## **Independent Auditor's Report**

Plan Administrator  
H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust  
Carthage, Missouri

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of the Plan**

The following description of H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the plan administrator.

### ***General***

The Plan is a defined contribution plan covering substantially all employees of H.E. Williams, Inc. (Company) and its affiliated entities, who have completed three consecutive months of service during the first three months of employment. If an employee does not satisfy this service requirement, he or she will be eligible after a year of service has been completed. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Matrix Trust Company serves as the trustee of the Plan. OneAmerica Retirement Services, LLC serves as the plan record keeper.

### ***Contributions***

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions up to the maximum allowed by the Internal Revenue Code (IRC). The Plan allows catch-up contributions for those participants age 50 and over making deferral contributions. Also, participants may rollover into the Plan distributions from other eligible retirement plans.

The Company may make contributions equal to the participant's salary reductions, not exceeding 4% of the participant's compensation, as a safe harbor contribution. During 2023 and 2022, the Plan received \$585,927 and \$584,232, respectively, in Company matching contributions. The Company may make a discretionary contribution to the Plan, allocated to each participant as a uniform percentage of compensation. The Company did not make discretionary contributions to the Plan for 2023 or 2022.

### ***Participant Investment Account Options***

Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's contributions, and plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are vested immediately in their voluntary contributions, safe harbor matching contributions, and actual earnings. Vesting in the remainder of their accounts is based on years of credited service. A participant is fully vested after three years of credited service.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rates range from 3.25% to 8.50%. Principal and interest is paid ratably through weekly payroll deductions.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution. Participants who terminate service and have account balances of \$1,000 or less will receive an automatic distribution of the balance. Participants with balances greater than \$1,000 and less than \$5,000 will have their balance directly rolled over to an individual retirement account as designated by the Company, unless the participant elects a direct distribution or another eligible direct rollover. Participants with account balances in excess of \$5,000 may elect to receive a direct distribution amount equal to the value of the vested interest in their account or installments for a fixed period not to exceed their assumed life expectancy.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The Plan's interest in collective trusts is valued based on information reported by the investment advisor using the audited financial statements of the collective trusts at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses and rebates are included in net appreciation in fair value of investments.

### **Note 3. Certification of Plan Trustee**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivables from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2023 and 2022.
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investment information and notes receivables from participants included in the accompanying schedule of assets (held at year-end) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### **Note 4. Related Party and Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

At December 31, 2023 and 2022, Matrix Trust Company held the Plan's investment assets.

The Plan paid administrative expenses of \$45,934 and \$50,863 to OneAmerica Retirement Services, LLC during 2023 and 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

### **Note 5. Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

**H.E. Williams, Inc. 401(k) Profit Sharing Plan and Trust**  
**Notes to Financial Statements**  
**December 31, 2023 and 2022**

---

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities.

***Recurring Measurements***

The following presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022:

|                                                    | <b>Fair Value</b>    |                      |
|----------------------------------------------------|----------------------|----------------------|
|                                                    | <b>2023</b>          | <b>2022</b>          |
| Mutual funds in the fair value hierarchy - Level 1 | \$ 24,228,806        | \$ 9,423,979         |
| Investments measured at net asset value (A)        | 5,397,001            | 15,883,772           |
| Total investments at fair value                    | <u>\$ 29,625,807</u> | <u>\$ 25,307,751</u> |

- (A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no investments measured at Level 2 or Level 3 within the fair value hierarchy at December 31, 2023 and 2022.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

***Investments***

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 and Level 2 inputs are not available, securities are classified within Level 3 of this hierarchy.

**Note 6. Plan Termination**

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**Note 7. Plan Tax Status**

The Plan operated under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust document sponsored by BMO Harris Bank, N.A. through July 1, 2022. The Plan document was filed with the appropriate agency. The Plan did not obtain or request an opinion letter. The plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Effective July 1, 2022, the Plan operates under a nonstandardized adoption agreement in connection with a pre-approved retirement plan and trust document sponsored by OneAmerica Financial Partners, Inc. This pre-approved plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service stating that the form of the pre-approved plan document is acceptable under Section 401 of the Internal Revenue Code. The Plan has not requested or obtained a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

**Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **Note 9. Subsequent Events**

Subsequent events have been evaluated through August 30, 2024, which is the date the financial statements were available to be issued.

### ***Plan Restatement***

Effective January 1, 2024, the Plan was restated to remove the three-month service requirement for eligibility, to update entry date provisions to commence on the first payroll after achieving eligibility, and to introduce an automatic deferral feature whereby a participant is treated as electing to defer 4% of eligible compensation unless the participant made an affirmative election otherwise.
