Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Molpus Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Molpus Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Molpus Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Molpus Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Molpus Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Molpus Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

THE MOLPUS COMPANY 401(k) PROFIT SHARING PLAN

December 31, 2023

NOTE 1. DESCRIPTION OF PLAN

The following brief description of The Molpus Company 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. *General.* The Plan is a defined contribution plan covering substantially all employees of The Molpus Company and The Molpus Woodlands Group, LLC who have met the eligibility requirements as described in the plan adoption agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. *Contributions.* Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of Code Sections 401(k), 404, and 415 of the Internal Revenue Code. Employer matching and profit sharing contributions are discretionary. Contributions are also subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan.
- C. *Participant Accounts.* Each participant's account is credited with the participant's contribution, the Company's contributions and plan earnings. Participant accounts are also charged with an allocation of administrative expenses, when applicable. Allocations of income and expense are based on participant earnings or account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. *Vesting.* Participants are immediately 100% vested in their contributions, Company match, and Company profit sharing contributions plus actual earnings thereon.
- E. *Payment of Benefits.* Upon termination of service with the employer, a participant may elect to receive a lump-sum, installment, or partial distribution equal to the value of his or her vested account balance or maintain the investment in the Plan if meeting minimum balance requirements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

- A. *Basis of Accounting.* The financial statements of the Plan are prepared on the accrual basis of accounting.
- B. *Estimates.* The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES- (Continued)

C. *Investment Valuation and Income Recognition.* The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management team determines the Plan's valuation policies. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. *Payment of Benefits.* Benefits are recorded when paid.

E. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses were also paid by the Company. Revenue sharing of fund expenses are credited back to each participant's account.

F. *Subsequent Events.* In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.

G. *Notes receivable from participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions.

NOTE 3. FEDERAL INCOME TAX STATUS

The Company adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement sponsored by Dataair Employee Benefit Systems Inc. The Company is relying on the opinion letter as obtained and updated by the sponsor and has not applied for an individual determination letter. The Company believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that therefore the plan qualifies under the section 401(a) and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the plan's financial statements.

The Plan's Form 5500 information returns are subject to examination by the Department of Labor generally for three years after they are filed. Management has evaluated the tax positions taken and has not identified any positions that are not more likely than not to be sustained upon examination.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan at any time to terminate the Plan subject to the provisions of ERISA.

NOTE 5. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and participant notes receivable held at December 31, 2023 and 2022, the schedule of assets held for investment purposes at December 31, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the plan.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 and the methodologies used for assets measured at fair value are described as follows:

Level 1. Fair value inputs include unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. The fair values of mutual funds and self-directed accounts are based on quoted net asset values of the shares held by the Plan at year-end.

Level 2. Fair value inputs include significant other observable inputs other than Level 1 inputs such as quoted prices for similar assets, quoted prices in markets that are not active or other observable inputs that can be corroborated by observable market data. There were no Plan investments valued using Level 2 inputs.

Level 3. Fair value inputs include unobservable inputs that are supported by little or no market activity such as pricing models, discounted cash flow methodologies or similar techniques. Level 3 inputs have the lowest priority. There were no Plan investments valued using Level 3 inputs.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 7. FAIR VALUE MEASUREMENTS- (Continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value.

Investment Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 24,675,136	\$ -	\$ -	\$ 24,675,136
Self-directed accounts	1,171,635	-	-	1,171,635
Investments measured at net asset value	-	-	-	268,792
Total assets at fair value	<u>\$ 25,846,771</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,115,563</u>

Investment Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 21,014,401	\$ -	\$ -	\$ 21,014,401
Self-directed accounts	1,599,787	-	-	1,599,787
Investments measured at net asset value	-	-	-	217,223
Total assets at fair value	<u>\$ 22,614,188</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,831,411</u>

In accordance with Subtopic 820-10, certain investments that were measured as net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share expedient as of December 31, 2023, and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Trust Funds	\$ 268,792	n/a	Daily	10 day

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Trust Funds	\$ 217,222	n/a	Daily	10 day

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation in fair value of investments.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 8. GUARANTEED INVESTMENT CONTRACT

The Plan holds a portfolio of investment contracts that comprises a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment. The contract issuer, Empower Annuity Insurance Company of America is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a monthly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower Annuity Insurance Company of America. Examples of such events include the following:

1. Plan termination or merger.
2. Plan amendments or operation of the Plan in a manner which is unacceptable to issuer.
3. The Plan fails to qualify or becomes disqualified under Code section 401(a).
4. Total amount of contributions received in the preceding 12 months is less than \$25,000.
5. The sum of all Participant Annuity Account Values falls below \$25,000.
6. Premature termination of the contract.

The Plan is of the opinion that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 9. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Empower Annuity Insurance Company of America is also the issuer of the guaranteed investment contract held by the Plan. These transactions qualify as party in interest transactions as Empower Annuity Insurance Company of America and Empower Trust Company, LLC are also the custodians, as defined by the Plan. The plan made direct payments to third party administrators of \$ 22,090 which were not covered by revenue sharing.
