# Independent Auditor's Report

To,  
The Participants and the Plan Administrator,  
Fulcrum Digital, Inc. 401k Plan  
(Formerly known as Fulcrum Logic Inc. 401k Plan)

## Scope and nature of the ERISA Section 103(a)(3)(c) audit

We have performed audits of the accompanying financial statements of Fulcrum Digital, Inc. 401k Plan (formerly known as Fulcrum Logic Inc. 401k Plan) (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023, and December 31, 2022, and for the years ended December 31, 2023, and December 31, 2022, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet

our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### **Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditor's responsibilities for the audit of the financial statements**

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial

statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters – Supplemental schedule required by ERISA**

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

*(All amounts are in United States Dollars unless otherwise stated)*

### NOTE 1: DESCRIPTION OF PLAN

The following brief description of Fulcrum Digital, Inc. 401k Plan (formerly known as Fulcrum Logic Inc. 401k Plan) (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### *General*

The Plan is a defined contribution plan effective January 01, 2002, as defined in the Employee Retirement Income Security Act of 1974, and is sponsored by Fulcrum Digital, Inc. (formerly known as Fulcrum Logic, Inc.) (“the Company/ Plan Sponsor”). Employees of the Company are permitted to enter the Plan after reaching 21 years of age and on completion of three months of service and are eligible for all types of contributions on the first day of the month coinciding with or following the date the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### *Change of Plan, Plan Sponsor name, and Plan number*

Effective January 01, 2023, the Plan Sponsor changed their name from Fulcrum Logic, Inc. to Fulcrum Digital, Inc. Plan Sponsor amended the Plan to change the name of the Plan from Fulcrum Logic Inc. 401k Plan to Fulcrum Digital, Inc. 401k Plan and Plan’s number changed from 001 to 002.

#### *Transfer of assets from the plan*

During the year ended December 31, 2022, 5 participants' assets amounting to \$17,656 (previous year: NIL) were transferred from the Plan to the Culinary Digital Inc. Plan.

#### *Contributions*

The Plan permits elective deferrals and rollover contributions. All employees are eligible for all the above contribution types. In-Plan Roth rollover contributions are not permitted. The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make elective deferrals contributions and Roth elective deferrals (“deferral contributions”) to the Plan up to a maximum of 20% of their annual compensation. Annual participant contribution amounts are limited to \$22,500 and \$20,500 of salary deferrals for the years ended December 31, 2023 (\$30,000 for participants aged 50 years and over), and December 31, 2022 (\$27,000 for participants aged 50 years and over) respectively. Participant contributions received during the years ended December 31, 2023, and December 31, 2022, amounted to \$399,919 and \$395,662, respectively.

The Company has the option to make employer matching and profit-sharing contributions towards the Plan, and such a contribution, if any, is determined by the Company’s board of directors and is subject to limitations under the IRC. Upon determination of participants' contributions, the Company contributions are made to the trustee in cash. There are no employer matching and profit-sharing contributions for the years ended December 31, 2023, and December 31, 2022.

#### *Participant accounts*

Each participant’s account is credited with their contributions, employer contributions, if any, and Plan earnings or losses offset by withdrawals and Plan administrative expenses. The benefit to which a participant is entitled is the

benefit that can be provided from the participant's vested account. Upon retirement, disability, death, or termination, a participant or beneficiary can elect to receive either a lump-sum distribution or installment distribution.

*Administration*

Fulcrum Digital, Inc. (formerly known as Fulcrum Logic, Inc.) serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include but are not limited to establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. For the years ended December 31, 2023, and December 31, 2022, the Plan administrator engaged ADP Retirement Services ("ADP") as a third-party plan administrator to assist in the administration of the Plan.

For the years ended December 31, 2023, and December 31, 2022, Reliance Trust Company served as the trustee of the Plan pursuant to the Plan agreement. The trustee received all contributions made under the Plan and held Plan assets.

*Plan expenses*

All expenses incurred for administering the Plan are paid by the Plan except to the extent paid by the Company at its discretion, including asset and fund fees, distribution fees, and participant loan fees. During the years ended December 31, 2023, and December 31, 2022, the Company elected to bear all the Plan expenses.

*Vesting*

Participants are fully vested with respect to their contribution from their salaries. Participants are vested in employer matching contributions, profit-sharing contributions, and earnings thereon under the following vesting schedule:

<u>Years of vesting service</u>	<u>Vested percentage</u>
Less than 3	0%
3 or more	100%

Participants also become 100% vested upon full or partial termination of the Plan, upon reaching the normal retirement age of sixty-five years, or upon disability or death of the participant.

Any portion of a participant's account balance attributable to rollover contributions from another qualified plan is 100% vested at the time of contribution and not subject to forfeiture.

*Investment options*

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the trustee.

