## **INDEPENDENT AUDITOR'S REPORT**

**To the Plan Administrators, Trustees and Participants of  
the Retirement Plan for Employees of  
Deyá Elevator Service, Inc.**

### **Opinion on the Financial Statements**

We have audited the financial statements of the **RETIREMENT PLAN FOR EMPLOYEES OF DEYÁ ELEVATOR SERVICE, INC.** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years ended December 31, 2023 and 2022, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally acceptable in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we are required to:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters – Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of delinquent participant contributions is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**RETIREMENT PLAN FOR EMPLOYEES OF  
DEYÁ ELEVATOR SERVICE, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

**Note 1:      Description of Plan:**

The following description of the Deyá Elevator Service, Inc. Retirement Plan for Employees provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions. The plan became effective January 1, 1999 and has ever since been a qualified plan under section 1081.01(E) of the 2011 Puerto Rico Internal Revenue Code, as amended, formerly identified as section 1165(E) of the 1994 Puerto Rico Internal Revenue Code.

**(a) General**

The plan is a defined contribution plan covering all full-time employees of the company who have one year of service (1,000 hours) and are age twenty-one or older. Union employees and non-resident aliens are excluded from participating in the plan. The plan is subject to the provisions of ERISA.

**(b) Contributions**

Each year, participants may contribute a minimum of 1% up to a maximum of 10% of pre-tax annual income or \$15,000, whichever is lower, as defined in the plan. Participants may also make voluntary after-tax contributions from a minimum of 1% up to a maximum of 10% of annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds and common collective trusts as investment options for participants. The Company makes monthly discretionary contributions based on profit sharing amounts and matching contributions. Company discretionary contributions are made at the option of the Company's Board of Directors.

**(c) Participant accounts**

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

**Note 1:      Description of Plan, cont.:**

(d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution and profit-sharing portion of their accounts is based on years of continuous service. A participant is 100% vested on Company contributions and earnings after 3 years of continuous service. In the case of early or normal retirement, disability, death, plan termination or discontinuation of Company contributions, the employee will be 100% vested, irrespective of year of service.

(e) Participant loans and withdrawals

Effective November 1, 2013, participant loans are permitted under the plan. Participants may submit loan applications to the Plan Administrator with the restriction that they can only have one loan outstanding at any time. Loans must be made for a minimum of \$1,000 and may not exceed \$50,000 or 50% of the participant's vested account balance, whichever is lower. Interest on loan balances is charged at the Prime Rate plus 1%. The maximum loan term is 5 years except when loans are used for the acquisition of a principal residence, in which case the maximum loan term is 25 years. No restrictions are placed on the use of loan proceeds. As of December 31, 2023 and 2022, outstanding loan balances amounted to \$ 85,175 and \$ 108,400, respectively.

Withdrawals are permitted only if the participant meets the extreme hardship provisions established by the plan.

(f) Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or on installments at a schedule selected by the participant no later than 60 days after the end of the plan year in which the participant is eligible to receive benefits. The normal retirement age for the plan is 65 years of age with an allowed early retirement age of 60 years.

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

**Note 1:      Description of Plan, cont.:**

(g) Forfeited accounts

Forfeitures of terminated employees' non-vested account balances are applied as a reduction of employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$ 379 and \$ 635, respectively.

**Note 2:      Summary of accounting policies:**

(a) Basis of accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair-value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully-benefit responsive investment contracts. As of December 31, 2023 and 2022 the plan held no investment contracts.

(b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

**Note 2:      Summary of accounting policies, cont.:**

(c) Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

FASB ASC 820 provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements) and the lowest priority to unobservable inputs (Level III measurements). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investment contracts, if any, are valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Mutual funds held by the plan are valued at quoted prices in an active market and common collective trust fund units are valued at the net asset value (NAV) of shares held by the plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(d) Payment of benefits

Benefit payments are recorded when paid.

(e) Operating expenses

All expenses of maintaining the plan are paid by participants.

(f) Subsequent events

The plan has evaluated subsequent events through August 28, 2024, the date the financial statements were available to be issued.

**RETIREMENT PLAN FOR EMPLOYEES OF  
DEYÁ ELEVATOR SERVICE, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

**Note 3:      Investments, cont.:**

During the years ended December 31, 2023, and 2022, the plan's investments in registered investment companies and common collective trusts (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$ 304,926 and (\$ 428,685), respectively. Plan investments, except common collective trusts, participant loans and any investment contracts with insurance companies, as of December 31, 2023 and 2022 were classified as Level I for purposes of measuring fair value.

**Note 4:      Delinquent participant contributions:**

The Company is required to remit employee contributions to the Plan at the earliest date that such amounts are able to be reasonably segregated from the Company's general assets within a reasonable period of time, which management has set at 15 days. During the plan years ended December 31, 2023 and 2022, all employee withholdings were remitted within a reasonable period, significantly lower than 15 days; namely, at the earliest date that the funds were reasonably segregated. Therefore, no transactions are regarded as prohibited transactions by or in violation of ERISA rules.

**Note 5:      Administrative expenses:**

Administrative expenses are comprised of asset management fees imposed by investment companies, investment advisory fees and investment contract administrator fees. As of December 31, 2023 and 2022, administrative expenses amounted to \$ 37,992 and \$ 35,214, respectively.

**Note 6:      Risks and uncertainties:**

The plan invests its assets in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the financial statements.
