# INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Administrator of the
CCC Retirement Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of CCC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CCC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CCC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting**

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CCC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CCC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CCC Retirement Savings Plan
Cape Girardeau, Missouri

NOTES TO FINANCIAL STATEMENTS

For the Plan Year Ended December 31, 2023

A. Description of Plan:

The following description of the CCC Retirement Savings Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

1. *General* - The Plan is a defined contribution plan sponsored by Community Counseling Center (Plan Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted January 1, 2014 and was restated on January 1, 2020. The Plan was amended during 2020 to consolidate all activity into one plan. This amendment was effective January 1, 2020. The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance. The Plan was also amended on October 19, 2021, to allow for in-service withdrawals for participants that have reach 59.5 years of age. This amendment was effective October 20, 2021.

   Voya Retirement Insurance and Annuity Company (Voya) is the custodian and recordkeeper of the Plan.

2. *Eligibility* – Employees are eligible to participate in the elective salary deferral portion of the Plan immediately upon hire. Employees join the Plan as an active participant for purposes of contributions other than elective salary deferral contributions, on the first day of the calendar month after being employed for twelve months and completing 1,000 hours within a twelve-month period.

3. *Contributions* – Upon meeting the eligibility requirements, participants may contribute up to 100% of their eligible compensation, as defined by the Plan, not to exceed Internal Revenue Service (IRS) limitations, subject to certain discrimination tests prescribed by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

   The Plan allows the Company to make discretionary matching contributions. For the year ended December 31, 2023, the Company made matching contributions equal to 167% of the amount deferred up to 3% of compensation. The Company matching contributions are invested as directed by the participant. During the year ended December 31, 2023, the Company made matching contributions of $405,478.

   Participants may also contribute certain rollover amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain IRS limitations.

A. Description of Plan (Continued):

4. *Participant Accounts* - Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, Plan earnings, and charged with an allocation of investment gains or losses, withdrawals, and administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. *Investments* – Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Participants are able to change their investment allocations daily.

6. *Vesting* - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Employees vest 20% per year after completing two years of service until becoming 100% vested after six years of credited service in accordance with the Plan document, or immediately if employment is terminated due to death, disability, or retirement upon the attainment of age 65.

7. *Payment of Benefits* - On termination of service for reason of death, a participant's account balance will be distributed by the end of the fifth year for all beneficiaries. For termination of employment for reasons other than death, the distribution may be made in a lump sum payment or in substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of you or your beneficiary or as partial distributions. The amount of the distribution will be the vested interest in his or her account.

8. *Forfeited Accounts* - Forfeitures of the Company's contributions may be used for any permissible method, including: to restore forfeitures, reduce Company contributions, or to pay plan expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled $5,678 and $5,601, respectively. In 2023, employer contributions were reduced by $0 from forfeited non-vested accounts.

9. *Ease Account* – The ease account is used to pay plan expenses, including annual audit fees. A portion of participant quarterly investment earnings are credited to the ease account and are based on the plan's estimation of applicable fees for the plan during the current year. At December 31, 2023 and 2022, the ease account totaled $48,806 and $60,944, respectively.

A. Description of Plan (Continued):

10. *Notes Receivable from Participants* – The Plan permits participants to borrow from their account up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 less the highest outstanding loan balance during the previous twelve-month period. Loan terms range from one to five years or up to the usual repayment period required by commercial lenders for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate fixed by the Plan Administrator, taking into consideration interest rates currently being charged on similar commercial loans by persons in the business of lending money. Current participant notes receivable bear interest at rates ranging from 4.25% to 9.50%, which is commensurate with local prevailing rates. The interest rate in effect at the origination of the loan will remain in effect for the duration of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2023 and 2022, the Plan had outstanding notes to participants with principal balances totaling $75,241 and $75,870, respectively.

B. Summary of Accounting Policies:

*Date of Management's Review* - Subsequent events were evaluated through June 27, 2024, which is the date the financial statements were available to be issued.

*Basis of Accounting* - The financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting, revenues are recorded when received and expenses are recorded when paid. Investments are stated at fair market value.

*Use of Estimates* - The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

*Investment Valuation and Income Recognition* – The Plan's investments are stated at fair value as certified by Voya Retirement Insurance and Annuity Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when declared. Dividends and capital gains paid by pooled separate accounts are reinvested. The change in market value from year-to-year is reported as gains (losses) for the pooled separate account. Investment income exclusive of net appreciation or depreciation is not provided by the investment company and is not presented.

B. Summary of Accounting Policies (Continued):

*Payment of Benefits* - Benefits are recorded when paid.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative fees and are expensed when they are incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

*Administrative Expenses* – Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

C. Fair Value Measurements:

Fair value measurements in accordance with current accounting standards, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by the correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

C. Fair Value Measurements (Continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

*Mutual Funds:* Pooled separate accounts are part of a group annuity contract and are valued daily by the annuity provider using the daily closing price of the shares of the underlying mutual funds. Mutual funds held by the plan are required to publish their daily net asset value (NAV) and to transact at that price. Because the mutual funds held by the plan are valued at the closing price, they are not deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

| | Assets at Fair Value as of December 31, 2023 | | |
|---|---|---|---|
| | Total | Level 1 | Level 2 |
| Mutual Funds | $ 8,696,422 | $ - | $ 8,696,422 |
| Total at Fair Value | $ 8,696,422 | $ - | $ 8,696,422 |

| | Assets at Fair Value as of December 31, 2022 | | |
|---|---|---|---|
| | Total | Level 1 | Level 2 |
| Mutual Funds | $ 6,878,222 | $ - | $ 6,878,222 |
| Total at Fair Value | $ 6,878,222 | $ - | $ 6,878,222 |

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net depreciation in fair value of investments.

D. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

E. Federal Income Tax Status:

The Company has adopted a volume submitter 403(b) plan pre-approved by the Internal Revenue Service (IRS). The IRS issued an opinion letter dated March 31, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Certified Investments:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Retirement Insurance and Annuity Company (the trustee of the Plan).

G. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023 and 2022.

| | December 31, | |

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

I. Related Party and Party-in-Interest Transactions:

The Plan sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These transactions are exempt party-in-interest transactions.

The Plan auditors are considered a party-in-interest. Audit fees paid by the Plan totaled $47,990 for the year ended December 31, 2023.

Voya Retirement Insurance and Annuity Company administers the contract, provides investments to the Plan participants, and receives fees and commissions which totaled $68,426 for the year ended December 31, 2023. These administrative fees were related to the administration of the Plan and were paid by the Plan. These transactions qualify as party-in-interest transactions.

Plan participants may borrow from their account balances. These loans are classified as notes receivable from participants in the statement of net assets available for benefits. Notes receivable from participants totaled $75,241 and $75,870 for the years ended December 31, 2023 and 2022, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

J. Subsequent Events:

For the year-ended December 31, 2023, the Plan has evaluated subsequent events for potential recognition and disclosure through June 27, 2024, which is the date the financial statements were available to be issued.
