ENTRUST GLOBAL PARTNERS OFFSHORE LP 401(K) PLAN

**Financial Statements
Together with Independent Auditors' Report**

**As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023**

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the EnTrust Global Partners Offshore LP 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the EnTrust Global Partners Offshore LP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the Trustee of the Plan, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the EnTrust Global Partners Offshore LP 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the EnTrust Global Partners Offshore LP 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the EnTrust Global Partners Offshore LP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the EnTrust Global Partners Offshore LP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENTRUST GLOBAL PARTNERS OFFSHORE LP 401(K) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the EnTrust Global Partners Offshore LP 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on July 30, 2020. The Plan covers eligible employees of EnTrust Global Partners Offshore LP (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was amended effective January 1, 2021 to become a safe harbor plan.

The Plan was most recently amended effective June 15, 2022 to allow participants to make non-deductible, after-tax employee contributions to the Plan, not to exceed 85% of their compensation each payroll period.

Eligibility

All employees of the Company are eligible for participation in the Plan, except for interns who must have attained age 21 and completed at least 1,000 hours of service to be eligible. Employees become eligible to participate in the Plan upon completion of three months of service.

Participant Contributions

Participants may make pre-tax, Roth, or after-tax contributions to the Plan up to 100% of compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$22,500 for the year ended December 31, 2023 and \$20,500 for the year ended December 31, 2022. Participants who have attained or are expected to attain the age of 50 before the end of the Plan year are eligible to make additional catch-up contributions subject to limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2023 and \$6,500 for the year ended December 31, 2022. Participants may roll over amounts to the Plan representing distributions from other qualified retirement plans.

Company Contributions

Effective January 1, 2021, the Plan was amended to become a safe harbor plan. During the year ended December 31, 2023, the Company made \$1,186,741 of safe harbor matching contributions equal to 100% of the first 6% of eligible participants' contributions to the Plan. Contributions are calculated and paid on a payroll basis and trued up annually.

The Company may also make qualified matching employer contributions to the Plan. The Company did not make any qualified matching contributions during the year ended December 31, 2023.

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by each participant. Any earnings, losses, and administrative expenses are allocated to a participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants also have the option to invest in self-directed brokerage accounts, where the participant may select additional investments, as permitted by the Plan and in accordance with ERISA.

Vesting

Participants are immediately 100% vested in their participant and rollover contributions, Company contributions and any investment earnings thereon.

ETP 401(k) Plan participants employed by EnTrustPermal (former name of EnTrust Global Partners Offshore LP) that were terminated before January 1, 2017, vest in their ETP employer fixed profit sharing balance according to the schedule below. Recipients of top heavy contributions vest in their top heavy contributions according to the table below:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

Upon termination of service, death, disability, retirement (age 62), or the attainment of age 59 ½, a participant (or their beneficiary, in the event of death) is entitled to a lump-sum distribution of their vested account balance, as defined by the Plan.

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Payment of Benefits – cont'd.

If a participant's vested account balance upon termination is \$5,000 or less and no distribution election is made by the participant, the balance may be distributed at any time without participant consent. Any distribution greater than \$1,000 that is made to a participant without the participant's consent before the participant's normal retirement age will be rolled over to an individual retirement plan. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2023 and 2022, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not been paid by year-end.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds (see Note 7 for exception to this rule). The minimum note amount is \$1,000 and a participant may hold three outstanding notes at any given time. The notes are collateralized by the participant's vested account balance. The interest rate on the loan will be determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans at the time of loan issuance. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within ten years from the original date of the loan.

Forfeitures

Forfeitures resulting from non-vested Company contributions may be used to pay administrative expenses of the Plan or applied to reduce employer contributions. The forfeitures account totaled \$1 and \$462 as of December 31, 2023 and 2022, respectively. The Company used \$461 of forfeitures during the year ended December 31, 2023 to offset administrative expenses.

Plan Expenses

Certain administrative expenses are paid by either the Plan or the Company as provided by the Plan. During the year ended December 31, 2023 all direct expenses were paid by the Plan. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared under the accrual method of accounting whereby income is recognized when earned and expenses are recognized when incurred.

ENTRUST GLOBAL PARTNERS OFFSHORE LP 401(K) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

ENTRUST GLOBAL PARTNERS OFFSHORE LP 401(K) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interest in collective investment trust: Valued at fair value based on the unit value of the fund. Unit value is determined by the entity sponsoring the fund by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

Interests in self-directed funds:

- *Interest bearing cash:* Valued at amortized cost plus accrued interest, which approximates fair value.
- *Interests in registered investment companies:* Valued at the closing price reported in the active market in which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date.

^(a) In accordance with ASC 820-10, certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the NAV per share as a practical expedient, as of December 31,:

	2023	2022	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common/collective trusts ^(b)	\$ 2,781,891	\$ 1,083,460	Daily	None	None

^(b) This fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. The fund also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 12, 2024, the date the financial statements were available to be issued and determined there were no such events required for disclosure.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held at December 31, 2023 and 2022 and interest and dividend income and net appreciation in fair value of investments for the year ended December 31, 2023 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Fidelity Management Trust Company (the Trustee).

ENTRUST GLOBAL PARTNERS OFFSHORE LP 401(K) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments Institutional Operations, Inc. (FIIOC). FIIOC is related to the Plan's Trustee. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan allows participants to borrow against their vested account balances. All such transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

5. INCOME TAX STATUS

The Plan is a pre-approved plan, which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the Plan is qualified under Section 401(a) of the Code and, therefore, is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended subsequent to the date covered by the favorable opinion letter, however, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, affected participants will immediately vest in all unvested accounts.

7. CARES ACT

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in order to help the U.S. economy and workers in the midst of the COVID-19 pandemic. The CARES Act includes numerous provisions related to retirement plans. The Plan Sponsor elected to adopt certain CARES Act provisions, including to temporarily allowing for COVID-19 penalty-free distributions up to \$100,000, increasing the loan limits to the lesser of \$100,000 or 100% of the present value of the participant's nonforfeitable account balance, and waiving required minimum distributions (RMD) for 2020 for qualified individuals. As of the report date, the Plan has not been formally amended for such provisions.
