Independent Auditor's Report

To the Plan Administrator
Frank Liquor Company, Inc. 401(k) Plan
Middleton, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Frank Liquor Company, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Plan Description

The following description of the Frank Liquor Company, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all full-time or otherwise eligible employees of Frank Liquor Company, Inc. and Subsidiaries (the Employer). The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

Trustee and Administration of the Plan

The trustee and recordkeeper of the Plan is Fidelity Management Trust Company (the Trustee). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

An eligible employee is defined as any employee of the Company who is not a leased employee, a nonresident alien with no income from United States source, and an employee classified by the Company as a seasonal or limited term employee.

Contributions

Each year participants may contribute pre-tax deferrals or Roth deferrals or a combination of both, up to 60% of their compensation, not to exceed certain limits, as defined in the Plan document. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all participants 18 years of age or older are automatically enrolled in the Plan immediately, with no minimum years or hours of service requirement, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of compensation as defined in the Plan Document. The Plan includes automatic annual increases of 1% up to a maximum deferral rate of 10%, unless the participant opts out of automatic increases. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans recorded as rollovers on the statement of changes in net assets available for benefits.

The Employer, as determined by the Board of Directors, may make a discretionary matching contribution in an amount equal to that percentage of each participant's elective deferral as determined by the Employer. In 2023, the Employer contributed 50% of participant contributions, up to 6% of each participant's eligible compensation, as defined in the Plan Document. In addition, the Employer, as determined by the Board of Directors, may make discretionary profit sharing contributions to the Plan. No discretionary profit sharing contributions were made in 2023. Contributions are subject to Internal Revenue Service (IRS) limitations.

Frank Liquor Company, Inc. 401(k) Plan

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer matching contributions and allocations of (a) the Employer's discretionary profit sharing contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions, plus actual earnings thereon. Vesting in the discretionary Employer matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on period of continuous service. Employees are 20% vested after two years, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six years. Participants become fully vested in the event of retirement, death, and disability as defined by the plan. A participant is credited with a year of service for each year in which the participant completes 1,000 hours of service.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their account balances into a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one note outstanding at a time. Notes receivable are secured by the vested balance in the participant's account and bear interest at a rate of 4.25% - 9.50%. The length of the note will not exceed five years, except for the purchase of a primary residence, which will not exceed ten years. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

Payments of Benefits

On termination of service due to retirement or disability, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account balance, or equal installments over a period of time which cannot exceed the normal life expectancy of the participant. Upon death of a participant prior to the commencement of distribution of any benefit under the Plan, or prior to the complete distributions of his or her account balance, his or her surviving beneficiary shall be entitled to a death benefit equal to the sum of such participant's accounts as of the date of his or her death. A beneficiary may elect to receive either a lump-sum amount equal to the value of the vested account balance, or equal installments over a period of time which cannot exceed the normal life expectancy of the beneficiary. On termination of service for reasons other than retirement, participants can elect to receive their entire vested balance upon leaving the Company.

Frank Liquor Company, Inc. 401(k) Plan

Notes to Financial Statements

Participants with account balances less than \$1,000 will have their entire vested balance automatically distributed upon termination. In-service distributions are available from any vested type of contribution to participants attaining the normal retirement age who continue to work for the employer. In-service distributions are also available to participants electing a hardship distribution from their salary deferral account. As of December 31, 2023 and 2022, there were no distributions requested but not yet distributed.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited accounts totaled approximately \$46,280 and \$9,500, respectively. These can be used to pay administrative expenses or reduce future employer contributions. During 2023, \$77,778 of forfeitures were applied or used to reduce employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), except for benefit payments, which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain

Frank Liquor Company, Inc. 401(k) Plan

Notes to Financial Statements

investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net asset available for benefits. As of December 31, 2023, approximately 20% of the Plan's assets were invested in flexPATH Moderate 2035 Fund, 16% of the Plan's assets were invested in flexPATH Moderate 2045 Fund, 14% of the Plan's assets were invested in flexPATH Moderate 2055 Fund and 12% of the Plan's assets were invested in flexPATH Moderate 2025 Fund. As of December 31, 2022, approximately 21% of the Plan's assets were invested in flexPATH Moderate 2035 Fund, 15% of the Plan's assets were invested in flexPATH Moderate 2025 Fund, 14% of the Plan's assets were invested in flexPATH Moderate 2045 Fund and 12% of the Plan's assets were invested in flexPATH Moderate 2055 Fund.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses are paid by the Employer on behalf of the Plan and are excluded from these financial statements.

3. Information Certified and Provided by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution and the trustee, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

<i>December 31,</i>	2023	2022
Mutual funds, at fair value	\$ 20,232,644	\$ 18,868,918
Common collective trust funds	55,884,248	47,988,726
Notes receivable from participants	886,257	667,002
<i>Year ended December 31, 2023</i>		
Net appreciation in fair value of investments		\$ 11,335,469
Interest and dividends		400,660
Interest income on notes receivables from participants		48,433

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related amounts included in the financial statements and ERISA-required supplemental schedule.

Frank Liquor Company, Inc. 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Quoted prices in markets that are not considered to be active, or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 - Prices or values that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2023 and 2022.

Common Collective Trust Funds

Common collective trust funds are valued based on the NAV of units of the common and collective trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2023 and 2022.

<i>December 31, 2023</i>	Fair Value Measurements				Total
	Level 1	Level 2	Level 3		
Mutual funds	\$20,232,644	\$ -	\$ -		\$20,232,644

Total investments at net asset value*					47,988,726
Investments, at Fair Value	\$ 18,868,918	\$ -	\$ -		\$ 66,857,644

* The investment in the common collective trust funds are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

At December 31, 2023 and 2022, investments in certain entities calculate the net asset value per share as the investment's fair value measurement. The following tables provide an overview, by major category, of the nature and risks associated with such investments, as well as whether it's probable those investments will be sold at amounts different from their reported net asset value per share based on redemption restrictions, if any.

5. Party-in-Interest Transactions

The trustee performs administrative and recordkeeping services for the Plan. Fidelity Management Trust Company is the current trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid to the trustee or its affiliates were \$90,291 in 2023. Participant loan and distribution processing fees are paid to Fidelity by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts.

Certain accounting and administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. In addition, the Employer pays certain administrative expenses of the Plan.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested and non-forfeitable.

Frank Liquor Company, Inc. 401(k) Plan

Notes to Financial Statements

7. Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter, dated June 30, 2020 that the Plan is qualified and the related trust established under the Plan is tax-exempt under the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. Subsequent Events

The Plan has evaluated subsequent events through July 18, 2024, the date on which the financial statements were available to be issued.
