INDEPENDENT AUDITOR'S REPORT

September 12, 2024

To the Plan Administrator of the
Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern for at least one year following the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MANNING & NAPIER ADVISORS, LLC 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. For a more complete description of the Plan's provisions, participants should refer to the Plan document.

General

During 2022, Manning & Napier, Inc. ("MN"), the owner of the Companies, was acquired by the Callodine Group, LLC ("Callodine"), a Boston-based asset management firm, in partnership with East Asset Management. Following the acquisition, MN became a private, wholly owned subsidiary of an affiliate of Callodine.

The Plan is a defined-contribution retirement plan covering all eligible employees of Manning & Napier Advisors, LLC (MNA LLC), as well as all eligible employees of Exeter Trust Company and Rainier Investment Management, LLC (collectively, the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

MNA LLC sponsors and administers the Plan. Empower Trust Company, LLC (Empower) is the trustee and custodian of the Plan's assets, and Empower Retirement, LLC is the recordkeeper of the Plan information.

Eligibility

Employees of the Companies at least 21 years of age and having completed one month of employment are generally eligible to participate in the Plan. Employees must have one year of service in order to be eligible for employer contributions.

Contributions

The Plan allows participants to contribute an amount from 1% to 75% of their annual compensation. Participants are subject to certain contribution limitations under Section 401(k) and Section 415 of the Internal Revenue Code. Participants that have reached the age of 50 may elect to defer additional amounts to the Plan. A participant may designate all or a portion of their elective deferral contribution as after-tax Roth elective deferrals.

The Plan includes an automatic enrollment provision. Newly eligible employees who have not affirmatively opted out of enrollment in the Plan are automatically enrolled. The Plan provides an automatic enrollment provision in which newly eligible participants and eligible participants not currently contributing to the Plan are enrolled to contribute a percentage of their annual salary, unless the participant elects otherwise. The automatic enrollment percentage is 7%. As long as a participant does not opt out of the automatic increase provision, the participant's elective deferral amount will automatically increase by 1% at the beginning of each Plan year, up to a maximum of 10%.

The Companies may make discretionary matching contributions to the Plan. The Companies matched 50% of each participant's contribution not to exceed 4% of their total compensation in both 2023 and 2022. Employer matching contributions totaled \$1,412,217 and \$1,434,039 in 2023 and 2022, respectively.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

The Companies may also make discretionary profit sharing contributions to the Plan, subject to approval of senior management of MNA LLC. There were no profit sharing contributions pledged by MNA LLC at December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and investment earnings or losses, and is reduced by benefit payments and administrative expenses. Employer profit sharing contributions are allocated to participant accounts in the same proportion that each participant's eligible compensation for the Plan year bears to the total eligible compensation of all participants for the Plan year. Net earnings or losses from each investment fund are allocated to each participant's account based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions and employer profit sharing contributions vest immediately. Contributions made through the employer match become 100% vested after three years of service.

Payment of Benefits

Normal retirement age is 65, at which time participants are entitled to 100% of their account balance. On termination of service due to death, disability, retirement or termination of the Plan, a participant may elect to receive a lump-sum, in installments, or direct rollover into an individual retirement account or another qualified plan, equal to the value of the participant's vested interest in his or her account. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions. The Plan requires in-service distributions to actively-employed participants that have reached the age of 72. Hardship withdrawals are also permitted from the Plan for actively-employed participants.

For termination of service for other reasons, participants with a nonforfeitable account balance of more than \$1,000 may receive the value of the vested interest in his or her account as a lump-sum amount equal to the value of the participant's vested interest in his or her account or may leave the balance in the Plan. If the nonforfeitable account balance is \$1,000 or less, a participant may only receive the value of the vested interest in his or her account as a lump-sum distribution. Expenses associated with initiating distributions are paid by the individual participants.

