Independent Auditor's Report

Plan Administrator
Contract Professionals, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Contract Professionals, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- » the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- » the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- » Exercise professional judgment and maintain professional skepticism throughout the audit.
- » Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- » Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- » Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- » Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, as identified in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- » the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- » the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of Contract Professionals, Inc. 401(k) Retirement Savings Plan were audited by predecessor auditors whose report dated September 15, 2022, expressed an opinion in accordance with ERISA Section 103(a)(C) that:

- » The amounts and disclosures in the financial statements, other than those agreed to or derived from the certificated investment information, are presented fairly in all material aspects, in accordance with accounting principles generally accepted in the United States of America.
- » The information in the financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the info prepared and certified by an institution that management determined meets the requirements of an ERISA Section 103(a)(3)(C).

Contract Professionals, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Note A: Plan Description

The following description of the Contract Professionals, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all domestic, non-union employees of Contract Professionals, Inc. (the "Company" and "Plan Sponsor"). The Plan contains a 401(k) elective deferral arrangement which covers all employees of the Company meeting the eligibility requirements, as discussed below. The Plan is subject to the Department of Labor's ("DOL") Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Plan Sponsor is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility

Except for union employees, any employee who has completed three months of service and has reached the age of 21 is eligible to participate in the Plan. Upon meeting these requirements, a participant is eligible to make elective deferral contributions. Except for highly compensated employees, non-administrative staff, and union employees, any employee who has met the above requirements may receive employer matching contributions. Participants may enter the Plan on the first day of the month coinciding with or following the date the eligibility requirements are met. The Plan includes an auto-enrollment provision whereby newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a preselected fund based on their date of birth, until changed by the participant.

Contributions

Contributions to participant accounts are made by employees through tax-deferred and post-tax salary deductions and by the Company through their earnings. Participants may voluntarily contribute up to 90% of their eligible compensation to the Plan, not to exceed the maximum contribution allowed by the Internal Revenue Code ("IRC"). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as defined by the IRC. Participants may elect to change fund elections and transfer investment balances between funds on a daily basis and change contribution percentages each payroll period. Employees may directly "roll over" their assets from a qualified plan and transfer the assets into their Plan account.

The Company may provide annual discretionary contributions equal to a percentage of the participant's elective deferral determined by the board of directors, not to exceed \$1,000. There were no employer discretionary contributions during the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's matching contributions, and an allocation of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of administrative expenses are based on specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contract Professionals, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Note A: Plan Description

Vesting

Participant contributions and earnings thereon are 100% vested at the date of contribution. Upon death or disability, participants (or their beneficiaries) are entitled to receive the vested balance in their account. A participant is 100% vested in Company's matching contributions and earnings after five years of credited service or upon other conditions as defined in the Plan Document.

Forfeitures

Forfeitures are used to offset future employer contributions and Plan administrative costs. At December 31, 2022 and 2021, the balance in forfeited non-vested accounts totaled approximately \$12,000.

Notes Receivable from Participants

Participants may borrow from the Plan a minimum of \$1,000, up to the lesser of one-half of the total vested account balance, or \$50,000, reduced by the highest loan balance outstanding during the prior 12 months. The loans are secured by the balance in the Participant's account and a Participant may only have one loan outstanding at a time. Loans bear interest at the prime rate plus 1.00%. Principal and interest payments are made through payroll deductions over a term not to exceed five years, except for home purchase loans, which must be paid over a term not to exceed thirty years.

Distributions and Withdrawals

Distributions are allowed upon retirement, attainment of age 59½, disability, death, or termination of employment. Participants or their beneficiaries may receive a lump-sum distribution equal to the value of their vested interest in the account or installment payments as requested by the participant, subject to minimum distribution requirements by the IRC. A participant no longer employed by the Company may be subject to various force-out provisions depending on the participant's account balance upon the date of valuation after termination.

Note B: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures presented in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Plan Sponsor determines the Plan's valuation policies utilizing information provided by the Plan Trustee. See Note D for fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract Professionals, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Note B: Summary of Significant Accounting Policies

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements as described in Note E. Fees related to the administration of notes receivable from participants and termination maintenance are charged directly to the participant's account and are included in administrative expenses. Administrative expenses also include trustee, record keeping and professional fees. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Note C: Certification of Information

Reliance Trust Company, the Plan's trustee, holds the Plan's investments and executes investment transactions. Reliance Trust Company has certified that investment balances, notes receivable from participants, investment income (loss) and interest income on notes receivable from participants that have been included in the accompanying financial statements, as well as the supplemental schedule, are complete and accurate, as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

Note D: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly or indirectly, as such:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted prices that are observable for the asset or liability,
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Contract Professionals, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Note D: Fair Value Measurements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment funds: Valued at the NAV of units in a bank or insurance company collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The use of NAV as fair value is deemed appropriate as the collective investment funds do not have a finite life, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,317,615	\$ -	\$ -	\$ 3,317,615
Total assets in the fair value hierarchy	3,317,615	-	-	3,317,615
Investments measured at net asset value	-	-	-	1,079,054
	<u>\$ 3,317,615</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,396,669</u>

Investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,184,191	\$ -	\$ -	\$ 4,184,191

Contract Professionals, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Note E: Party-in-Interest Transactions

Certain expenses, including salaries and services required for Internal Revenue Service ("IRS") reporting related to the administration of the Plan are paid by the Company, as described in Note B. The Company sponsors the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain Plan investments are shares of mutual funds and collective investment funds managed by the Trustee and other shares of mutual funds managed by the investment advisor; therefore, these qualify as party-in-interest transactions.

Note F: Plan Termination

The Company may, by action of its Board of Directors, amend the Plan, discontinue its contributions, or terminate the Plan, subject to the provisions of ERISA, although its expectation is to continue the Plan as a permanent program. If the Plan was terminated, participants would be 100% vested in their accounts and the assets of the Plan would be distributed among participants according to their respective account balances.

Note G: Income Tax Status

The Company adopted a prototype plan, which received a favorable opinion letter from the IRS stating that the Plan is designed in accordance with the applicable sections of the IRC and is qualified for federal income tax exempt status. This Plan has not individually sought its own determination letter.

Note H: Risks and Uncertainties

The Plan provides for investment in various securities. The investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note I: Subsequent Events

The financial statements were approved and authorized for issue by management on October 10, 2023. All events and transactions through October 10, 2023 were evaluated by management for potential recognition and disclosure in the financial statements.
