Independent Auditors' Report

Plan Participants and Administrator
Employees' Savings Plan of Madico, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employees' Savings Plan of Madico, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Employees' Savings Plan of Madico, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employees' Savings Plan of Madico, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Savings Plan of Madico, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employees' Savings Plan of Madico, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Savings Plan of Madico, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Description

The following description of the Employees' Savings Plan of Madico, Inc. (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan includes employees of Madico, Inc. and affiliates Vacuum Depositing, Inc. LLC and Lintec of America (collectively, the "Company" or "Plan Sponsor").

- a) *General* – The Plan is a defined contribution 401(k) plan covering eligible employees of the Company. The Plan was established by the Company on January 1, 1984. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Reliance Trust serves as the trustee. An employee of the Company serves as the Plan Administrator.
- b) *Eligibility* – All employees who have reached the age of 18 and completed three months of service are eligible to participate in the Plan. Employees that covered by a collective bargaining agreement and leased employees are excluded from eligibility.
- c) *Contributions* – Participant contributions are limited to the lesser of 90% of eligible compensation, as defined, or the annual deferral limit defined by the Internal Revenue Code (IRC).

Participants are automatically enrolled in the Plan and will defer 3% of their annual eligible compensation, as defined, as a pre-tax contribution unless they inform the Plan Sponsor to contribute a different percentage or elect not to participate in the Plan. Effective June 22, 2017, the Plan was amended to automatically enroll participants at 6% of their annual eligible compensation as a pre-tax contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2019, the Plan was amended to automatically increase deferrals 1% per year up to a maximum 15%.

Participants direct the investment of their contributions into various investments offered by the Plan. The Plan currently offers a variety of mutual funds issued by registered investment companies as investment options for participants.

The Plan offers a discretionary profit sharing employer contribution. Under

Employees' Savings Plan of Madico, Inc.

the discretionary profit sharing employer contribution, the Plan Sponsor may make a contribution on behalf of each participant equal to the percentage declared of eligible compensation, as defined. The Company was the Plan sponsor of this qualified plan. The transfer represented excess pension plan funds to be allocated as either discretionary profit sharing or matching employer contributions. The Company did not make a discretionary profit sharing employer contribution during 2023.

The Plan is a "safe harbor 401(k) plan" effective January 1, 2019. The Company makes safe harbor matching contributions equal to 100% of participant salary deferrals that do not exceed 3% of compensation, plus 50% of participant salary deferrals in excess of 3% and up to 5% of compensation. The safe harbor matching contribution is fully vested. During the years ended December 31, 2023 and 2022, the Company made matching contributions of \$566,381 and \$616,749, respectively.

- d) *Participants Accounts* – Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's discretionary matching employer contribution, (b) the Plan Sponsor's discretionary profit sharing employer contribution, and (c) Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- e) *Vesting* – Participants are immediately vested in their contributions as well as employer safe harbor matching contributions and discretionary profit sharing employer contributions, plus actual earnings thereon.
- f) *Investment elections* – Each participant shall direct the investment of their account among a selection of mutual funds issued by registered investment companies. Contributions may be diversified among one or more of the funds in increments of 1%.
- g) *Notes Receivable from Participants* – The Plan permits its participants to borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (less the highest outstanding loan balance in the previous 12 months) or 50% of the participant's account balance. Loans range up to 5 years or longer term for the purchase of a primary residence as

established by the Plan Administrator at the time of the loan. The loans are collateralized by the balance in the participant's account and bear interest at a the prime rate of interest plus one percent. These rates range from 4.25% to 9.50% on outstanding loans as of December 31, 2023, and mature through 2051. Principal and interest are paid ratably through weekly payroll deductions. A participant is not allowed to have more than one loan outstanding at a time.

- h) *Payment of Benefits* – Withdrawals may be made from a participant's account at retirement, death, disability, hardship or termination of employment. A participant with a rollover account balance is permitted to withdraw all or a portion from the amount of rollover contributed to the Plan, as defined. A participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest

Employees' Savings Plan of Madico, Inc.

Notes to Financial Statements

December 31, 2023 and 2022

income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Notes receivable from participants

Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Contributions

Contributions from Plan participants and the matching contribution from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit-sharing contributions are recognized upon authorization and in the year the underlying compensation is recognized under the Plan. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by the Internal Revenue Service (IRS) regulation are recorded as a liability with a corresponding reduction in contributions.

Payment of Benefits

Benefit payments are recorded when paid.

Notes to Financial Statements

December 31, 2023 and 2022

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes from participants that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through September 18, 2024, the date the financial statements were available to be issued.

3. Information Prepared and Certified by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and supplemental schedule related to the following assets:

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the best level input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the SEC.

Employees' Savings Plan of Madico, Inc.

Notes to Financial Statements

December 31, 2023 and 2022

These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<i>Investment Assets at Fair Value as of December 31, 2023</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$23,916,381	–	–	\$23,916,381
Total investments, at fair value	\$23,916,381	–	–	\$23,916,381

<i>as of December 31, 2022</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$19,913,732	–	–	\$19,913,732
Total investments, at fair value	\$19,913,732	–	–	\$19,913,732

5. Related Party Transactions and Party in Interest transactions

Reliance Trust is the trustee of the Plan; therefore, transactions with the trustee qualify as parties-in-interest transactions. ADP is the recordkeeper of the Plan and qualifies as a party-in-interest. Fees paid by the Plan to the recordkeeper totaled \$10,875 for the year ended December 31, 2023. The Plan Sponsor also paid certain administrative expenses of the Plan.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain fully vested in their accounts.

Employees' Savings Plan of Madico, Inc.

Notes to Financial Statements

December 31, 2023 and 2022

7. Tax Status

The Plan adopted a volume submitter plan sponsored by ADP. The volume submitter plan provider received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
