INDEPENDENT AUDITOR'S REPORT

Partners in Development Foundation 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Partners in Development Foundation 403(b) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B to the financial statements.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B to the financial statements, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but, is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS**

For the Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The Partners in Development Foundation 403(b) Plan (Plan) was established by Partners in Development Foundation (Foundation) on June 1, 2002, and amended and restated as of November 1, 2019. The following is a description of the Plan that provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan is an Internal Revenue Code (IRC) Section 403(b) defined contribution plan covering all employees (except non-resident aliens) of the Foundation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees become eligible for participation in the Plan on the first day of the month that coincides with or immediately follows, the date of employment with the Foundation. The Plan has an auto enrollment provision whereby newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or \$22,500 and \$20,500 in 2023 and 2022, respectively, adjusted annually for the cost of living, plus an additional \$7,500 in 2023 and \$6,500 in 2022, for employees age 50 and over. In addition, employees of health and welfare service agencies may be eligible to make a special catch-up contribution, if the participant has completed at least 15 years of service with the Foundation. Participants may also choose to designate contributions as Roth contributions. Automatically enrolled participants have their deferral rate set at 2% of compensation for the initial year of enrollment, 4% in the second year, and 6% in the third and each subsequent year.

The Foundation may make a matching contribution, which is allocated to eligible participants based on a percentage of the participant's tax-deferred contributions. Effective October 1, 2021, all participants are eligible to receive a matching contribution equal to 100% of contributions up to a maximum of 2% of compensation, as defined, and 50% of contributions that exceed 2% up to a maximum of 8% of compensation, as defined. Previously, all participants were eligible to receive a matching contribution equal to 50% of contributions up to a maximum of 6% of compensation, as defined. The Foundation may also elect on a year-to-year basis to make additional discretionary contributions as determined by the Board of Directors. No discretionary contributions were made during the years ended December 31, 2023 and 2022. Total contributions to each participant's account may not exceed the lesser of \$66,000 (\$73,500 with the catch-up contribution) in 2023 and \$61,000 (\$67,500 with the catch-up contribution) in 2022, or 100% of annual compensation, as defined. Excess contributions are refunded in accordance with provisions of the IRC.

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and matching employer contributions, and an allocation of the Foundation's discretionary contribution and the Plan's net earnings (losses); and reduced by an allocation of the Plan's administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Contributions received from the Foundation are always fully vested and cannot be forfeited, even if employment is terminated or the participant becomes ineligible to participate in the Plan. Participant voluntary contributions and earnings are always 100% vested.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over their life expectancy. Participants may withdraw all or a portion of their vested account balance as an in-service distribution after attaining age 59 ½. Participants are eligible to make hardship withdrawals from the vested portion of their accounts to satisfy a financial hardship, as defined, subject to the approval of the plan administrator. Mandatory lump sum distributions will be paid to participants whose vested balance is less than \$1,000 upon a distributable event.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of the vested portion of their account balance with Mutual of America Life Insurance Company (Mutual of America). The minimum note receivable amount is \$1,000, and participants may only have one loan outstanding at any time. Spousal consent is required. The note receivable, including interest, must be repaid within five years unless the note is used to acquire a principal residence. The notes are collateralized by the participants' account balances and bear interest at prevailing rates. The interest rate was 4.60% or 5.85% and 3.25% or 4.60% at December 31, 2023 and 2022, respectively. The notes mature at various dates through October 2028.

Plan Loans

Loans with The Lincoln National Life Insurance Company (Lincoln National) are made directly with Lincoln National and are not reflected on the Plan's financial statements. Respective participant contributions held in the participant's Lincoln National Fixed Account are used as collateral in the event of default. The balance of such plan loans amounted to \$990 and \$948 as of December 31, 2023 and 2022, respectively.

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Except for investments, which are accounted for on a fair value basis, the Plan has prepared its financial statements on the basis of cash receipts and disbursements; consequently, certain additions to net assets available for benefits are recognized when received rather than when earned, and certain deductions from net assets available for benefits are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to be presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change in the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, except guaranteed insurance contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid, to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Net investment earnings (losses) include the Plan's gains and losses on investments bought and sold as well as held during the year. The fair value of the investments and the related net appreciation (depreciation) in the fair value of investments are determined by Mutual of America Life Insurance Company (Mutual of America) and Lincoln National. See Note E for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance. Interest income is recorded when it is received. Related expenses are recorded as administrative expenses and are expensed when paid. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is paid. Fees incurred by the Plan for investment management services are included in the net appreciation (depreciation) in fair value of investments.

**PARTNERS IN DEVELOPMENT
FOUNDATION 403(b) PLAN**

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2023 and 2022

NOTE C – CERTIFICATIONS FROM QUALIFIED INSTITUTIONS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments and interest from guaranteed insurance contracts for the years ended December 31, 2023 and 2022, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America and Lincoln National, the qualified institutions of the Plan. The contract value of the guaranteed insurance contracts was also certified by Mutual of America and Lincoln National.

NOTE D – GUARANTEED INSURANCE CONTRACT

The Plan has an annuity contract with a fixed income option with Mutual of America. Certain participants have fixed annuity contracts with Lincoln National. Mutual of America and Lincoln National maintain the contributions for these contracts in general accounts. The annuity contracts are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and respective participants.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor, the failure of the trust to qualify for exemption from federal income taxes, or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE E – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement.

**PARTNERS IN DEVELOPMENT
FOUNDATION 403(b) PLAN**

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2023 and 2022

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values investments in registered investment companies at quoted prices, a Level 1 input. The Plan values its investments in pooled separate accounts using the net asset value (NAV) of unit shares held by the Plan at year-end. The NAV, as provided by Mutual of America, is used as a practical expedient in order to estimate fair value. The NAV is based on the fair value or contract value of the underlying investments held by the fund less its liabilities. There were no investments valued using Level 2 or 3 inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the use of different methodologies to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$702,001</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 702,001

FOUNDATION 403(b) PLAN**

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2023 and 2022

NOTE F – TAX STATUS

The plan administrator believes that the Plan is currently designed in compliance with the applicable requirements of the IRC, including the requirement that the Plan be maintained pursuant to a written plan document. The plan administrator believes that the Plan was qualified and the related trust exempt as of the financial statement date. The Internal Revenue Service determination letter process does not currently apply to 403(b) plans.

Management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The plan administrator evaluated the Plan's tax positions as of December 31, 2023 and 2022 and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods in progress.

NOTE G – RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan's assets are administered by and in the custody of Mutual of America and Lincoln National, the qualified institutions of the Plan, and therefore, these transactions qualify as party in interest transactions. Certain administrative functions are performed by officers or employees of the Foundation, who receive no compensation from the Plan.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I – ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Foundation who receive no compensation from the Plan. Certain administrative expenses are paid by the Foundation. Expenses that are paid by the Foundation are excluded from these financial statements.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including investments in shares of registered investment companies, pooled separate accounts, and guaranteed insurance contracts. In general, investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

For the Years Ended December 31, 2023 and 2022

NOTE J – RISKS AND UNCERTAINTIES (Continued)

The Plan and Foundation operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions, are not presently determinable.

NOTE K – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through August 6, 2024, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements.
