S. R. Snodgrass, P.C. Employee 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the S. R. Snodgrass, P.C. Employee 401(k) Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan

S. R. Snodgrass, P.C. (Company) established the S. R. Snodgrass, P.C. Employee 401(k) Retirement Savings Plan (Plan) as of February 25, 1991. The Plan was established for the purpose of providing retirement, death, and disability benefits to the employees of the Company. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect the Company as a whole.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company, excluding employees who are classified as a seasonal employee, who is credited with 1,000 hours of service in an eligibility computation period. An employee becomes eligible to participate in the Plan on the first day of the month following their employment date and attainment of age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

The Plan allows participants to make voluntary contributions to the Plan, by entering into a salary reduction agreement with the Company. Participants can contribute up to 75 percent of eligible compensation as defined by the Plan, or as otherwise limited by the Internal Revenue Code. The Plan also allows employees the opportunity for separate elections to defer up to 100 percent of any bonus.

The employer match is calculated as 100 percent of the first three percent of the participants' elected deferral contributions and 50 percent of the next two percent of the participants' elected deferral contributions.

S. R. SNODGRASS, P.C.
EMPLOYEE 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2023 AND 2022

Participant Accounts

In accordance with the terms of the Plan, the account of each participant is maintained at fair market value. Each participant's account consists of the contribution made on their behalf by the Company, their employee elective deferral contributions, their employee rollover contributions, their share of administrative expense, and the participant's share of investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants in the Plan are 100 percent vested at all times in their participant contributions, rollover accounts, and employer contributions, as well as related earnings. They are entitled to the vested portion of their entire account balance if their participation ceases for any reason whatsoever.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance and may only have one loan outstanding at any time. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The interest rate on the existing loans ranged between 4.25% - 9.50% during 2023 and 4.25% - 7.25% during 2022. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Benefits are paid upon written request and are recorded when paid to the participant, a beneficiary, or a designated rollover account.

Upon termination of service, participants whose vested account balance does not exceed \$1,000 will receive either a lump-sum or rollover distribution in the amount equal to the value of their account.

EMPLOYEE 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2023 AND 2022

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into any of the choices provided under the Plan as listed on the supplemental schedule. These are determined by the Board of Trustees and participants may change their investment options daily. However, as of June 2011, the Plan no longer permits new investments in self-directed brokerage accounts. All existing investments in these accounts have been grandfathered into the Plan.

Mergers and Acquisitions

On January 1, 2023, the Company acquired Zeno, Pockl, Lilly, & Copeland, A.C. (ZPLC). The Company's Board of Trustees approved the merger of the Zeno Pockl Lilly and Copeland AC 401(k) Profit Sharing Plan and Trust with and into the Plan and transfer of all associated Plan assets. As a result, any ZPLC employees deemed eligible were enrolled in the Plan after the acquisition. As of December 31, 2023, \$4,202,014 of investment assets of the ZPLC plan were reported as transfers into the Company's Plan. Transferred assets consist of participant directed investments at fair value. There were no receivables or liabilities transferred from the ZLPC plan as a part of the merger.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds, self-directed brokerage accounts, and money market accounts, as of December 31, 2023 and 2022, are valued at fair value. Fair value for the mutual funds, self-directed brokerage accounts, and money market accounts is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The composition of self-directed brokerage accounts is discussed in Note 3.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2023 and 2022.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Asset based fees for inactive participants are deducted directly from the inactive participants' individual accounts. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Fair Value Measurement

Fair values of assets measured on a recurring basis are as follows:

Description	Fair Value Measurements as of December 31, 2023			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Money market funds	\$ 1,225,419	\$ -	\$ -	\$ 1,225,419
Mutual funds	18,685,744	-	-	18,685,744
Self-directed brokerage accounts	20,535	-	-	20,535
Investments at fair value	<u>\$ 19,931,698</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,931,698</u>

Description	Fair Value Measurements as of December 31, 2022			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Money market funds	\$ 445,883	\$ -	\$ -	\$ 445,883
Mutual funds	12,756,797	-	-	12,756,797
Self-directed brokerage accounts	7,761	-	-	7,761
Investments at fair value	<u>\$ 13,210,441</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,210,441</u>

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2023 AND 2022

The following is a description of the valuation methodologies used for assets measured at fair value:

Money Market and Mutual Funds– Valued at the closing price reported on the active market on which the individual securities are traded.

Self-directed Brokerage Accounts – Accounts primarily consist of common stocks and money market accounts that are valued on the basis of readily determinable market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan, reduce or cease contributions, or to amend the Plan at any time and in any respect. In the event of Plan termination, participants would remain 100 percent vested in their account balance.

5. Income Tax Status

The Internal Revenue Service has determined and informed the plan administrator that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) by letter dated June 30, 2020. The letter states that the prototype and related trust are designed in accordance with applicable sections of the IRC. Although the prototype plan has been amended since receiving the opinion letter, the prototype sponsor and the plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. In addition, the Plan annually files a Form 5500.

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2023 AND 2022

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

6. Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net (depreciation) appreciation in fair value of investments and dividends and interest for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

7. Related-Party and Party-In-Interest Transactions

Recordkeeping and administrative services for the Plan are performed by Stancorp Financial Services (The Standard). Custodial services are performed by Reliance Trust Company. As transaction fees and other fees are paid to these entities, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to The Standard for the years ended December 31, 2023 and 2022 were \$14,568 and \$23,666, respectively.

The Standard receives revenue from service providers for services The Standard provides to the funds. The revenue generated by the Plan is used to revenue share as described below or to offset certain amounts owed to The Standard for its administrative services to the Plan. If the revenue received by The Standard exceeds the amount owed under the Plan, The Standard remits the excess to the Plan on a quarterly basis. The Plan or Plan Sponsor may make a payment to The Standard for administrative services not covered by revenue sharing.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