*Notes receivable from participants*

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one loan outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at rates equal to the prime rate as

published in the Wall Street Journal on the 14th day of each month, plus two percent. Principal and interest are paid ratably through monthly payroll deductions.

*Benefit payments*

In-service withdrawals of all or a portion of a participant's account balance only from elective deferrals (a minimum of \$500) may be made by a participant after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account as set forth in the Plan document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or as set forth in the Plan document.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

The Plan also has a provision for force out distributions, wherein participants with vested account balances less than or equal to \$5,000 will be provided lump-sum force out distributions. Amounts attributable to rollover contributions will be excluded for determination of a force out distribution.

*Hardship withdrawals*

Participants may obtain hardship withdrawals (a minimum of \$500).

*Forfeitures*

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the Participant's account, whichever is earlier. The Employer may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. In some cases, however, forfeitures will be reallocated to Participants as though they are additional Employer contributions. There were no forfeitures for the years ended December 31, 2023, and December 31, 2022.

**NOTE 2: SUMMARY OF ACCOUNTING POLICIES**

*Basis of accounting*

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of estimates in financial statements*

The preparation of financial statements in conformity with GAAP requires the use of management estimates. These estimates are subjective in nature and involve assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of investment income and deductions during the years ended December 31, 2023, and December 31, 2022, respectively. Actual results could differ from

those estimates. Any adjustments applied to estimated amounts are recognized in the period in which such adjustments are determined.

*Plan termination*

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

*Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Investment valuation and income recognition*

Investments in mutual funds, money market funds, and common/collective trusts are valued at fair value or net assets value or contract value, wherever applicable, as provided by the trustee. Net appreciation (depreciation) in the fair value of investments represents the change in fair value during the period, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the period.

*Basis of fair value measurements*

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.) The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Fulcrum Digital, Inc. 401k Plan**  
**(Formerly known as Fulcrum Logic Inc. 401k Plan)**

Financial Statements

December 31, 2023, and December 31, 2022

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for investment assets measured at fair value:

*Mutual funds:* The fair value of the Plan's mutual funds is valued at the net asset value ("NAV") of the shares held by the Plan at period-end. These mutual funds are actively traded, and therefore the fair values are classified as level 1 estimates.

*Common/collective trusts:* Units held in common/collective trusts ("CCT") are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

*Money market funds:* Money market funds are classified within Level 1 of the fair value hierarchy and are valued based on quoted prices in active markets for identical securities.

*Contributions*

Participants and employer match contributions are recorded during the period the employer makes the payroll deductions.

*Payment of benefits*

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

**NOTE 3: RISKS AND UNCERTAINTIES**

The Plan provides for various investments. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the overall volatility in the financial markets, it is at least reasonably possible that changes will occur in the near term that could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as at December 31, 2023, and December 31, 2022, may not necessarily be indicative of amounts that could be realized in a current market exchange.

**NOTE 4: INFORMATION CERTIFIED BY RELIANCE TRUST COMPANY ("TRUSTEE") (UNAUDITED)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee, except for comparing such information certified by Reliance Trust Company, to information included in the Plan's financial statements for the years ended December 31, 2023, and December 31, 2022, and supplemental schedule for the year ended December 31, 2023:

**NOTE 5: INVESTMENTS**

A schedule of the fair value, wherever applicable, of individual investments that comprised 5% or more of the Plan's net assets available for benefits at December 31, 2023, and December 31, 2022, is as follows:

**NOTE 6: FAIR VALUE MEASUREMENTS**

The following tables are presented by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2023, and December 31, 2022. As required by ASC Topic 820, investment assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's policy is to recognize significant transfers between levels at the Plan's period-end.

The tables below set forth by level within the fair value hierarchy are a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023, and December 31, 2022, respectively:

**NOTE 8: INCOME TAX STATUS**

For the years ended December 31, 2023, and December 31, 2022, the Plan Sponsor entered into a non-standardized arrangement of the ADP, LLC, *Non-Standardized Pre-Approved Profit-Sharing/Money Purchase/CODA*. ADP, LLC has received an opinion letter from the IRS dated October 06, 2020, which stated that the form of the non-standardized pre-approved plan and related trust was designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustee and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations. The Plan has been amended since the latest opinion letter.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

**NOTE 9: PARTY-IN-INTEREST TRANSACTIONS**

The Plan trustee, Reliance Trust Company, performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. ADP Retirement Services provides services to the Plan as a third-party plan administrator for which administration fees are charged to the Plan. Apart from this, the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**NOTE 10: RECLASSIFICATION**

The previous year's figures have been restated, regrouped, reworked, or reclassified wherever required; however, this has no impact on net assets available for benefits.

**NOTE 11: SUBSEQUENT EVENTS**

The Plan evaluated all events and transactions that occurred after December 31, 2023, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
