INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Forward Financing LLC Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Forward Financing LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of the Plan

The following description of the Forward Financing LLC Retirement Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualified under Section 401(a) of the Internal Revenue Code (IRC or Code) which is a deferred arrangement qualified under Section 401(k) of the Code. Pursuant to the requirements of Section 401(a) 27 of the Code, the Plan is also a profit-sharing plan. The Plan covers all eligible employees of FF Holdings and Subsidiaries (FF Holdings LLC, Forward Financing LLC, ForFinDR SRL, and FF Intermediate Holdings, Inc. and Alcazar Capital LLC, collectively referred to as the Company or Employer), who elect to contribute to the Plan and meet the eligibility requirements of the Plan. The Plan initially became effective on January 1, 2015, for the purpose of providing benefits to participants upon retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act 1974 (ERISA) and contains a cash or deferred arrangement under Section 401(k) of the IRC.

The Company is also the Plan Administrator. As Plan Administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) and certain officers of the Company serve as trustees to the Plan.

Eligibility

For the purposes of eligibility to make elective deferral contributions, there are no minimum service requirements for employees. For employees to become eligible to receive profit-sharing contributions, completion of one year of service is required, as defined by the Plan. Employees are eligible to participate in the Plan to make elective deferral contributions upon their hire date and/or at any day during the Plan year. They are eligible to receive Employer contributions on the first day of the month following the date that the employee began participating. The Plan includes an automatic enrollment provision whereby eligible employees are automatically enrolled into the Plan unless they opt out.

Contributions

Participants may elect to contribute a percentage of their annual compensation to the Plan, up to 100% of eligible compensation and subject to certain limitations as allowable under Section 401(k) of the IRC. These contributions, and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans.

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

The Employer will make safe harbor matching contributions that are equal to 100% of a participant's elective contribution up to a maximum of 3% of their compensation and 50% of the elective contribution made for the participant's benefit on the next 2% of their compensation. For the year ended December 31, 2023, a true-up of approximately \$104,500 was required. The Plan provides for discretionary matching and discretionary profit-sharing contributions from the Company. The Employer may also make qualified non-elective contributions (QNECs).

The Employer made a discretionary profit-sharing contribution of approximately \$378,800 for the year ended December 31, 2023. There was no discretionary matching contributions made for the year ended December 31, 2023. All contributions to a participant's account are allocated among the various investments based on each participant's elections.

The Plan also allows Roth 401(k) contributions through either participant deferrals from gross income or rollover of designated Roth contributions.

The Plan includes an automatic pre-tax deferral contribution of 3% with automatic annual increases of 1% for all contributing employees until a deferral rate of 6% is reached.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's safe harbor and discretionary matching contributions and allocations of the Company's discretionary profit-sharing contribution, if applicable, and Plan earnings/losses. Plan earnings/losses and administrative revenue (expenses) are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's safe harbor match contribution portion of the participant accounts is based on years of service in accordance with the following schedule.

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Fewer than 1	0%
1 but fewer than 2	50%
2 or more	100%

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

Vesting in the Company's discretionary matching and discretionary profit-sharing contribution portion of the participant accounts is based on years of service in accordance with the following schedule.

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Fewer than 2	0%

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest on note payments are recorded as contributions to the account from which the note was borrowed. Notes are repayable over a period of up to five years, unless used for the purchase of a primary residence.

The notes bear interest at rates commensurate with local prevailing rates, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon retirement from service, total and permanent disability, termination of employment or death, participants will receive the value of their account balance in a lump-sum distribution, in accordance with the provisions of the Plan. If a participant reaches age 59½, the participant may elect to receive all or a portion of his or her pre-tax contributions account.

In the event of death, benefits are payable to the participant's surviving spouse or designated beneficiary. At any time, a participant may also elect to receive all or a portion of his or her rollover contributions. Terminated participants with vested account balances greater than \$5,000 may maintain their account in the Plan or receive a lump-sum distribution; vested balances equal to or less than \$5,000 will be immediately cashed out. Hardship withdrawals from the Plan are permitted, subject to the limitations imposed by the IRC.

Forfeitures

Any balance in the Employer contribution account of a participant who has separated from service, to which he or she is not entitled, shall be administered by the trustee and subsequently used to pay administrative expenses or for additional Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$76,631 and \$13,778, respectively. Forfeitures were used to reduce administrative expenses in the amount of \$3,146 for the year ended December 31, 2023. Forfeitures were used for Employer contributions in the amount of \$14,696 for the year ended December 31, 2023.

Plan Termination

The Company expects to continue the Plan indefinitely. However, the Company reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Contributions

Participant and Employer safe harbor matching contributions are recorded weekly when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary matching and discretionary profit-sharing contributions are recorded at the end of the year, if applicable.

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Revenue (Expenses)

Certain administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses.

Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statement of Changes in Net Assets Available for Plan Benefits. Administrative revenues arise when investment managers return a portion of the investment fees to the recordkeeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. There were no unallocated administrative revenues held by the Plan at December 31, 2023 and 2022.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest risk, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in three mutual funds that accounted for approximately 47% and 41% of total Plan investments as of December 31, 2023 and 2022, respectively.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Subsequent Events

Management has evaluated subsequent events through September 12, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued using NAV provided by the administrator of the fund based on the valuation of the underlying investments. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts have a daily redemption frequency and no redemption notice period.

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

As of December 31, 2023 and 2022, the Plan's investments in mutual funds are reported at level 1 within the fair value hierarchy.

	2023	2022
Mutual funds at fair value	\$ 11,696,261	\$ 7,548,293
Pooled separate accounts at NAV (a)	<u>1,053,861</u>	<u>659,027</u>
Investments at fair value	<u>\$ 12,750,122</u>	<u>\$ 8,207,320</u>

(a) In accordance with Subtopic 820-10, the pooled separate accounts were measured at NAV per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

4. Summary of Financial Data Certified by the Trustee

The following is a summary of financial information and data certified by the trustee, Principal:

Statements of Net Assets Available for Plan Benefits, at December 31, 2023 and 2022, except for contributions receivable;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and;

Investment information provided on the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2023.

5. Income Tax Status

The Plan is operating under a non-standardized pre-approved profit-sharing plan document designed and sponsored by MandMarblestone PC (MMPC). MMPC has obtained an advisory letter dated June 30, 2020 stating that the form of the Plan is acceptable under Section 401 of the IRC. Generally, the Plan Administrator and the Plan may rely on the advisory letter received by MMPC as to the form of the Plan qualifying under the IRC. The Plan has been amended since the letter was obtained. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

FORWARD FINANCING LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items and the inclusion of receivables in the accrual basis financial statements. Total Plan assets, exclusive of contributions receivable, are in agreement.

7. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held and managed by Principal, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Principal for administrative services totaling approximately \$41,200 for the year ended December 31, 2023. The Plan also made direct payments to its third-party administrator, MMPC, of approximately \$6,600 for the year ended December 31, 2023. Participant notes receivable also qualify as party-in-interest transactions.

MMPC provides certain administrative services to the Plan pursuant to a MMPC Retirement Plan Service Agreement (MRPSA) between the Company and MMPC. MMPC receives revenue from Principal's mutual fund service providers for services Principal provides to the funds. This revenue is used to offset certain amounts owed to MMPC for its administrative services to the Plan. The amount used to offset administrative services to the Plan during the year ended December 31, 2023 was approximately \$4,600.
