To the Trustee and Plan Administrator
Four Corners 401(k) Plan

We have audited the financial statements of Four Corners 401(k) Plan (the "Plan") as of and for the year ended December 31, 2023 and have issued our report thereon dated September 16, 2024. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated June 10, 2024, we conducted our audit in accordance with professional standards except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we did not perform any auditing procedures with respect to certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, were audited by us in accordance with auditing standards generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the applicable internal controls of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on June 11, 2024.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No significant new accounting policies were adopted, and the application of existing policies was not changed during 2023.

We noted no transactions entered by the Plan during the year for which there is a lack of authoritative guidance or consensus.

We noted no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the Plan's valuation of investments.

Management has informed us that, in determining the appropriateness of the estimate of investment values, they have recorded the fair values based on market values provided by the investment custodian, plus any applicable valuation adjustments. We performed no specific procedures related to the valuation of the investments due to the scope and nature of an ERISA Section 103(a)(3)(C) audit.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Disagreements with Management

For the purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

We are pleased to report that no such disagreements arose during the course of our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

We did not detect any misstatements as a result of audit procedures.

Significant Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards and plans and strategies that may affect the risks of material misstatement, with management each year prior to our retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition of our retention.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 13, 2024.

Form 5500 - Annual Return/Report of Employee Benefit Plan

Our responsibility for Form 5500 does not extend beyond the financial statements, and we do not express an opinion or any form of assurance on Form 5500. However, we read the Plan's Form 5500 filing, and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information or manner of its presentation appearing in the financial statements.

Reportable Finding

The following deficiency in internal control was also identified during our audit and, in our professional judgment, is of sufficient importance to merit management's attention:

SOC-1 Report Review - During audit testing and inquiries, we noted plan sponsor staff do not currently perform formal documented reviews of the Plan's service providers' reports on internal controls (SOC-1 reports). SOC-1 reports are issued by the independent auditors of the service providers and address the service providers' own internal control policies and procedures. The SOC-1 reports issued by the auditors typically note whether key internal control structure policies and procedures are suitably designed to achieve specified control objectives. Deficiencies, if any, are disclosed in the SOC-1 reports. By reviewing the SOC-1 reports, plan management can determine that the control objectives and associated control policies and procedures were tested for operating effectiveness at the service providers. These SOC-1 internal control reports can be obtained directly from the service providers, normally on an annual basis. In your role as plan management, it is your fiduciary responsibility to consider the controls in place at such organizations, or the lack thereof, and their potential impact on the Plan's financial reporting. The impact of not reviewing the SOC-1 reports is that the Plan's controls may not be appropriately adjusted to address controls not in place or not effective at the service providers; thus, controls may not be in place to detect or prevent material misstatements.

This information is intended solely for the use of the trustee, the plan administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Plante & Moran, PLLC

Auditors:

This representation letter is provided in connection with your audits of the financial statements and Employee Retirement Income Security Act of 1974 (ERISA)-required supplemental schedules, if any, (collectively, the "Financial Statements") of Four Corners 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the Financial Statements.

We elected to have the audits of the Plan's Financial Statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). We acknowledge that our audits did not extend to any statements or information related to investment information as certified by a qualified institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We accept responsibility for the preparation and fair presentation of the Financial Statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

We acknowledge our responsibility for the presentation of the ERISA-related supplemental schedule(s), if any, in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe that the ERISA-required supplemental schedule(s), including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period.

We acknowledge our responsibility for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

We acknowledge our responsibility for the completeness of the financial statements, and the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error, and for the design, implementation, and maintenance of internal control to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the Financial Statements may be materially misstated as a result of fraud. We also acknowledge our responsibility for providing you with all relevant information and access.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

For purposes of disclosure in this letter, individual matters related to financial amounts and disclosures should be considered material if they are in excess of \$31,400. However, materiality limits do not apply to representations that are not directly related to amounts included in the Financial Statements or to any item regarding fraud by management or employees who have significant roles in internal control.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, as of the date of this letter, the following representations made to you during your audits.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 10, 2024, for the preparation and fair presentation of the Financial Statements in accordance with U.S. GAAP.
2. We are unaware of any violations of U.S. GAAP in the Plan's accounting principles and the practices and methods followed in applying them.

4. There have been no changes during the year in the Plan's accounting principles and practices or in the methods of applying them.
5. We are not aware of any litigation, claims, or unasserted claims or assessments that should be accrued or disclosed in the Financial Statements in accordance with FASB - Accounting Standards Codification Topic Section 450, *Contingencies*, and we have not consulted a lawyer concerning any litigation, claims, or assessments, asserted or unasserted or compliance matters.
6. We have no plans or intentions that may materially affect the fair value or classification of assets and liabilities. Further, there is no intention to terminate the Plan.
7. We recognize that we are responsible for maintaining the Plan's compliance with Internal Revenue Code and Department of Labor Regulations in order to maintain the Plan's tax-exempt status.
8. There have been no communications with regulatory agencies, whether oral or written, concerning noncompliance with, or deficiencies in, financial reporting practices or other Plan matters, including operations of the Plan that could have a material effect on the Financial Statements.
9. There are no:
 - a. Related party or party-in-interest transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing agreements, and guarantees, except for certain administrative fees paid by the Company and certain investments managed by the custodians and their affiliates.
 - b. Guarantees, whether written or oral, under which the Plan is contingently liable.
 - c. Other material liabilities or loss contingencies for which the risk that the Plan will suffer a loss in excess of \$31,400 is more than remote.
 - d. Nonexempt transactions/prohibited transactions with parties in interest, as defined in ERISA Section 3 (14) and regulations under that section.
10. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
11. There are no leases, loans, or investments in default or considered to be uncollectible.

13. The methods, data, and significant assumptions used by us in making accounting estimates, and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in the context of U.S. GAAP.
14. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
15. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the Financial Statements.
16. Adequate provision has been made to cover possible losses that may result from the collection of receivables, including participant notes receivable.
17. The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
18. All significant contracts and contracts not in the normal course of business entered into by the Plan have been presented to you for your evaluation. Additionally, we have complied with all aspects of debt and other contractual agreements that would have a material effect on the Financial Statements in the event of noncompliance.
19. All significant amendments have been considered for disclosure in the financial statements.
20. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code. The trust is intended to continue as a qualified trust. The Plan has been and continues to be operated in a manner designed to maintain this qualification. No events or transactions have occurred that might affect the Plan and trust's qualified status (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status).
21. The Plan has complied with the fidelity bonding requirements of ERISA.
22. All significant estimates and material concentrations, as hereinafter defined, known to us have been disclosed to you. Significant estimates are those estimates used in the development of accounting information that could change materially within the next year. Material concentrations refer to concentrations in investments and revenue sources that make the Plan vulnerable to events that occur within the next year that would have a significant disruptive effect on the Plan.
23. All Form 5500s have been filed on a timely basis with the appropriate filing agency (DOL or IRS). There have been no examinations to date in regard to the Plan's Form 5500.
24. The Plan does not have any material uncertain tax positions (either individually or in the aggregate) (1) that have been recognized in the Plan's Financial Statements or (2) for which we have concluded that recognition in the Plan's Financial Statements is required (including positions related to unrelated business income or situations that put the Plan's tax qualified status in question). We believe the Plan is no longer subject to tax examinations for years prior to 2020.
