Independent Auditor's Report

Ascend Leasing LLC
Jackson, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Ascend Retirement Savings 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Ascend Retirement Savings 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Ascend Retirement Savings 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ascend Retirement Savings 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ascend Retirement Savings 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

ASCEND RETIREMENT SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – PLAN ADMINISTRATION AND DESCRIPTION

The following brief description of the Ascend Retirement Savings 401(k) Plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

A. General

The Plan is a defined contribution plan covering substantially all full time (defined as 1,000 hours in the plan year) employees of the Company who have six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each participant may contribute up to 75% of their compensation for the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employer's match is discretionary and may be changed or eliminated at any time with the approval of the Board of Directors. Participants are eligible to participate in the Plan Sponsor matching contributions if employed at the end of the Plan year, without regard to the number of hours of service completed. The Plan Sponsor may also contribute an annual discretionary contribution; however, such contribution is not required. No discretionary contribution was made during 2022 or 2021.

C. Participants' Accounts

Each participant account is credited with the participant's contributions and allocation of the Company's match contributions, investment earnings (losses), and administrative expenses. Allocations are based on participant compensation, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest 20% every year after two years of service and participants are fully vested after six years of service.

E. Investment Options

Plan participants are permitted to direct their employee and employer match contributions into several pooled separate accounts and common/collective trusts maintained by John Hancock Life Insurance Company (U.S.A.).

F. Payments of Benefits

On termination of service due to death, permanent disability or retirement, a participant with an account balance that exceeds \$5,000 may elect to receive a lump sum payment or annual installments over a specified period equal to his or her entire account. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account. If the vested value of a terminated participant's account is less than \$5,000, the total vested balance is distributed as an automatic lump sum payment in cash or a rollover into an individual retirement account on behalf of the participant.

December 31, 2022 and 2021

G. Forfeitures

Forfeitures of non-vested employer match account funds are used to reduce future employer match contributions. The unallocated and unused forfeitures are invested in a non-interest-bearing cash account. Forfeitures used in 2022 and 2021 were \$161 and \$41,287, respectively.

H. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

I. Plan Expenses

A portion of the Plan's administrative expenses are paid by the employer.

J. Hardship Withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account. Participants are not permitted to defer withholdings for up to six months following a hardship withdrawal.

K. Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from one to five years or up to twenty-five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to "prime" plus one percent (1%). Interest rates on December 31, 2022 ranged from 5.25 to 8.25%. Principal and interest are paid ratably through monthly payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Method of Accounting

The financial statements have been prepared on the modified cash basis of accounting, which is not in accordance with accounting principles generally accepted in the United States of America but is an acceptable alternative method under regulations issued by the Department of Labor. Contributions are recorded when received and interest and dividends are recorded when credited to the Plan by the asset custodian. Benefits, distributions, and expenses are recorded when paid.

B. Investments

All assets of the Plan are maintained in pooled separate accounts and common/collective trusts at John Hancock Savings and Retirement Services and are valued at fair market value. Net depreciation from participant investments includes realized and unrealized gains and losses arising from individual participant investment activities. See Note 6 for additional information.

C. Use of Estimates

The preparation of financial statements on the modified cash basis requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ASCEND RETIREMENT SAVINGS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end and are level 1 investments.

The fair value of the common/collective trust account for which quoted market prices are not available are valued based on the quoted net asset values of the underlying securities and are level 2 investments.

Pooled separate accounts and common / collective trusts are stated at fair value. The Plan's Unallocated Non-Participating Group Annuity Contract with the Custodian provides individual recordkeeping services for each participant. The contract does not provide guaranteed Plan benefit payments to participants. The contract's investment options, to which a participant may direct their investments, consist of a wide range of mutual funds (Sub-accounts), managed by various third party mutual fund management companies. The value, liquidity, and related income or loss of these investments are sensitive to changes in economic conditions, including real estate value, delinquencies, or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Stable Value Fund is stated at fair value. The Stable Value Fund sub-account invests into the John Hancock Stable Value Fund Collective Investment Trust (CIT). The Stable Value Fund Collective Investment Trust honors eligible redemptions at \$1.00 per unit. This results in the daily net asset value (NAV) published by the CIT as a stable \$1.00 per unit and is effectively its contract value. That value is used for valuing the sub-account and determining daily sub-account unit values. The sub-account does not have to reflect the actual market values of the CIT's net assets. Fair value is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date, and generally is the value that would be paid out for participant-initiated or benefit withdrawals.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

		<u>Fair Value Measurements:</u>

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - TERMINATED PARTICIPANTS

Included in net assets available for benefits are amounts allocated to individuals who have elected to withdraw from the Plan but who have not been paid. No plan assets were allocated to these participants as of December 31, 2022 and 2021.

NOTE 10 – PLAN NAME CHANGE

Ascend Leasing, LLC bought Milan Supply Chain Solutions and the Plan name was changed to Ascend Retirement Savings 401(k) Plan effective January 1, 2022.

NOTE 11 – PLAN AMENDMENT

Effective July 1, 2022, the Plan was amended to merge Dedicated Transportation Solutions 401k Plan into the Plan as of the April 1, 2022 acquisition date. The amendment also stated that acquired employees of Dedicated Transportation Solutions will not be considered new employees for purposes of the Automatic Deferral application.