Forfeitures

If an employee terminates their employment before their account has become fully vested, they will forfeit the unvested balance of their account and the forfeitures are used to reduce the employer's contribution. The Companies used approximately \$29,900 and \$5,400 of forfeitures to reduce employer contributions in 2023 and 2022, respectively. The Companies did not use forfeitures to pay administrative expenses in 2023 and 2022. Forfeitures, including gains, totaled approximately \$54,000 and \$28,200 in 2023 and 2022, respectively. Unapplied, forfeited, nonvested accounts totaled approximately \$53,100 and \$29,000 at December 31, 2023 and 2022, respectively.

1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined annually by the plan administrator. Expenses associated with initiating and maintaining notes receivable are paid by the individual participants.

Plan Termination

Although they have not expressed any intent to do so, the Companies have the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are stated at fair value. The net appreciation or depreciation in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments. Purchases and sales are recorded on a trade date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a hierarchy for information and valuations used in measuring fair value that is broken down into three levels based on reliability. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable, either directly or indirectly. Level 3 valuations are based on information that is unobservable and significant to the overall fair value measurement. A description of where the Plan's assets fall within the ASC 820 hierarchy is provided in Note 3.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses include management fees, operating expenses, transaction fees, and loan servicing expenses. Administrative expenses totaled \$12,509 and \$9,076 in 2023 and 2022, respectively.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. INVESTMENTS

3. INVESTMENTS (Continued)

Fair Value Measurements (Continued)

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 42,456,416	\$ -	\$ -	\$ 42,456,416
Self-directed brokerage accounts	5,141,401	-	-	5,141,401
Money market fund	<u>10,354,932</u>	<u>-</u>	<u>-</u>	<u>10,354,932</u>
	<u>\$ 57,952,749</u>	<u>\$ -</u>	<u>\$ -</u>	57,952,749
Collective investment trusts, at net asset value				<u>60,856,979</u>
Total investments				<u>\$118,809,728</u>

Following is a description of the valuation methodology used for assets measured at fair value.

Money market fund and mutual funds: valued at fair value based on quoted market prices.

Self-directed brokerage accounts: self-directed funds include cash, which is stated at cost, and money market and mutual funds, which are valued at the net asset value of shares held at year end based on quoted market prices in active markets.

Collective investment trusts: valued using the net asset value, based on the value of the underlying investments held at year end, divided by the number of units outstanding.

Investments in Entities that Calculate Net Asset Value

The Plan is invested in collective investment trusts that calculate net asset value on a daily basis.

The Plan's investments in collective investment trusts are invested in global and domestic equity and fixed income-based investments. The net asset value of these investments is derived from the market value of the underlying investments. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on observable inputs. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan has investments in mutual funds and collective investment trusts managed by MNA LLC. Therefore, transactions involving these investments constitute party-in-interest transactions. There were no administrative expenses paid by the Plan to MNA LLC for investment services for either the years ended December 31, 2023 and 2022. Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

5. TAX STATUS

The Plan uses a prototype plan document developed by Empower Retirement, LLC. Empower Retirement, LLC received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the Code). The Plan itself has not received a determination letter from the IRS. However, the Plan's management and tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

6. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available for benefits agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

7. SUBSEQUENT EVENTS

On January 1, 2024, the Plan was amended and restated to merge the Callodine Commercial Finance 401(k) Plan (Callodine Commercial), the Rand Capital Management LLC Profit Sharing Plan (Rand), and Thorofare Holdings, LLC 401(k) Profit Sharing Plan (Thorofare) into the Plan. Investment assets from Callodine Commercial, Rand and Thorofare, as well as assets from Callodine Capital Management, an affiliate of Callodine, totaling \$8,207,600 in aggregate were transferred to the Plan at various dates throughout January 2024.

Additionally, effective January 1, 2024, the Plan was amended whereby the definition of eligible employees was expanded to include interns, part-time, temporary, and seasonal employees.

Subsequent events have been evaluated through September 12, 2024, which is the date the financial statements were available to be issued.
