements.
