Report of Independent Certified Public Accountants

To the Participants and Plan Administrator,
Kūki'o Golf and Beach Club 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Kūki'o Golf and Beach Club 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2023, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Fidelity Management Trust Company ("Fidelity"), the Trustee of the Plan, as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Notes 3, 4, and 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the 2023 financial statements referred to above related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2023 Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at end of Year)*, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by Fidelity. Their report dated August 25, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with U.S. GAAP, and (b) the information in the 2022 financial statements related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kūki'o Golf and Beach Club 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

Kūki'o Golf and Beach Club, Inc. (the "Company" or the "Plan Sponsor") established the Kūki'o Golf and Beach Club 401(k) Plan (the "Plan") on January 1, 2003, to promote in its employees the strongest interest in the successful operation of the business and loyalty to the Company, to increase efficiency in their work, and to provide them with retirement benefits. The following is a description of the Plan that provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Company who are at least 18 years of age and have completed 3 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 90% of their eligible compensation or \$22,500 and \$20,500 for the calendar years ended December 31, 2023 and 2022, respectively, adjusted annually for the cost of living, plus an additional \$7,500 and \$6,500 for employees age 50 and over for the calendar years ended December 31, 2023 and 2022, respectively. Such contributions are non-forfeitable and are credited to the individual account of the participant. Excess contributions are refunded in accordance with provisions of the Internal Revenue Code ("IRC"). During the year ended December 31, 2023, the Company contributed 50% of the first 6% of eligible compensation that a participant contributes to the Plan.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies as investment options for participants. The Company's contributions are determined annually at the discretion of the Company's Board of Directors.

Additional discretionary amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments as directed by the participants. During the years ended December 31, 2023 and 2022, no discretionary contribution was made by the Company. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions; plus, an allocation of administrative expenses. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Employer matching contributions vest 25% for each year of service and are 100% vested after four years of continuous service. The employees' salary deferral and rollover accounts are always 100% vested.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Participant loans

Participants may borrow from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance or the amount limited under the IRC. Loans may be paid over a maximum of five years. In cases where loans are used to acquire principal residences, the maturity may exceed five years but not no more than 10 years.

Payment of benefits

The full amount in each participant's account is payable upon severance, normal retirement, disability, death, termination of employment, or termination of the Plan by the Company. Participants may elect to receive the vested value of their accounts in installments and may elect to receive lump sum distributions after receiving installment distributions. Participants may withdraw all or a portion of their deferral contributions upon a showing of financial hardship and compliance with other restrictions in the Plan.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the non-vested portion of the participant's account balance. Forfeitures are used to pay plan administrative expenses and reduce future Company contributions. As of December 31, 2023 and 2022, there were \$812 and \$8,489, respectively, in forfeitures. During the year ended December 31, 2023, forfeitures in the amount of \$1,199 were used to pay plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies, consistently applied in the preparation of the accompanying financial statements follows.

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements during the reporting period. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Managed income portfolio

The Plan holds an investment in The Fidelity Managed Income Portfolio ("MIP"), which is a common collective trust that invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions ("Contracts"), fixed income securities, and money market funds. Under the terms of the Contracts, the assets of the fund are invested in fixed income securities (which may include, but are not limited to, U.S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and collective investment vehicles and shares of investment companies that invest primarily in fixed income securities) and shares of money market funds. The fund may also invest in future contracts, option contracts, and swap agreements.

The Plan's investment in MIP is presented at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by Fidelity Management Trust Company ("Fidelity"), is based on the fair value of the underlying investments held by MIP less its liabilities. As an investment option in the Plan, there are no restrictions on redemptions for this fund and there are no unfunded commitments related to this investment.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent participant loans are deemed distributed if there is a failure to make regular loan repayments for more than one quarter in accordance with the IRC.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits are recorded when paid.

Administration expenses

The Plan is sponsored and administered by the Company. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. All administrative expenses are the responsibility of the Plan; however, the Company at its discretion may pay such expenses. On December 31, 2023 and 2022, investments are in the custody of Fidelity, which also provides recordkeeping services to the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related investment activity reflected in the accompanying Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023.

NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2023 and 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited)

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Registered investment companies consist of mutual funds. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities are classified as Level 1.

Common collective trusts: The common collective trusts are valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited, continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Measured at NAV	Total
Registered investment companies	\$ 15,097,332	\$ -	\$ -	\$ -	\$ 15,097,332
Total investments in fair value hierarchy	15,097,332	-	-	-	15,097,332
Common collective trusts	-	-	-	742,326	742,326
Total investments at fair value	<u>\$ 15,097,332</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 742,326</u>	<u>\$ 15,839,658</u>

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Measured at NAV	Total
Registered investment companies	\$ 11,891,586	\$ -	\$ -	\$ -	\$ 11,891,586
Total investments in fair value hierarchy	11,891,586	-	-	-	11,891,586
Common collective trusts	-	-	-	634,582	634,582
Total investments at fair value	<u>\$ 11,891,586</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 634,582</u>	<u>\$ 12,526,168</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds managed by Fidelity, the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were \$6,579 and \$7,170 for the years ended December 31, 2023 and 2022, respectively.

As described in Note 1, the Plan made a direct payment to the investment advisors of \$13,497 and \$13,395 for the years ended December 31, 2023 and 2022, respectively. The Plan Sponsor pays any other fees related to the Plan's operations.

NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2023 and 2022

NOTE 6 – PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan (“full termination”) subject to the provisions of ERISA. In the event of full termination, termination with respect to a group or class of participants (“partial plan termination”) or a partial discontinuance of contributions, the unvested portion of Company contributions for participants subject to such full termination, partial termination, or partial discontinuance will become fully vested and non-forfeitable.

NOTE 7 – TAX STATUS

The Plan Sponsor is an adopter of a pre-approved plan that received a favorable Internal Revenue Service (“IRS”) Opinion Letter dated June 30, 2020. Although the plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan’s policy to recognize interest accrued related to underpayment of income taxes in interest expense and penalties in administrative expenses. The Plan has no uncertain tax positions as of December 31, 2023 and 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2023, financial statements for subsequent events through September 13, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require additional recognition or disclosure in the financial statements.
