WIPFLI

Independent Auditor's Report

Plan Administrator
Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust
Green Bay, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering substantially all nonunion employees of VerHalen, Inc. (the "Company"), who have three months of service and are age 21 or older. Upon satisfying eligibility requirements, an employee is eligible to participate on the first day of the following calendar quarter (January 1, April 1, July 1, and October 1). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The investment committee is responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may elect to contribute to the Plan up to 100% of their eligible compensation, as defined in the plan document, on a pre-tax or Roth basis, subject to certain Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Rollovers are not matched. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Each year on July 1, deferral elections for all participants will automatically increase by 1%, up to a maximum of 10%, unless a different election is made.

The Company may make discretionary matching or profit sharing contributions. For 2023, the Company made a discretionary matching contribution equal to 50% of the first 6% of eligible compensation that a participant contributed to the Plan, which totaled \$405,924. Also for 2023, the Company made a discretionary profit sharing contribution equal to 3% of eligible compensation that a participant contributed to the Plan, which totaled \$500,897. Participants must be employed on the last day of the plan year and have completed at least 1,000 hours of service during the plan year to be eligible to receive the Company's discretionary profit sharing contribution.

Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's voluntary contributions, Company discretionary matching contributions, and allocations of (a) Company discretionary profit sharing contributions, (b) plan earnings or losses, and (c) forfeitures of terminated participant's nonvested accounts. Participant accounts are reduced by withdrawals and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching and profit sharing contributions, plus actual earnings (losses) thereon, is based on years of continuous service. Participants become vested at 10% upon attaining the first year of credited service. Participants then vest at a rate of 20% per year, beginning with the second year of credited service. Participants become fully vested after six years of service. In addition, participants become fully vested upon death or disability.

Participants are considered to have completed one year of service for purpose of vesting upon the completion of 1,000 hours of service during a plan year.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at any given time. Note terms range from one to five years or up to 15 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account or other security if the note is for the purchase of a primary residence. The notes bear interest at rates ranging from 3.25% to 8.25% at December 31, 2023, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Plan benefits are available at normal retirement (age 60), disability retirement, death, or termination of employment with vested interests. Participants may elect to receive benefit payments in the form of a lump-sum distribution or in installments. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2. Participants may withdraw their rollover contributions at any time.

Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's discretionary matching and profit sharing contributions. Forfeited nonvested accounts totaled \$7,785 at December 31, 2023 and \$39,906 at December 31, 2022. These accounts can be used to reduce Company discretionary matching and profit sharing contributions or to pay plan expenses, with any remaining balance reallocated to participants. During 2023, forfeited accounts of \$11,372 were used to offset Company discretionary matching contributions and \$41,607 were used to offset Company discretionary profit sharing contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the accompanying financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are included in administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable from participants are recorded as benefit payments on the basis of the terms of the plan document.

Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Investment Management Fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees paid directly by the Plan are allocated proportionately to plan participants based on their respective account balances and are reflected as investment expenses and included in net investment income. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participant's account and are included in administrative expenses.

Certain fees incurred by the Plan for investment management services are allocated proportionately to plan participants based on their respective account balances and are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than direct payment. All other administrative expenses paid directly by the Plan are allocated proportionately to plan participants based on their respective balances and are included in administrative expenses.

Subsequent Events

The Plan as evaluated subsequent events through September 5, 2024, which is the date that the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value ("NAV") of units of the bank collective trust, which is based on the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities' liquidation will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Total investment assets at fair value - Mutual funds	\$ 18,837,566	\$ 0	\$ 0	\$ 18,837,566
Investment assets measured at NAV				543,098
Total investment assets at fair value				\$ 19,380,664

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

Notes to Financial Statements

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments, notes receivable from participants, and non-interest-bearing cash held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company ("Matrix"), the Trustee of the Plan.

Note 5: Party-in-Interest Transactions

OneAmerica Retirement Services, LLC ("OneAmerica") is the recordkeeper of the Plan and, therefore, fees paid to OneAmerica qualify as party-in-interest transactions. Fees paid by the Plan to OneAmerica for recordkeeping services were \$39,987 for 2023.

Morgan Stanley was the Plan's investment advisor. Fees paid by the Plan to Morgan Stanley qualify as party-in-interest transactions and totaled \$15,406 for 2023. During 2023, the Plan changed investment advisors to Nicolet National Bank. There were no fees paid out of plan expenses to Nicolet National Bank in 2023.

Certain fees incurred by the Plan are included in net appreciation in fair value of investments because they are paid through revenue sharing rather than a direct payment.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Tax Status

The Plan adopted a non-standardized pre-approved plan document with an IRS notification letter dated August 19, 2020, which states the non-standardized pre-approved plan document as then designed is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the notification letter, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Ver Halen, Inc. Profit Sharing and Salary Savings Plan & Trust

Notes to Financial Statements

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company discretionary matching and profit sharing contributions.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Prohibited Transactions

Under DOL Reg. 2510.3-102(b), the Company is required to remit the participant contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Company's general assets, but no later than the 15th business day of the month following the date that participant contributions are withheld by the Plan. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, participant contributions for three pay periods during 2022 were remitted outside of the 15-day requirement. During the plan year ended December 31, 2023, delinquent participant contributions of \$91,819 were corrected. These transactions constitute prohibited transactions as defined by ERISA. There were no prohibited transactions for the year ended December 31, 2023.
