INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Plan Administrator
Eastern Dermatology & Pathology, P.A. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Eastern Dermatology & Pathology, P.A. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Eastern Dermatology & Pathology, P.A. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Eastern Dermatology & Pathology, P.A. (the Sponsor) who have one year of service with 1,000 hours of service and are age 18 or older. Nine physicians serve as trustees and are responsible for oversight of the Plan. The trustees determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to the Sponsor's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan amendment: Effective January 1, 2023, the Plan was amended to update the list of trustees.

Contributions: Participants may contribute pretax annual compensation subject to the maximum allowed by the Internal Revenue Service (IRS), as defined in the Plan. Participants are also permitted to contribute Roth after-tax deferrals to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Sponsor may make matching contributions, at its discretion, in an amount not to exceed 6% of a participant's compensation. The Sponsor did not make matching contributions during 2023. For the 2023 Plan year, the Sponsor elected to satisfy safe harbor requirements. Therefore, it made a nonelective contribution equal to 3% of the participant's compensation. The Sponsor may also make discretionary profit sharing contributions to the Plan. Profit sharing contributions totaled \$456,466 for the year ended December 31, 2023.

All employer contributions are made annually subsequent to year-end and thus, reported as employer contributions receivable. Participants are eligible for discretionary contributions if they are actively employed on the last day of the Plan year or completed more than 500 hours of service during the Plan year prior to terminating employment. Contributions are subject to certain IRS limitations.

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

Participant accounts: Each participant's account is credited with the participant's contributions and the Sponsor's matching and nonelective safe harbor contributions, as well as allocations of any profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and the Sponsor's nonelective safe harbor contributions plus actual earnings thereon. Participants are vested in the Sponsor's matching contributions and profit sharing contributions plus actual earnings thereon based on years of continuous service. A participant is 100% vested after six years of service. A participant's vesting percentage is calculated on a graded schedule of 20% per year once the participant attains two years of service.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.

Forfeitures: Forfeitures are used to reinstate previously forfeited account balances of qualifying participants, reduce future employer contributions or pay Plan expenses. Forfeited nonvested accounts totaled \$771 and \$20,090 at December 31, 2023 and 2022, respectively. During 2023, \$21,816 was used to pay administrative expenses and no forfeitures were used to reinstate account balances or reduce employer contributions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Contributions: Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits: Benefits are recorded when paid.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Expenses: Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of the Plan and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events: The Plan has evaluated subsequent events (events occurring after December 31, 2023) through September 17, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by Reliance Trust Company (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule relating to the following assets:

	December 31,	
	2023	2022
Investments, at fair value:		
Registered investment companies	\$ 16,347,811	\$ 12,945,978
Money market fund	2,551	20,090
Common collective trust stable value fund	265,179	471,943
	<u>\$ 16,615,541</u>	<u>\$ 13,438,011</u>

The trustee also certified to the completeness and accuracy of \$1,806,501 of net appreciation in fair value of investments and \$764,440 of interest and dividends related to the aforementioned Plan assets for the year ended December 31, 2023.

Investments and cash of \$5,558,006 and \$3,942,014 at December 31, 2023 and 2022, respectively, and net appreciation of \$980,245 and interest and dividends of \$85,911 for the year ended December 31, 2023, were not certified.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at NAV of shares held by the Plan at year-end.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stock, government bonds, certificates of deposit and money market funds that are valued on the basis of readily determinable market prices.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Common collective trust stable value fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 16,347,811	\$ -	\$ -	\$ 16,347,811
Money market fund	2,551	-	-	2,551
Self-directed brokerage accounts	5,512,424	-	-	5,512,424
	<u>\$ 21,862,786</u>	<u>\$ -</u>	<u>\$ -</u>	<u>21,862,786</u>
Investments measured at NAV (a)				265,179
Investments, at fair value				<u>\$ 22,127,965</u>

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 12,945,978	\$ -	\$ -	\$ 12,945,978
Money market fund	20,090	-	-	20,090
Self-directed brokerage accounts	3,902,491	-	-	3,902,491
	<u>\$ 16,868,559</u>	<u>\$ -</u>	<u>\$ -</u>	<u>16,868,559</u>
Investments measured at NAV (a)				471,943
Investments, at fair value				<u>\$ 17,340,502</u>

- (a) In accordance with the *Fair Value Measurements* topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	December 31, 2023	2022			
Common collective trust stable value fund:					
T. Rowe Price Stable Value Fund	<u>\$ 265,179</u>	<u>\$ 471,943</u>	None	Immediate	None

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

Note 5. Related Party and Party-in-Interest Transactions

T. Rowe Price is the custodian of the Plan; therefore, transactions with the custodian qualify as party-in-interest transactions. Fees paid by the Plan to the custodian totaled \$8,041 for the year ended December 31, 2023. In addition, the Plan paid audit fees and investment management fees totaling \$27,137 and \$17,246, respectively, for the year ended December 31, 2023. The Sponsor also paid certain administrative expenses of the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

Effective January 1, 2022, the Plan adopted a volume submitter plan sponsored by Corporate Plans & Services, Inc. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

EASTERN DERMATOLOGY & PATHOLOGY, P.A. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8. IRS Voluntary Correction Program Filing

During the 2017 Plan audit, errors were discovered in the operation of the Plan related to required minimum distributions and missed amendments. As a result, the Sponsor decided to file a submission under the IRS's Voluntary Correction Program (VCP) to make the necessary corrections. The Sponsor received a statement of compliance from the IRS on May 31, 2023, related to this VCP filing.
